News for 10 million women

Old ideas of oil stove service swept aside by new and improved Blue Chimney New Perfection—faster cooking, greater economy, new conveniences—moderately priced.

To ten million homes without gas—and to other millions where gas rates are high—this improved oil stove brings a new conception of cooking comfort.

To the trouble-proof dependability that has made the New Perfection world-famous, is now added even quicker heat and greater fuel economy.

It lightens kitchen cares and gives women more free time! The higher, roomier top and extra shelf space are step-saving conveniences. The new straight-leg design is sturdy, compact, easily cleaned.

At your dealers you will find styles and sizes ranging from \$7.50 to \$130.00, to suit every requirement—each one the utmost in cooking satisfaction at its price.

New Blue Chimney Bumer Faster—More Economical

The remarkable increase in cooking heat and the greater fuel economy of this new burner, are due to its new double-wall, double-draft construction. The picture above shows how the EXTRA volume of air drawn in through the small holes around the chimney, is converted into an ADDED ring of intense cooking heat. This quicker cooking cuts down fuel consumption.

GAS ON STOMACH MAY CAUSE APPENDICITIS

Constant gas causes inflammation which may involve the appendix. Simple glycerine, buckthorn bark, etc., as mixed in Adlerika helps any case of gas on the stomach in TEN minutes. Most medicines act only on lower bowel, but Adlerika acts on BOTH upper and lower bowel and removes all gas and poisons. Excellent for obstinate constipation and to guard against appendicitis. Nathan Fullerton, druggist.
