NATIONAL GUARD TO GO TO CAMP LEWIS

(Associated Press Leased Wire.)

SALEM, May 21.—The Oregon national guard was blocked yesterday by Governor Pierce in its plans to take the summer training period at Monterey, California. Prevalence of the foot and mouth disease in California caused the governor to write a letter to Adjutant-General White requesting that the training be at Camp Lewis, Washington instead. The governor's action was based largely on letters received from Dr. B. T. Sims, who is now representing Oregon in the disease-infected area of California.

TWO WOMEN HURT IN AUTO ACCIDENT

BAKER, May 21.—Miss Katherine Kivett, secretary to Senator Robert Stanfield in his office at Weiser, and Mrs. Dorothy Lonzway, an employe at the court house at Huntington, were seriously injured Sunday evening when the car driven by Miss Kivett overturned on the Old Oregon Trail about two miles east of Huntington, according to word received here last night.

Miss Kivett succeeded in getting from under the car by digging away the sand. She then helped her companion from the wrecked machine. Mrs. Lonzway was seriously burned by water from the radiator. Miss Kivett escaped with severe lacerations about the head and face.

CRITICISM MADE AGAINST FARM BOARD

(Associated Press Leased Wire.)

WASHINGTON, May 21.—An account maintained by former Chairman Charles E. Lobdell of the farm loan board in a local bank was used "at times" as a slush fund, Senator Howell, republican, Nebraska, charged in the senate today.

Senator Howell explained that by a slush fund, he meant a fund used to graze the wheels so as to smooth things; a fund expended when you wanted to be generous with those who could be helpful to your objects.

"This fund was so used at times," he continued. "I hold such action should be severely condemned when taken by any government instrumentality."

Senator Howell obtained the floor as soon as the senate convened and resumed his elaboration of criticisms enumerated yesterday against the board.

Selection of Mr. Lobdell as fiscal agent with a salary of $25,000, loose handling of public money and misapplication of funds were included in the charges he filed.

Favorable report has been made by the senate banking committee on all four of the nominees, who are Lewis J. Pettijohn, Kansas; Elmer Lands, Ohio; Morton L. Corey, Nebraska and Edward E. Johns, Pennsylvania.

PLANES FOR MONTANA

(Associated Press Leased Wire.)

HELENA, Mont., May 21.—Announcement that the one hundred and forty fourth observation air squadron, a national guard unit, assigned to Oregon will be allotted to Montana has been received by Major Charles Sheridan, state adjutant general from Major George C. Rickards, chief of the militia bureau.

The squadron, 12 planes and about 16 officers and men will be stationed in Helena. The assignment of the squadron to Montana is upon condition that the state accepts the provisions of the offer.

JAPAN LIKED WOODS

(Associated Press Leased Wire.)

TOKIO, May 21.—The resignation of the American ambassador Cyrus E. Woods is the subject of editorials in all the newspapers this morning. All are couched in laudatory terms and express deep regret that the ambassador finds it necessary to relinquish his post. All, likewise, link up his resignation with the recent enactment of the American immigration law with its clause excluding Japanese.

INDIANA G. O. P. HAS CONVENTION

Meet to Ratify Action of Voters in Selecting Calvin Coolidge as Candidate.

HARRY NEW IS PRESENT

Postmaster General Says the Party Sentiment Almost Unanimous in Favor of Coolidge.

(Associated Press Leased Wire.)

INDIANAPOLIS, May 21.—United States Senator James E. Watson, was wildly acclaimed today when in addressing the state convention, he declared he would support Ed Jackson, the party's gubernatorial nominee, who was given strong Ku Klux Klan aid in the May 6 primary.

(Associated Press Leased Wire.)

INDIANAPOLIS, May 21.—Indiana republicans went into state convention here today to ratify the action of the republican voters of the state at the primary in selecting Calvin Coolidge as their preference for the presidential nomination select seven delegates at large to the national convention in Cleveland, adopt a platform and name a complete state ticket.

An assault upon the work of what were characterized as the destructive forces temporarily in control of the situation at Washington and a re-statement of republican principles constituted the main themes of the keynote address delivered by the temporary chairman, Senator James E. Watson of Indiana.

The senator assailed the senate investigators as seekers of political propaganda, regardless of the effect of the work on their national government.

He declared the senate investigations were not only causing obstruction of the enactment of needed legislation, but also designed to break down the faith of the American people in their national institutions.

"The attempt to make it appear, on no larger grounds than yet have been developed that the government is reeking with rotteness is a kind of politics which strikes not so much at the party in power as at the heart of government itself," he said.

INDIANAPOLIS, Ind., May 21.—Harry S. New, postmaster-general, said he was proud to be the bearer of greetings from the president of the United States to the republicans of Indiana, in his speech at the republican state convention today. He said party sentiment was almost unanimous in favor of Coolidge for nomination at Cleveland.

"The confidence of the people in the soundness of his judgment has grown with every day that has passed since Mr. Coolidge assumed the presidency," said Mr. New. "We now know that he is the courageous, competent and steadfast man we thought him."

Mr. New reviewed the national administration, declaring relations with other nations were better than for many years and that the country is experiencing a degree of "prosperity greater than any that has been enjoyed in any land at any time since the sun first rose on Eden."

"We know that Calvin Coolidge is to be our nominee at Cleveland," said Mr. New. "He is his own platform. His course to date is its own guaranty of the future. The country feels that it is safe with Coolidge. The party feels that he is wholly worthy of its confidence. The people believe in him. They are with him and for him."

MEETING OF FOREST WARDENS ENDS TODAY

SALEM, May 21.—A two day convention of forest fire wardens of Oregon closed here yesterday with a demonstration of fire fighting apparatus on the premises of the Thomas Kay Woolen Mills. The use of portable fire fighting pumps and the Hauck torch, used in starting back fires, was demonstrated.

Shirley Buck of the district forester's office in Portland gave a lecture on the pumps. Lynn F. Conmiller, deputy state treasurer, spoke on field forms and T. T. Munger of the United States Forest service, Portland, talked on "reforestation." Clay M. Allen of the Federal Forest service spoke on the use of telephones in the timber areas and E. T. Allen, economist of the western forestry and conservation association spoke on spring and fall fires.

MILT MILLER HAS LEAD OF 100 VOTES

PORLAND, May 21.—Milton A. Miller took a jump of 100 in the close race with W. H. Strayer for the democratic nomination for United States senator today bringing his lead to 260 as the result of the discovery of an error in the unofficial tabulated returns from Washington county. The revised total with 1664 of the state's 1763 precincts gave Miller 10,549, Strayer 1089.

In the other undecided contest in last Friday's primary election, that for the seventh place in the race for delegates at large to the republican national convention, S. D. Peterson was in the lead today with 1468 precincts reported.

Peterson had 45,572. Dr. Henry Waldo Coe of Portland his nearest competitor had 42,917.

PORTLAND, May 21.—Additional returns compiled up to early this afternoon including Curry county complete, official give Miller 10,567; Strayer 10,303; a lead for Miller of 264. Eighty precincts were still unreported, including 19 in Clatsop county, where Miller had been leading two to one and 45 in Coos county where Miller had been leading by a third in earlier returns. Seven precincts were missing from Lane county, where Miller and Strayer had been running about even.

CAUSE OF SPLIT IN CHURCH GIVEN

Inheritance of Georgia Bishop's Wife of Slaves Caused Methodist Break.

OCCURRED IN YEAR 1844

Many Efforts Have Been Made Since to Effect a Reunion, Last Refused by Northern Wing.

(Associated Press Leased Wire.)

ATLANTA, Ga., May 21.—The inheritance by a Georgia bishop's wife of several slaves was the rock upon which the northern branches of the Methodist Episcopal church split 80 years ago, church men said here today when it became known that the college of bishops of the southern body had called a meeting of the general conference to consider the joint commission's plan for unification.

The break occurred in 1844, when the wife of Bishop James O. Andrew of Oxford, Ga., inherited an estate which included slaves, thus making the bishop a slave owner.

The northern branch asked that they give up the slaves and upon refusal to do so, asked the county body that he be forced to withdraw from the bishopric.

The southern branch declined and the breach was opened.

Many efforts since have been made to effect a reunion, the last having been refused by the northern wing in May 1920, at a meeting in es Moines, Iowa. The present plan is said to be the best ever submitted to re-establish unity.

The meeting July 2— will be the first special session of the southern general conference ever called, it was said here. The plan first must pass the general conference by a two thirds majority and then must be accepted by a majority of three fourths of the total votes cast at all of the annual conventions of member states of the southern branch.

(Associated Press Leased Wire.)

SPRINGFIELD, May 21.—The election of bishops was the absorbing matter at the Methodist Episcopal general conference here today.

The first ballot taken yesterday gave the necessary two thirds vote to no one. The highest on the list, the Rev. Ralph A. Ward of Foochow, China, received but 310 of the 823 votes cast.

A second ballot was taken and the conference will meet in special session late this afternoon to hear the result and cast a third ballot, if necessary.

The second and third on the first ballot, the Reverands Merton S. Rice of Detroit and Merle N. Smith of Pasadena, California, withdrew from the contest. The strongest contenders for the five places to be filled are now, besides Dr. Ward, the Reverands E. S. Jones of North India, Titus Lowe of Nebraska, J. E. Wade of Indiana, G. A. Miller, South America, Joseph M. M. Gray of Pennsylvania and John Thompson of Chicago.

C. G. Bumell of Portland, representative of the Western Union company, is spending a few days in Roseburg in the interests of the company. Mr. Bumell is registered at the Hotel Umpqua.

AGREEMENT ON TAX REDUCTION

Conferees Consent Unanimously on Measure—Schedule Accepted.

HOPE COOLIDGE FAVORS

Democrats Yield in Proposal for Substitute Corporation Tax and Full Publicity of Tax Returns.

(Associated Press Leased Wire.)

WASHINGTON, May 21.—Unanimous consent was reached today by the conferees on the tax reduction bill.

The Simmons domestic income rate schedule providing for a 5 per cent reduction in normal taxes on incomes under $8,000 was accepted.

Senate amendments providing for full publicity for tax returns and a tax on undistributed corporation profits were rejected.

Hope was expressed by senate republican organization leaders that the bill as now framed would meet the approval of President Coolidge, who has declared opposition to both the publicity and corporation proposals, which were eliminated.

The house provisions for a 40 per cent increase in existing tax rates and for the imposition of a gift tax with rates similar to the estate tax rates were accepted.

Senate democrats, in yielding their proposal for a substitute corporation tax and full publicity of tax returns, explained that they did so in expectation that the bill would not be objectionable to President Coolidge.

The provision for a 25 per cent reduction on earned incomes was retained but the senate amendment restricting the amount to which this cut could be applied to $10,000 was accepted.

A compromise was reached on a jewelry tax. All articles selling for $30 or less, were exempted from the five per cent tax. The house had set this limit at $40 and the senate at $25.

Senate proposals to exempt produce and merchandise brokers from the brokers-tax and to restore the full levy on billiard and pool tables and bowling alleys were approved.

The treasury proposal to limit deductions on account of capital losses to 12½ per cent was restored to the bill by demand of house conferees. Secretary Mellon has estimated it would increase returns in revenue by $25,000,000 annually.

Chairman Smoot of the senate finance committee estimated the bill went $1,000,000 between the treasury surplus available for tax reduction.

This did not take into account the cost of the bonus bill, which it has been estimated will require an appropriation of $150,000,000 for the next fiscal year or other pending measures calling for special appropriations.

SOCIAL CENTER TO BE PLANNED

A permanent social center for the young people of Roseburg, a place where they may meet for directed physical, social, and intellectual development, was the subject under discussion at the last meeting of the High School P. T. A. last night. Definite work will be done along this line in the near future as much interest was evidenced last night. A motion was made to appoint a committee, consisting of a representative from each of the churches, each of the grade parent teachers associations, and civic clubs to meet and formulate some workable plan. The armory and the high school building were tentatively suggested as places for the social center.

A series of ten minute talks, stressing the imperative need for such a social center for the young people were made by Rev. Caldwell, Rev. O'Dell, Mrs. Washington Hughes, Nathan Fullerton, George Neuner, A. F. Sether, Walter Fisher, Russell Lintott A. T. Lawrence, Mrs. B. W. Maddox, and M. S. Hamm.

IMMIGRATION BILL TO BE ACTED UPON

WASHINGTON, May 21.—Actions by President Coolidge on the immigration bill before the end of the week was forecast today after a conference between the executive and Senator Reed, republican, Pennsylvania, who had charge of the legislation in the senate.

Confidence that President Coolidge will approve the immigration bill despite his opposition to the Japanese exclusion provision, was expressed who said that while Mr. Coolidge had given no indication of those intentions, he believed the president realized that there was overwhelming sentiment in the senate in favor of the bill.

KLAMATH TIMBER SOLD BY GOV'T

(Associated Press Leased Wire.)

WASHINGTON, May 21.—Awards covering the sale of approximately 310,000,000,000 feet of ripe timber in the Klamath Indian reservation in Oregon were made today by the interior department.

The bidder receiving the award on the Squaw Flat unit was the Shaw-Bertram Lumber company of Klamath Falls, which offered $5.72 per thousand feet, board measure, for yellow and sugar pine; $2.50 for Douglas fir and incense cedar and $2 for other species of timber cut and scaled prior to April 1, 1928.

The bidder awarded the contract on the Trout creek unit was Klement and Kennedy of Fortson, Washington, with a bid of $4.78 for yellow and sugar pine; $2.30 for Douglas fir and incense cedar, and $1.03 per thousand feet for other species of timber cut and scaled prior to April 1, 1928.

TRIANGLE SHOOTING RESULTS IN DEATH

(Associated Press Leased Wire.)

LOS ANGELES, May 21.—One woman is dead, her ex-husband, who is said by the police to have run amuck, is declared by police surgeons to be dying and her present husband is seriously wounded as the result of a triangle shooting here today.

Mrs. Edith Milligan, 40, is the dead woman. Ike Hiko, alias Chas. Hiko, Armenian auto mechanic, 34, is believed to be fatally self-wounded, and William Milligan, 42, has a bullet wound in the groin.

The Milligan's who came from Bismarck, N. D., were married prior to the world war. He went to the front and was reported killed. Mrs. Milligan then married Hiko. Later, the marriage was annuelled when it was alleged that Hiko had a wife and family in Armenia. Milligan turned up—the report of his death had been erroneous, and the last Monday the pair re-married. This morning, according to Mrs. Harriet L. Goodall, of Boston, who is visiting them, she and the Milligans were coming out of a cafe when Hiko, appeared, shot the two Milligans and then turned the pistol on himself.

MCADOO FOR BRYAN

(Associated Press Leased Wire.)

NEW YORK, May 21.—William G. McAdoo, candidate for the democratic presidential nomination, said in a statement made public here today:

"It would be presumptuous for me to offer advice to the people of Florida, but I hope sincerely that they may send William Jennings Bryan as a delegate to the democratic national convention and that my friends will support him."

WIFE DEFENDS HUSBAND

(Associated Press Leased Wire.)

PORTLAND, May 21.—Mrs Lulu Haynes, wife of Harry H. Haynes, Portland baker and banker who is being sued by Mrs. Alice Robertson, a nurse, for $85,000 on a charge that Haynes won her affections while posing as being single, took the stand in behalf of her husband during the hearing of the case today.

"I've lived with Mr. Haynes for 26 years and I have yet to catch him in a lie," she testified.

CITY IS READY FOR CARNIVAL

All Details Given Attention and Everything in Readiness for Event.

OPENS WITH A PARADE

Umpqua Chiefs Will Formally Open Festival With Appearance on Street in Full Regalia.

On the eve of the strawberry carnival everything is in readiness and the committee is busy cleaning up the many little odds and ends and taking care of the minor details which must be given attention.

The carnival opens tomorrow morning at 9 o'clock, when the Umpqua Chiefs in full warpaint and feathers make their appearance in a parade on the main streets. This parade will be closely followed by the baby parade which will move from the Umpqua Hotel on Jackson street to the Grand Hotel on Cass street. Then will come the crowning of Queen Mary at the court house yard, with a band concert before the noon hour.

The committee urges that the residents of the city cooperate in observing the rule regarding parking on the main street. No unnecessary parking will be permitted on the main street and the traffic will be closely controlled. Of course, it will be necessary to permit some parking, especially in the case of jitneys, but these drivers have agreed to cooperate with the committee, and will remove their machines from in front of their stands before each parade so that the streets may be clear. A person who parks his car on one of the main streets and leaves it for any length of time, is apt to find it moved to some side street where he may find it difficult to locate it.

Efforts are being made to provide as many comforts and conveniences as possible. W. B. Strawn has donated the use of the room recently taken over by the Penney Store as a rest room for women and children. The carnival committee is placing a number of seats and benches along the streets to give people an opportunity to rest, and it is also urged that merchants put seats in front of their business houses. The merchants of the city are all arranging for chairs and benches in their stores and invite the out of town people to find rest there whenever desired.

The task of decorating the streets was started this morning and the decorations are to be more extensive and elaborate than at any previous carnival. Evergreen trees are being placed at each of the sixty lamp posts and on corners. Flags and pennants are being strung across the streets and merchants are asked to put out their flags in the street sockets early tomorrow morning, and to see that they are kept out each day of the carnival.

The Browning Amusement Company is erecting the merry-go-round, ferris wheel and whip, together with several candy floss and souvenier booths at the Catholic grounds on Kane and Washington streets. The riding devices will be in readiness for operation tomorrow morning.

The Rose Show is to be held in the Hochradel building and the women have procured the necessary tables, vases, etc., for this feature.

Arrangements have also been made for the strawberry exhibit to be held at Lawrence's real estate office.

The platform for the country store a feature of Friday's program, is being built at the corner of Cass and Jackson streets. Several thousand dollars worth of merchandise will be disposed of at the store, chances being sold for a small sum.

A crew of decorators arrived in the city this morning and many of the business houses of the city took advantage of their presence to have store fronts and buildings attractively draped in flags and bunting. Many fine window displays are also being arranged by various stores.

Miss Gertrude Dolan who has been spending the past two or three days as the guest of Mr. and Mrs. C. L. Beckley of Glide returned to her home in Roseburg last evening.

Mrs. R. D. Williams and Mrs. E. B. Stewart left yesterday afternoon for Portland where they will attend the concert of Galli Curci. Mrs. Williams will return to Roseburg tomorrow but Mrs. Stewart will remain in Portland until Sunday when she will meet Dr. Stewart who has been attending the Legion convention in Indianapolis.
