

He laughed at Kellogg's Bran!

Now read this letter of thanks from Mr. Kane. It speaks for itself. Remember, it is because Kellogg's Bran is ALL bran that it was so effective in his case—just as it has been in thousands of others. Only ALL bran can produce 100 per cent results.

My dear friend:
Imagine a young man weighing 165 pounds in the course of a few months packed in bed, a weakling weighing 84 pounds. An elderly lady whom I knew since I was a kid paid me what she thought was a last visit. Upon being told of my plight she immediately mentioned your product for such an ailment. Maybe some of us didn't look upon her views very lightly . . . it was to laugh!

My dear friend, I am still laughing . . . not at your product, but because I am able to. I am telling you and the world at large, "Eat Kellogg's Krumbled Bran!" It should be called "Constipation's worst enemy." I owe you my heartfelt gratitude. I can talk, and whenever the opportunity presents itself, my mouth is always full of bran—Kellogg's Krumbled. Wishing you countless days of progress, I am

Yours for success,

John M. Kane,
228 Salem St., Woburn, Mass.

Have you committed an infraction of the above instructions. However, should you follow out our instructions to the letter we can assure you that your son will be safely returned to you within six hours after receipt of the money.

"Yours truly,
"GEORGE JOHNSON."
With the money prepared as the letter instructed, Franks waited at his home until a telephone call from "Johnson" at 1:20 in the afternoon told him to bring it in a taxi he was sending to a drug store a mile away. By the time the cab arrived, the family had been notified of the finding of the body of a boy which developed to be Robert.

"It looks more like the work of boys to me," he said. "The average criminal or kidnaper could not have written the letter to Mr. Franks." Rewards totaling \$10,000 for information leading to the arrest or convictions of the boy's slayers have been offered.

BLUE DEVILS WILL GIVE MUSICAL ACT

Roseburg's famous Blue Devils, the symphonic jazz orchestra, will appear at the Antlers tonight in a special musical act, featuring six of the latest fox trot successes of the day. The orchestra will appear in full costume and also play a ballroom on the streets. The Antlers will undoubtedly be crowded to capacity tonight as this orchestra is always a drawing card on any program. "Thomas Melan" in "The Confidence Man" will also be shown and this picture is a first run release.

MORE ROSES ARE URGENTLY NEEDED

More roses are badly needed for free distribution at the hotels Saturday, and the Woman's club, which has taken up this departure urgently requests everyone with small roses, or buds to bring them to the Rose Show rooms in the Hochradel building across from The News-Review early Saturday morning. The flowers will be distributed at lunch time at the five Roseburg hotels, and will be an attractive carnival feature for out of town visitors on Portland day. It is planned to make this a big feature but it cannot be done without the cooperation of everyone with roses.

More roses and cut flowers of any kind are also wanted by the Woman's club to put on display in their rooms, and everyone is urged to take all the blooms they have to the Rose Show rooms.

This fragrant nut-brown brew the West claims as its own

QUAFF the quality cup and know why Hills Bros. Red Can is the favored coffee of a coffee-critical West. Realize why it outsells all other brands and why it earned the title of The Recognized Standard!

The instant you break the vacuum seal and inhale that unique aroma, you know why homes of wealth and discernment adopted "Red Can" as their very own—thereby establishing the coffee tradition of the West. Taste the flavor and be doubly sure that here, indeed, is wonderful coffee.

Hills Bros. originated the vacuum-pack for coffee to protect that flavor—and the coffee tradition. If you didn't see the label, you couldn't tell what the can contained until you punctured the seal that keeps Red Can fresh permanently! For none of the aroma can escape before the can is opened.

With all its high quality, Hills Bros. Coffee is not high-priced. It is economical to buy—and economical to use. Hills Bros., San Francisco.
