STREET REPAIRS TO BE DELAYED

A wholesale repairing and resurfacing of the city's streets will be delayed for another year, according to a decision of the city council last night. The city, however, will procure a small mixing plant and will repair the few holes which have been broken in the pavement in several sections of the city this year, but will leave major work until next summer.

For several weeks an investigation has been made of the street conditions. Chadwick street, some places on Jackson street, Sheridan street, and a number of other of the paved thoroughfares are in need of resurfacing. There are many other broken places throughout the city, necessitating considerable work to put them into shape. The council has been consulting with several experts regarding the best method to improve the streets and it appears to be the general opinion that the work should be left for a year.

The pavements will not go to pieces by that time, it is claimed, while by that time there will also be a need for resurfacing the Oak street bridge, the patching of numerous bad spots, and enough work to make it worth while for some large company to move in a plant here. At present the cost of moving in a plant for the small amount of work to be done would be prohibitive. By combining the work of two years the city can obtain a better price.

The city, however, will obtain a plant of its own large enough to take care of the repair work immediately necessary, and a crew of men will be engaged to fill holes and make small repairs during the summer months.

EMBROIDERY CLUB TO MEET.

RALPH HAND LOSES MATCH TO IRA DERN

MEDFORD, June 3.—Ira Dern, Salt Lake City grappler, won the second and third falls in a match at Gold Hill last night with Ralph Hand, Cottage Grove. Hand took the first fall with a double leg grapevine and armlock, in 24 minutes. Dern's aerial attack failed to function and he was forced to pin his opponent by straight wrestling, taking the second fall in 28 minutes with a leg split and the third fall by means of a toe hold in 13 minutes. Both wrestlers had secured toe holds just before the third fall was registered, but Hand was forced to pound the mat first.

Such popularity must be deserved

OVER the footlights or over the counter, it's the same story—the big public can't be fooled. If a play or a product makes good, it's because it is good! Chesterfield's swift rise was no

accident. Smokers were ready for a better cigarette. Chesterfield grew and continues to grow, on its taste alone—and after all, taste is the smoker's own best proof of tobacco quality.

GLENDALE CLUBS EXHIBIT WORK

The Achievement Day program given by the industrial clubs of the Glendale schools on Saturday, May 31, was a decided success, and the large number of people who attended were delighted with the exhibits made. A large number of school children entered exhibits in the displays and it is very probable that several of the exhibits will be taken to the state fair this year. A musical and literary program was given in connection with the showing of club work, and a full day of entertainment enjoyed. Miss Jessica Greenwood, home demonstration agent of Grant's Pass, was the judge of the exhibit's and awarded prizes as follows: First Division, Sewing—Louise Leah, first prize; Harriet Boice, second prize; Gertrude Stenhouse, third prize. Second Division, Sewing—Sandra Hill, first prize; Joyce Basso, second prize; Louise Boice, third prize; Julia Hanson, fourth prize; Verma Kafir, fifth prize; Courtney—Ruth Moore, first prize; Dorothy Hildge, second prize; Nina Stone, third prize.
