Riddle Couple Celebrate Golden Wedding

A very happy celebration was held at the farm home of Mr. and Mrs. John David Cornutt last Saturday afternoon, May 31, when that couple lived once more the ceremony which made them man and wife 50 years ago.

The afternoon was spent under the beautiful shade trees of the ranch home, which together with the grounds and trees were decorated in a green and gold effect. Ice Cream, cake and punch were served to about 75 guests, including neighbors and relatives, besides the many personal friends.

The occasion brought together many relatives and friends of the one time bride and groom who had not met previously for many years. Speeches and recitations, interspersed with occasional musical numbers made up the entertainment.

Mr. and Mrs. Cornutt were both early pioneers in this vicinity, coming from Missouri by ox team in the early 50's. They were married on what is now known as the M. W. Pruner place on May 31, 1874, and have lived in this community ever since. They have had six children, three of whom are still living: P. E. and J. M. of Riddle, and Mrs. Minnie Jackson of Los Angeles, who was unable to attend this happy event on account of illness.

Both Mr. and Mrs. Cornutt are well and hearty and received many congratulations as well as many beautiful presents.

The out of town guests who were present at the happy event were: Dr. and Mrs. A. B. Cathey, Wyatt Cornutt, Evelyn Deiter and Lizzy Hillebrand, of Portland; Mr. and Mrs. Clarence Cornutt and family, of Shedd; Mr. and Mrs. A. W. Cornutt and daughter, of Saginaw, Ore.; Mr. and Mrs. Walter Singleton, of Roseburg; Mr. and Mrs. W. E. Chapman and Mr. and Mrs. Ed Everts, of Glide; Mr. and Mrs. J. P. CONGRESS WILL ADJOURN TODAY

Started Work an Hour Earlier Than Usual in Order to Complete Task Tonight.

THE PRESIDENT IS BUSY

Flood of Legislation Sent to White House During Closing Hours—Reclamation Rider Loses.

(Associated Press Leased Wire.)

WASHINGTON, June 7. — Congress was called an hour earlier than usual today for the final drive toward sine die adjournment, set by resolution for seven o'clock tonight.

Disposal of the reclamation measure embodying recommendations advanced by the fact finding commission of the interior department was the principal task on the program of both chambers.

Farm bloc members also were ready today to make a last effort to get action on a relief measure having centered lately on the Bursum bill providing a 35 cent export bounty on wheat and wheat products until December 1925, which, it was estimated would cost about $15,000,000.

The bill had been reported by the agriculture commission of both chambers, and Senator Norbeck, republican, South Dakota, said enough votes for its passage by the house had been assured.

Another measure having privilege position in the senate along with the conference report on the deficiency bill, was the proposal of Senator Shipstead, farmer-labor, Minnesota, for an inquiry into the "deflation of commerce, finance and agriculture" in 1920. The Hoch resolution declaring agriculture a basic industry and calling for an interstate commerce commission investigation looking to a downward revision of freight rates with especial reference to those affecting farm products, was adopted last night by the house. A similar proposal had been passed previously by the senate.

The house today refused to accept senate amendments to the deficiency appropriation bill carrying an aggregate of more than $6,000,000 for six irrigation and reclamation projects in the west

A motion by Representative Sinnott, republican, Oregon, that the amendments be adopted was voted down after chairman Madden and others opposed to the legislation had asked the house to make known its opposition by formal vote.

Another vote still must be taken on the senate reclamation "rider", which is in line with recommendations of Secretary Work's fact finding commission but the action sent the bill back to conference. It carries $130,000,000 to meet the cost of soldiers bonus until July 1, 1125.

The wind-up of congress brought such a flood of legislation to the White House that president Coolidge was kept busy most of the day signing bills, ranging from appropriation measures carrying millions to minor authorization for bridges and private claims.

Legislation approved by the president includes:

The Foster bill creating a commission composed of Secretaries of Labor and Interior and the attorney-general to select a site for a national penal institution for women, the first of its kind ever authorized by congress.

The army appropriation bill carries $327,970,000.

The independent offices appropriation bill carrying $398,776,000 including $359,000,000 for the veteran's bureau.

The house resolution authorizing admittance of certain aliens in excess of quotas for this year and legalizing admittance of others who had been deported under various supreme court decisions was adopted today by the senate. Textual changes inserted by the senate will require it to go to conference.

WASHINGTON, June 7—Appointment of a senate committee to sit during the campaign to investigate expenditures of candidates for president and vice-president, congress and the federal offices was authorized by the senate today.

The proposal was embodied in a resolution by Senator La Follette, Wisc., leader of the republican insurgents and was adopted without a record vote.

On a motion of Senator Lodge, republican, Mass., the following committee was appointed under the resolution.

Borah, Idaho, chairman, Caraway, Jones, Washington, Arkansas and Bayard, Delaware, democrats, Shipstead, Minn., farmer-labor.

On motion of Senator Reed, democrat, Missouri, the resolution later was reconsidered and amended so as to exclude candidates for the house from the scope of the inquiry.

FLIERS KILLED.

DENVER, June 7.—Captain Lowell Yeryex, formerly officer of the Royal flying corps and well known British flyer, and Norman Fuller, a newspaper artist, were dangerously injured today when an airplane in which they were flying fell at a local aviation field.

WOMAN TO HEAD G. O. P. COMMITTEE

(continued from page one)

made at the request of Mrs. A. T. Hert of Louisville, Ky., the new vice-chairman of the executive committee of the republican national convention.

Members of the republican national committee hope to wind up hearings on contested seats today so as to devote the remaining two days before the convention to the program of entertainment arranged for them.

The first of the social events will be a formal dinner this evening.

Only one contest remained to be disposed of, that from the tenth Tennessee district. With the ending of the hearings, convention activities will be halted until next Monday, when the various state delegates will assemble.

Discussion of the vice-presidency still holds the center of attention among officials and delegates already in Cleveland with an apparently increasing sentiment in favor of Governor Lowden of Illinois.

CLEVELAND, June 7.—With the republican national convention only three days away Cleveland today is facing a street car tie up. The 2300 motormen and conductors of the Cleveland railway company voted almost unanimously last night to strike at midnight Tuesday, the day the convention opens, unless the company grants a 12 cents an hour wage increase awarded by an arbitration board Tuesday. It gives the men 67 to 72 cents an hour, depending on length of service.

CLAIM MacLEAN KILLED BABY AND BEAT WIFE

(Associated Press Leased Wire.)

TACOMA, June 7.—That Kenneth Ross MacLean, son of A. R. MacLean, prominent Tacoma grocery store operator and not Nettie MacLean, his girl wife, smothered to death their infant girl in a little hotel in Brunswick, Maine, last February, beat and kicked his wife into insensibility and then abandoned her are the sensational charges contained in two suits filed today in the superior court here.

Nettie Volk MacLean is plaintiff in both actions. One is directed against Kenneth Ross MacLean and is a suit for divorce. The other is an action directed against A. R. MacLean and his wife and demands $35,000 damages for alienation of affections. In this complaint they are charged with engineering the events that led to the separation of the young couple, with the deliberate intention of securing their son's liberty from his Tacoma wife that they might obtain for him a better marital match.

The complaint in the girl's action for divorce, reawakens all of the events chronicled in the recent proceedings in Cumberland county, Maine, following the arrest of both young MacLean and his wife on charges growing out of the mysterious death of their infant daughter in the little Brunswick hotel. Whether, so far as the state of Maine is concerned, criminal proceedings against the young couple became a closed book with the action of the Cumberland county grand jury two weeks ago in returning not true bills with respect to both Kenneth and Nettie MacLean after a two-day consideration of all evidence submitted by the county prosecutor, became at once a topic of discussion among attorneys who have followed the case.

In charging that young MacLean killed the baby, the papers filed in the case charge that "the defendant grabbed a pillow and put it over the baby's face as she lay upon the bed, awake, and threw his body upon the pillow and put and kept his hand under the pillow and over the baby's face; that the plaintiff was alarmed and terrified by defendant's act and fought desperately with all her strength to prevent defendant from injuring the baby, but defendant beat and kicked plaintiff and knocked her senseless and unconscious in which state she remained for many hours thereafter."

Mrs. E. A. Dubell who resides in Canyonville was in Roseburg for a few hours this morning shopping.

John Alexander spent the day in Roseburg transacting business matters. Mr. Alexander is from Glide.

W. J. Ross and son of Canyonville were visitors in the city for several hours today.

Mr. and Mrs. A. S. Jenkins of Looking Glass spent the day in Roseburg shopping and visiting with friends.

THYE BEATS EDWARDS IN GRAPPLING MATCH

(Associated Press Leased Wire.) PORTLAND, June 7.—Ted Thye of Portland took two out of three falls from Billy Edwards, light heavyweight wrestler of Kansas City, here last night. Edwards took the first fall when he succeeded in pinning the local man with a headlock and Thye, rather than endure the eye knuckling process of the hold, conceded Edwards the fall. Thye came back in good shape and won the second and third falls in rapid succession with wristlocks.

ALLEGED MOONSHINERS HELD.

(Associated Press Leased Wire.)

MEDFORD, June 7.—Harry Lewis and Walter and Earl Woods, all residents of the Eagle Point district, were arrested by county prohibition enforcement officer Sam B. Sandefer and aides this morning and are held in the county jail charged with violation of the prohibition laws. The Woods, father and son are held under $500 bonds each, and Lewis is held under $1000 bonds.

According to Sandefer, five 5-gallon kegs, a one gallon jug and fifteen pint botties of moonshine were seized, the contraband liquor being found scattered over a 640 acre hay field.

The officers were unable to find any still but found a moonshine filter, which according to Sandefer is the best he ever saw, being able to "take ink out of water." It is now held in the city jail as part of the evidence in the case.

The preliminary hearing of the arrested trio will probably be held Monday.

LEACH CASE HEARD

In the preliminary hearing given George Leach at Scottsburg yesterday on a charge of burglary the charges were dropped from the justice court at that place and have been taken up before the justice of the peace here. Leach is to be arraigned this afternoon and will be given a chance to enter his plea. He is accused of having robbed the home of a Scottsburg resident on Wednesday night of this week and removing jewelry and other articles of value.

P. T. A. ELECTS OFFICERS

The Glide P. T. A. met last night, and transacted business matters for a short time. New officers were elected for the ensuing year. Willard Smith, president; C. C. Hill, vice president; and Floyd Watson, secretary and treasurer.

Mr. and Mrs. James Yokum of Riddle spent yesterday in this city shopping and attending to business affairs.

WIDOW OF FORMER GOVERNOR IS DEAD

(Associated Press Leased Wire.)

PORTLAND, June 7.—Mrs. Elizabeth C. Grover, 80, widow of the late La Fayette L. Grover, former governor of Oregon, died last night at her home here. Mrs. Grover was the daughter of Mr. and Mrs. Thomas Carter, pioneers who came to Portland in 1848. She was married to Grover in 1865. He was the fourth governor of the state serving from 1870 to 1877, then going to the United States senate. He died in 1902. Mrs. Grover, during the height of her husband's career, was prominent in society. She had been an invalid in recent years.

RAINFALL GENERAL IN ENTIRE NORTHWEST

PORTLAND, June 7.—General rainfall throughout the night covered eastern Washington, Northern Idaho and Western Montana, according to reports received here today.

at Walla Walla to .01 inches at Yakima at Walla Walla to .01 niches at Yakima according to weather bureau reports.

The fall here was .41, more than fell during all of April and May and the greatest fall in the same time since February.

According to growers the rain was of great benefit to wheat and other farm crops.

WHEAT FARMERS HELPED

(Associated Press Leased Wire.)

PORTLAND, June 7.—Eastern Oregon wheat farmers appeared to be the chief beneficiaries from rain which continued to fall in some parts of the northwest last night and today. Although Friday's reports indicated the dry wheat districts had had only a sprinkle while coast points enjoyed a downpour, heavier precipitation was reported today from Heppner, Pendleton, Umatilla, Baker and other points.

Central Oregon today had a touch of real winter weather, with the mercury at Bend dropping to 29 degrees above zero and a light snow falling. Measham, at the top of the Blue mountains in eastern Oregon, had more than eight inches of snow today. During the entire time that rain fell here in the last 48 hours, only .08 inch was recorded. Pendleton reported .81; Walla Walla, .48; Heppner .86 and Yakima, Wash., .01.
