

## 5 cents - 7 days

If an average family of five persons bought only Swift & Company meats for one week during 1923, that family would have paid the company, as profit, less than 5 cents on the week's supply.

These figures are developed by considering U. S. Government statistics on meat consumption in relation to Swift & Company's profit.

By the intelligent use of capital, Swift & Company prepares meats in a modern, sanitary, scientifically-clean manner.

By intensive organization, Swift & Company distributes every variety of meat, under complete refrigeration, to retail markets of great cities and small hamlets—wherever they may be located.

It is only through the most efficient methods that a company can supply the meat requirements of a family of five persons, anywhere in this country, for a period of seven days, at a profit of only 5 cents.

Swift & Company's profit from all sources in 1923 averaged only a fraction of a cent per pound on all products sold.

## GUARDSMEN VISIT MOUNT RAINIER

Members of Local Company  
Make Trip Up Peak and  
Camp Out Over Night.

TO RETURN WEDNESDAY

Special Correspondent Sends  
Interesting News From  
National Guard Camp  
at Camp Lewis.

(By Gordon R. Hibbs.)  
CAMP LEWIS, June 20.—(By Mail.)—Lieutenant Knudsen and twenty-nine men from Company D made an over night trip to Mt. Rainier last Saturday, June 14, and returned the following afternoon. Approximately four hundred men from Camp Lewis made the trip, transported by a fleet of army trucks. The start was made early Saturday morning, but due to the fact that most of the trucks broke down or stalled several times, they did not arrive at the park until about five p. m. Camp was made about five miles from the mountain, and the tents were pitched on an open spot which afforded a wonderful view of the peak. Sunday morning nearly everyone hiked to Paradise Inn, Nisqually Glacier, or Eagle Peak, where they had a general good time. The troops assembled again at two p. m. for the return trip, which was made without any accidents except a supply truck turning over on a grade.

Another trip is being made this Saturday to the mountain, and the men who were unable to go last week are nearly all going this time.

The non-com's mistakes are beginning to reach a higher stage of perfection, and some of them are even turning darker. Sergeant Jerold Meredith and Corporal Roy Rinchart were given cold showers the other night on account of their refusal to adopt the fuzzy decoration.

On Wednesday, June 13, the National Guard companies marched to "B" Range, five miles distant, to see a sham battle put on for their benefit by the regulars. The battle was a real thriller, and was participated in by machine guns, infantry, tanks, cavalry, trench mortars, scoutplanes and heavy artillery. The display was instructive as well as being extremely interesting, and it showed how a real battle would look and sound.

A lot of the new boys in the company thought they were being overworked when they had to walk over to the range to see the battle, but after going over again the next day and returning Friday, they began to get used to it. They are ready for anything now.

Everybody in Company D went on the overnight hike to "B" Range except a few of the boys who had sore feet. Every one who stayed had a lot of nice K. P. detail shoved on to 'em though.

Wally Rapp tried his darndest to get on kitchen police today, due to the fact that there was a lot of ice cream left over, that is, there was until Dale Howard found it after he finished sweeping the mess hall.

The instruction of the machine gun battalion under Lieutenant Logan is progressing rapidly. Firing on the range has been taken up the last few days, and the boys have been getting some awful thrills the first time they pull the trigger. George Lansaw, for instance, got nervous and fired a couple hundred rounds before he thought to let go of the trigger.

A quartet has been organized in the company, consisting of Sudds Sutherland, Charlie Thruston, Lip Bowden, Harry Howard and Gordon Hibbs (uke accompanist). They rendered a round of selections the other night, which were greatly enjoyed by the rest of the gang, and would have kept it up all night, except that they were requested by the company upstairs to pipe down.

All the N. G. companies participated in a shirt-tail parade Wednesday night, and played around all over the camp. Sgt. "Bus" Westcott and several other of the boys caught a helluva cold, due to the exposure. One of our popular corporals was nearly embarrassed to death when one of his dear girl friends from Roseburg drove by and wanted him to go for a ride. Wally—I mean the corporal—mumbled some excuse about "official business" and backed away into the enfolding darkness.

A good many of the boys who were so anxious to get away from Roseburg when we left are beginning to get homesick for the old home town. That doesn't mean there is anything wrong with the army, however, for the boys who have been here before are enjoying it more than ever.

The boys are all beginning to get low on cash, which is inevitable if they go to Tacoma as much as Johnnie Ritter does. Tommie Surley has even started smoking One-Elevens.

The gang will get back in Roseburg next Wednesday morning, and some awful breaks will probably be made when we get back into police society, before we get accustomed to the more modified conversation of civil life.

## PALACE OF SWEETS IS SOLD TODAY

The Palace of Sweets confectionery, owned by O. C. Baker and sons, was sold to Mrs. Coca Cloud of Riddle, formerly of Montesano, Washington. Mrs. Cloud has taken immediate possession and is now in ownership of the popular establishment. The business will be conducted by her son, L. L. Cloud, who is a candy and ice cream maker of more than ten years experience. He has formerly conducted like businesses in Centralia and Montesano, and has had experience in some of the largest candy and ice cream manufacturing on the coast. During the past month he has been employed in the Palace of Sweets where his ability has been proven. No changes are in contemplation, it being the aim of the new management to conduct the business in the same pleasing and satisfactory manner as was done by Mr. Baker and his sons, who have made many substantial improvements in the equipment and service during the time that they were the owners.

## Smith Brothers Make Famous Stomach Remedy

Years ago when the Smith Brothers placed their M. A. C. Stomach Tonic on the market, drug stores throughout the country were literally swamped with preparations alleged by their makers to have great virtue in the treatment of stomach complaints. Today most of those medicines are gone and forgotten, while Smith Bros' M. A. C. found lasting relief and told others it is the old story of honest merit achieving success in spite of every obstacle. Stomach sufferers who used M. A. C. found lasting relief and told others about it. That's why the demand for this remedy has continued to grow year after year.

M. A. C. is remarkably effective in all forms of stomach distress, such as indigestion, dyspepsia, heartburn, sour stomach, nausea and excessive gas. Absolutely harmless—pleasant to take. You are protected by a positive guarantee of money refunded if the first bottle fails to relieve your stomach trouble. Put up in one size only. Price \$1.25.

Nathan Fullerton drug store will supply you. (Mail orders accepted.)

## UMPUQUA CHIEFS WILL ENTERTAIN AT RIDDLE

At a lively meeting of the Umpqua Chiefs held last night at Lawrence's office, it was decided to accept the invitation of the Riddle Community club to give a program at Riddle on next Monday evening for the benefit of the fund which the club is raising for the construction of a community hall. The Chiefs are preparing a real snappy entertainment and expect to have a good time themselves as well as providing amusement for all of those who attend. The Community Club is arranging for a feed to follow the program, and the public is invited. A number of humorous stunts are being framed by the chiefs, their songsters are getting in training for the occasion, and the chiefs are getting out their paint and feathers for the tribal war dance.

The chiefs will take a number of the members of the Douglas County Concert Band to furnish a ballyhoo concert and to lend "atmosphere" to the event.

It was also decided at the meeting to enter a float in the parade at Oakland at the July 4 celebration and the organization will attend and march behind the entry.

## AN OPEN LETTER TO WOMEN

Tells of Mrs. Vogel's Terrible Suffering and How She Was Restored to Health by Lydia E. Finkham's Vegetable Compound

Detroit, Michigan.—"My troubles were severe pains in my back and terrible bearing-down pains in my right side, also headaches and sleepless nights. I first began having troubles when I was 15, and they have increased as I grew older. A little booklet was left at my door, and I read what Lydia E. Finkham's Vegetable Compound has done for women and decided to try it. After the first week I could go to sleep every night and I stopped having that nervous feeling and got a better appetite. The doctor had always said that an operation was the only thing that would help me, but I never had any faith in an operation. Since the Vegetable Compound has started helping me I do not suffer the severe pains, feel stronger, and am able to do my own work. I am more than glad to tell my friends that it helps where other medicines have failed."

Mrs. Gus Vogel, 608 Pelouze Street, Detroit, Michigan.  
A record of fifty years service must convince women of the merit of Lydia E. Finkham's Vegetable Compound.
