Old Ordinance Prohibiting Bathing Below Sewer Outlet Revived.

### STREAM IS POLLUTED

County Health Officer Advises Council South Umpqua Is Unfit for All Uses.

Bathing in the South Umpquariver inside the city limits will be prohibited by order of the city council, because of the contaminated condition of the stream. An old ordinance, prohibiting bathing below the south Roseburg sewerhas been resurrected by the council, and instructions given the city police to see that it is enforced. The ordinance has not been in operation for several years, and few councilmen knew that it existed, until their attention was called to it by City Attorney Wimcalled to it by City Attorney Wim-

berly. try.

This improvement would be reflected, in the opinion of the following letter to the council at president, in all business as well its meeting last night.

"Your attention is invited to the dangerous practice of bathing in the Umpqua river during the pres-ent low water and the condition of concentrated sewage in the

PARTNER OF WHEELER
APPOINTED MANAGER

(Associated Press Leased Wire.)
CHICAGO, Aug. 5.—Simultansonsity with the approximately ap river.

CHICAGO. Aug. 5.—Simultaneously with the announcement of the appointment of James H. Baldwin, a law partner of Senator Wheeler, as manager of the Lafollette-Wheeler campaign in Montana, Representative John M. Nelson, national director of the Lafollette forces, emphasizes that the effort to elect the presidential electors would in no way be consolidated with any campaign for state offices.

No one in Montana, Mr. Nelson added, would be authorized to speak for the La Follette-Wheeler campaign except Mr. Baldwin and his lieutenants.

during the present extreme dry weather. "Immediate attention should also be given to the present outlet of the sewers in the city, they should be cleaned out and allowed to flow into the river. The sewage could be treated with chemicals which would mould; the nuisance and render the condition more sanitary. Chloride of lime could be used, but it would, probably require the permission of the fish commission. Unslacked lime in liberal quantities scattered about the outlets would do much to remove the present menace to the public health.

The council, after a little discussion decided to act upon the adday to have considered circulating periting petitions to have the name of Governor Charles W. Bryan of Nebraska placed on the ballot under that of Senator La Foliette. ney Wimberly.
