THEATRES

Antlers Theatre Patrons of the Antlers theatre will have the opportunity of learning all about the love affairs of a man in his senior youth when "Second Youth" is played Thursday and Friday. The management announces that this is the date for the showing of this new distinctive feature, in which a cast of celebrated screen and stage comedians poke fun at a very serious question: "Small Women Progress."

That question has long agitated the feminine breast, but in this photodrama it is presented in such a variety of forms that every woman or girl in any audience will see herself in one of the characters. And as for the poor man in his second youth, who didn't know what love was until six women tried to show him all at the same time, well—he's one of the screams of recent productions.

Liberty Theatre The many admirers of Cosmo Hamilton's latest and greatest novel, "Another Woman," who have been anxious to see a film version of it, will be glad to know that it is coming to the Liberty theatre today and tomorrow.

Lois Wilson has the starring role of Beatrice Franklin, and her supporting cast includes Holmes Herbert as the husband, Ralph Hunter as Malcolm Prosser, "Papa" DeWitt as "our best friend May," Ralph W. Hughes as "Valentine Benjamin," Hilda Hopper as "Elizabeth Macdonald," Zetta Tibbitts as "Irene," Blanche Cooper as the old nurse, and Harry Grippe as "Harry Arris."

Love, romance and a battle of wits between two women of different types, a devoted husband injured to the core by his loving wife, scenes of wonderful beauty, action from the first to the last picture one of the hits of the year in the west, and in turn on the screen, one of the biggest themes ever conceived has been caught and portrayed.

If you want to put your own on the map help your hand by attending its concert, Thursday evening.

WOMAN IN CHARGE LA FOLLETTE WORK

(Associated Press Leased Wire.) WASHINGTON, Aug. 12.—With Senator La Follette's approval, the task of organizing women voters in behalf of his candidacy for the presidency has been placed in the hands of woman.

Mrs. Mabel C. Costigan of Colorado, wife of Commissioner Costigan, of the tariff commission, has been made chairman of a committee of women who will have charge of the work. It is planned to have a membership of at least one hundred and to give representation to every state.

The committee will maintain headquarters here and Chicago. Regional offices may also be established at other points. The first move Mrs. Costigan said today, will be to organize women known to be in sympathy with the La Follette for president movement.

Then other recruits will be sought.

SEVEN BIG BOAS KEEP CREW AWAKE

(Associated Press Leased Wire.) NEW YORK, Aug. 12.—Seven 10-foot boa constrictors, which escaped from their cages, kept 32 members of the crew, eight passengers, and monkeys, Macaws on "seamsters" on the Steamship Bolivar awake for four days, during the voyage from Columbia, Captain L. L. Lutz said today. The escape of the snakes became known when the engine "seamsters," tropical birds, objected to the reptiles efforts to devour them. Their shrill warnings brought quick assistance.

Five of the snakes were captured easily, but two rolled themselves up in an awning. A sailor discovered their hiding place when one fell at his feet.

TWO KILLED WHEN CAR TAKES PLUNGE

(Associated Press Leased Wire.) ASTORIA, Aug. 12.—Mrs. Stella Smythe and Mrs. F. E. Mergel both of Tacoma, Wash., were killed late yesterday when the automobile in which they were riding on the lower Columbia river highway left the highway and rolled down a 200-foot embankment about 32 miles east of Astoria.

Marjorie Smythe, 12, and Donald Mergel, 14, were also in the car, but they escaped with minor injuries. It is presumed that Mrs. Smythe, who was driver, lost control of the car when she turned toward the rear seat to help search for a knife to use in peeling an orange, according to the account of the accident told by Donald Mergel.
