McCoy's Sanity IS NOT DECIDED

(Continued from page 1)

attempt to escape from the Mora antique shop after "Kid" McCoy entered it Wednesday morning and Mr. and Mrs. Sam Schupp the other two victims of the shopping district shooting affair, who say McCoy sought them out and shot them because they encouraged a reconciliation between Mr. and Mrs. Mora.

Out of the testimony of these and other witnesses, District Attorney Ann Keyes confidently predicts will develop an indictment charging McCoy with the murder of Mrs. Mora, McCoy's sister, Mrs. Maud Thomas, has already told the grand jury of an alleged confession made by her brother while the body of Mrs. Mora was yet warm.

McCoy says that Mrs. Mora killed herself in his presence in

the apartment they had been occupying as "Mr. and Mrs. N Shields" for about a month.

The testimony of Mrs. Martin is expected to prove important despite the fact that she does not agree with her identification of Mr. Mora as the man who saw leaving the apartment. Detectives point out that her story of a woman's screams issuing from the death room about midnight, closely followed by a pistol shot and the noise of one or two men leaving the place helps to fix the time of the shooting and to establish it as a case of homicide, not suicide.

Allonists yesterday put a serious obstacle in the way of any attempt to free McCoy on an insanity plea, when two of three specialists sent into the suspect's cell by the district attorney reported him entirely sane.

The detailed written reports of the three allonists were to be submitted today.

COUNCIL WANTS TO KNOW POWER

Asks City Attorney for Opinion Regarding Restriction of Building.

PETITION IS FILED

City Beautiful Commission Wants Council to Stop Building Garages on Sidewalk Line.

Whether or not the city council has authority to prevent the construction of garages or buildings other than residence or store buildings on the front edge of residence property, is a question which has been referred to the city attorney for an opinion. There has been a great deal of complaint about people constructing garages next to the sidewalk line, shutting off the view of their neighbors, and often greatly injuring the appearance of the street. The City Beautiful commission has been approached with this complaint on numerous occasions, and the same condition has been brought to the attention of the city council. The council seems to feel, however, that it has no right to dictate to a property owner where he shall construct buildings on his own land, as long as the buildings are not a menace or a nuisance.

At last night's council meeting the City Beautiful commission presented a lengthy petition asking that a building ordinance amendment be adopted prohibiting the garages from being built next to the sidewalk. The council did not feel like taking action on the petition until legal advice could be secured, and the city attorney was instructed to make an investigation and give the council a legal opinion on the matter.

Mayor Rice reported to the council that he had taken up the matter of traffic signs through the city with the state traffic department, and that a representative of the state would be here soon to give the city advice in this regard. The mayor was authorized by the city council to employ a workman to make needed repairs to the roof of the city hall.

A complaint was made about the use of the streets for storage purposes, the practice of L. W. Metzger of allowing lumber to accumulate on North Pine street, and the Douglas County Creamery allowing cans to be piled on the Douglas street sidewalk, were particularly mentioned. The marshal was instructed to notify the offenders to discontinue this practice, and if they did not obey instructions to arrest them.

The final estimate on the Laurelwood sewer was allowed in the sum of \$88.92.

The bid for the paving of East Fourth street in the sum of \$7,898.04, was accepted, the only bid being submitted by L. W. Metzger.

The bid of Rice and Rice for \$550.55 worth of improvement bonds was the only one submitted and was accepted. A premium of \$5.02 was given.

It was reported that some posts were obstructing the sidewalk on Glenn street, and they were ordered moved.

LA FOLLETTE WORK SHOWS PROGRESS

(Associated Press Lensed Wire.) GRAND ISLAND, Aug. 19.—Formation of a new political organization in Nebraska to nominate Senator Robert M. La Follette of Wisconsin and Senator Burton K. Wheeler of Montana as independent candidates for president and vice-president in this state, was in prospect as La Follette supporters gathered today for a mass convention according to A. H. Hicelov, Omaha attorney and a member of the meeting's arrangement committee.

Production of a new political party was believed the easier way to insure the naming of presidential electors to serve Senator La Follette in case he carried the state in the November election.

NEW YORK, Aug. 19.—Senators La Follette and Wheeler will give battle to the democratic national ticket in John W. Davis' home state, West Virginia and in the south, according to Robert M. La Follette, Jr., who arrived here today to confer with Gilbert S. Roe, regional campaign director, Arthur Garfield Hayes, state chairman and Herman L. Ekern, in charge of the campaign fund to be solicited from the general public.

The senator's son leaves tonight for Washington where the progressive nominees will confer Thursday as to speaking tours. Mr. La Follette's attention was called to the report that Warren S. Stone, president of the Brotherhood of Locomotive Engineers, was to resign as treasurer of the conference for progressive political action.

"My understanding of the matter is that Mr. Stone's resignation has no significance," he said. "It is largely a technical proposition, as he felt that the treasurer should also be located in Washington along with the offices of Mr. Bronson who has direct charge of arrangements being made among the labor organizations."

Six weeks ago I would have said there was not any possibility of carrying any of the southern states," Mr. La Follette continued, "but we have received such encouraging reports that we have decided it is worth while to make a strenuous campaign there."

The situation in the far west, Mr. La Follette described as bright, and he said a vigorous fight would be made for Nebraska the home state of Governor Bryan.

YOUNG MELROSE GIRL IS MISSING

Dorothy Anderson, 14 year old daughter of Mr. and Mrs. C. J. Anderson of Melrose, is being sought by officers. The young lady disappeared yesterday in company with another girl, and possibly a male companion.

Miss Anderson has been employed in Fred Hamilton's apple orchards at Garden Valley, and received a check for \$47 in payment for her work. She is also believed to have stolen a \$40 check from her father, and to have forged the endorsement of a married sister, who resides in Washington. She went to the Ladies Shoppe on Monday morning, and purchased a white and rose colored dress, and a tan hat, and changed her clothing in the dressing room. Another girl, taller and light complexioned, and wearing a red sweater with a white border waited for her. When the Anderson girl came out she told her friend, "I am ready to go." She had previously told the clerk that she was getting ready to leave for San Francisco. The two girls went outside and were seen talking to a young man, but whether he went with them or not the officers have not determined.

The description of the girl has been wired to officers in Oregon and California and it is expected that she will be located and returned to her home. In the event the young man is with her instructions have been given that he also be held. Officers have not yet determined who the girl friend was.

DAWES AWAITS ANOTHER TITLE

Formal Notification to Take Place in Evanston, Ill., This Evening.

THOUSANDS ATTEND

Big Demonstration Anticipated During Ceremonies—Dawes Prominent in Political Life.

(Associated Press Lensed Wire.)

EVANSTON, Aug. 19.—Chas. G. Dawes, once currency controller, once the A. E. F.'s chief budget director and head of the reparation commission's experts committee waited at his home here today for the coming of the republican leaders to add formally another title to his name—that of republican vice-presidential nominee.

The party convenants gathered by the hundreds, and even by the thousands in Chicago and tonight they will march on this quiet little city on the shore of Lake Michigan to notify Mr. Dawes in a formal manner of his selection.

The notification will take place on the lawn of the Dawes home, starting at 8 o'clock (central daylight savings time).

The exercises are to be preceded by a parade of the old fashioned type, designed to give the whole affair something of the flavor of a big political rally.

Everything was in readiness here for the notification. Evanston was dressed in her best with flags and banners flying and her citizens had decorated all the streets about the Dawes home. The wide lawn looking out toward the lake, scarcely more than 300 yards distant, had been covered with a speaker's platform and with seats for the members of the official notification committee and the hundreds of notables who had sent word that they would be present.

Officials of the republican national committee working with Evanston citizens in arranging for the ceremonies expect upwards of a hundred thousand people to gather about the Dawes home and along the nearby lake front should the weather be favorable. Voice amplifying apparatus had been installed to insure that all may hear.

dred Chicago organizations, some political, some civic, some labor, some business and some representative of the nominee's native state of Ohio, have reserved space near the speaker's stand. Many of the delegations plan to bring banners, torches and flags. The group has received permission to anchor a callope of the circus type opposite the Dawes home. Early indications showed that neither music nor noise would be lacking.

Thousands upon thousands will bear the proceedings by radio as engineers have installed apparatus connecting up 16 major radio-casting stations of the country, extending from New England far into the west. The broadcasting will start at 6:45 p. m. (central standard time.)

William M. Butler, chairman of the republican national committee will preside at the ceremonies. An invocation will be offered by one of Mr. Dawes' neighbors, the Rev. John Thompson, pastor of the First Methodist Church of Chicago and the benediction will be pronounced by the Rev. Hugh Patrick Smyth, pastor of St. Mary's Catholic Church of Evanston.

The notification address will be made by former representative A. W. Jeffries of Nebraska, who placed Mr. Dawes' name before the Cleveland convention. He was selected to take the place of Theodore M. Burton, temporary chairman of the Cleveland convention, who is now abroad. Mr. Dawes' address will follow that made by Mr. Jeffries and after the benediction the ceremonies will end.

Several functions incidental to the main proceedings were arranged for today. The Hamilton Club of Chicago will entertain many of the visitors at a luncheon with Senator Watson of Indiana and Chairman Butler as speakers, and the republican editors of Illinois will have a dinner just before the notification ceremonies. Mr. Dawes will entertain the national committee and the notification committee at dinner.
