Boys' Fate to Be Fixed Tomorrow

(Associated Press Leased Wire.)
CHICAGO, Sept. 9.—Last
minute preparations for the
final scene in the legal drama,
incident upon the sentencing to
life imprisonment or to death
of Richard Loeb and Nathan F.
Leopold, Jr., for the kidnaping
and murder of Robert Franks,
were under way today.
When court convenes tomor-
row morning, Judge John R.
Caverly will announce the ver-
dict he reached after ten days
of pondering over the evidence
brought out in the trial of the
youthful "supermen," and col-
lege youths, who confessed the
crime.

ENGINEERS APPOINT LA FOLLETTE GROUP

(Associated Press Leased Wire.)
WASHINGTON, Sept. 9.—Co-
ordination of organized labor's
campaign activities in behalf of
the La Follette-Wheeler ticket
will be in hands of a committee
to be appointed by Warren S.
Stone, head of the Brotherhood
of Locomotive Engineers. The
committee also will endeavor to
conduct the systematic financial
campaign and to turn over to the
La Follette organization the re-
sources of trade unions in the way
of organizers and speakers.
Plans for systematizing union
labor's efforts in the campaign
were made at a conference attend-
ed by 22 labor leaders
which came to a close here late
yesterday. Senator La Follette,
addressing the group, declared he
believed he and his running mate,
Senator Wheeler, of Montana, as
the situation now shapes up, have
an even chance to win in the
coming election.

MILLION GALLONS OF KEROSENE DESTROYED

(Associated Press Leased Wire.)
WILMINGTON, N. C., Sept. 9.—
More than a million gallons of
kerosene oil was destroyed here
today when lightning struck a
storage tank of the Standard
Oil company.
Spreading flames quickly trans-
formed the 70-foot-high tank into
a gigantic fire which burned
for a hole through the dark-
ness and shot a wall of flame up-
ward fully 200 feet above the top
rim of the tank.
The plant was a total loss.

DAVIS IS SECLUDED AT PEAK OF MOUNT

(Associated Press Leased Wire.)
ESTES PARK, Colo., Sept. 9.—
At a retreat in a little valley,
nestled here at almost the very
summit of the Rocky Mountains,
John W. Davis, democratic presi-
dential candidate, rested today
after his strenuous campaigning
in the west.
Before returning to Denver
Thursday, he will complete the
mapping out of the address he
intends to deliver. In it he will
touch upon the subjects of con-
servation, reclamation and
irrigation.

RACE FOR GOVERNOR FEATURES PRIMARY

(Associated Press Leased Wire.)
PHOENIX, Ariz., Sept. 9.—Ariz-
ona voters today will select two
gubernatorial candidates from a
field of five, two republicans and
three democrats.
The Colorado river compact
issue has been sharply defined in
the campaign, with Dwight B.
Heard, publisher of The Arizona
Republican, and Thomas Mad-
dock, former state highway en-
gineer, republican state party
candidate, vying for the govern-
orship. W. P. Hunt, democrat,
seeking renomination for his fifth
term as state executive, is an an-
ti-compact candidate.
Governor William E. Sweet has
no primary opposition to succeed
himself in office.
A heavy influx of democrats in-
to the republican primary elec-
tion over the compact was ex-
pected by both democratic and re-
publican party leaders.

Former Resident Visits— Mrs. E. C. Herrick, of Ogden, Utah, a former resident of this city for many years, will arrive here tomorrow for a two months' visit with her daughter, Mrs. Earl Rhodes.

MICHIGAN PRIMARY CONTAINS CONTESTS

(Associated Press Leased Wire.)
DETROIT, Mich., Sept. 9.—
With a record vote for a primary
election forecast by political ob-
servers, voters of Michigan are to-
day choosing candidates for the
republican nomination for United
States senator and seven aspirant
candidates for the republican nomi-
nation for governor. On the demo-
cratic ballot there are no contests
except a last minute opposition in
the gubernatorial race, where it
has been announced a "sticker"
vote will be sought.
State Senator James Couzens,
incumbent, is opposed by Judge
Arthur J. Tuttle, of the United
States District Court, for the re-
publican nomination for the
short term made vacant by ap-
pointment of Couzens to fill a va-
cancy, while Judge Tuttle an-
dances for the nomination for the
full term. Hal Smith, Detroit
attorney, another republican,
withdrew from the race after the
ballots were printed.

United States Senators Law-
rence C. Phipps, republican, and
Alva B. Adams, democrat, are un-

six-year senate term. In the race
for the unexpired term, caused
by the death of the late Samuel
D. Nicholson, and now filled by
Senator Adams, there are two
democrat and three republican
candidates.

SPANISH FORCES ARE BEATEN AT GARRISON

(Associated Press Leased Wire.)
MADRID, Sept. 9.—The Span-
ish forces in Morocco have
suffered another reverse, the gar-
rison at Zinat having withdrawn
in the face of rebel tribesmen,
according to an official announce-
ment made today.
Seventy Spanish regular troops
were killed or wounded in a
violent fight when the left flank of
a convoy, on its way to provision
the troops at Benisalah, was at-
tacked by rebels.
The communication says the
rebel casualties in recent fight-
ing were about 200 men killed
and 500 wounded. The estimate
is based on information obtained
from prisoners taken by the Span-
iards and spies.

Two Major Battles Cease as

Nearly Reached.

(Associated Press Leased Wire.)
SHANGHAI, Sept. 9.—A ter-
rific rainstorm which continued
several hours and flooded Shang-
hai streets to a depth of two feet,
late this afternoon, halted fight-
ing between the Chekiang and
Kiangsu armies west and north-
west of the city.
Chinese military custom de-
creases suspension of hostilities
when the weather becomes bad.
Reports received after the rain
interrupted the war, showed that
the Chekiang forces defending
Shanghai, who started an active
offensive against the Kiangsu
troops today, had made slight
gains at some points, merely hold-
ing their own at others.
In addition, meagre reports re-
ceived from the western front
where Chekiang troops, assisted
by some from the province of
Kukien, are fighting northward
along the western shore of Tai-
wan (Lake) indicated that they
were nearing Hing, which was
defended by two brigades of
Kiangsu soldiers.

SANTIAGO, Chile, Sept. 9.—
President Arturo Alessandri, of
Chile, has resigned and has been
succeeded as president by General
Luis Altamirano, head of the

by the cabinet and the leaders of
the military group who asked him
to absent himself from the coun-
try and asserted they would guar-
antee his own personal safety and
that of his family.

(Associated Press Leased Wire.)
MONTPELIER, Vt., Sept. 9.—
Vermont voters were expected to
attend in unusually large num-
bers the opening of the polls this
morning for the biennial primary
election. The candidacy of a na-
tive son, Calvin Coolidge, for the
presidency, has aroused citizens
throughout the state to a high
pitch of interest in politics.
There are no democratic con-
testants. The republicans are
called upon to choose between
candidates for governor, lieuten-
ant governor and congressman
from one of the two districts.

(Associated Press Leased Wire.)
SALEM, Or., Sept. 9.—A letter
from "Oregon" Jones, who
escaped from the Oregon prison
March 28, believed by Warden
Dunsmuir to be unquestionably
his handwriting, received here
this morning, declares that he is
married, and will return volun-

which follows:
"Dear Sir: I guess this will
be a kind of a knockout to you,
but nevertheless it is true, I am
coming back here within the next
few weeks. I would come now,
but I am married and don't want
to leave my wife broke. I was in
Niagara Falls yesterday and Tor-
onto, Canada the day before,
and I am leaving here tonight for
Chicago. My wife is here with
me, but is going to stay here with
her folks. And when I make a
few dollars I am coming to Salem.
Give Dewey and my gang my best
regards.
"Oregon Jones."
Dewey is his brother. The con-
victs referred to as his gang are
Murray, Jackson and Kelly.
Jones was received on January
20, 1923, from Josephine county
to serve 20 years for assault and
robbery.

Late Wire News

(Associated Press Leased Wire.)
LA GRANDE, Or., Sept. 9.—
Flames destroyed the main saw-
mill of the Grande Ronde Lum-
ber company at Perry, four miles
west of La Grande, last night,
causing a loss estimated at ap-
proximately \$150,000 to \$200,-
000. The loss was covered by
\$70,000 insurance. The cause of
the fire was undetermined. The
blaze, which started about five
o'clock had gained such headway
that it was impossible for fire-
men to save the main building.

RAILWAY LINE FROM BEND IN PROSPECT

(Associated Press Leased Wire.)
PORTLAND, Ore., Sept. 9.—
Ralph Budd, president of the
Great Northern Railway company,
who was here today, confirmed in
part the reported preparations of
his company and the Northern
Pacific to extend the central Ore-
gon rail line from Bend through
Klamath Falls to Marysville, Cal-
ifornia, connecting with the West-
ern Pacific.
This would provide entrance to
San Francisco and an outlet to
the east via Salt Lake City over
the Denver and Rio Grande route.
President Budd would not sug-
gest when this contemplated con-
struction will be started or to
what extent the Union Pacific
and the Northern lines will co-
operate in carrying through a
program of railroad construction
which will provide central Oregon
with railway facilities contem-
plated long ago.
The decision rests with the di-
rectors of the companies concern-
ed, he said, and they have the mat-
ter under advisement.

Albert B. Fall's objection to
the presence of a sena-
torial grapher in the room of the
grand jury investigating

ed today by Justice Sutherland
of the District of Columbia
Supreme Court, but his ar-
gument to stop the pro-
ceedings were denied.

FLIGHT MADE TO WASHINGTON

(Associated Press Leased Wire.)
WASHINGTON, Sept. 9.—The
army world flight air squadron,
arrived over Washington from
New York at 2:54 p. m. today.
They circled over the city with
field guns below booming in na-
tional salute, then headed for
Arlington cemetery to drop flow-
ers on the tomb of America's un-
known hero of the world war.

present in person to pay honor
to Lieutenant Lowell H. Smith,
flight commander, and his daring
comrades, Lieutenant Nelson,

Lieutenant Nelson later joined
his comrades at Bolling Field,
coming in an escort plane. Lieuten-
ant Harding, Lieutenant Nelson's

disabled plane.
President Coolidge received the
fliers as they alighted from their
machines and came up to the re-
viewing stand. He smiled as he
shook hands with each man. His
made no address to them al-
though he asked a question or
two as to the other machines and
was assured by Lieutenant Smith
for himself and his comrades
that they were "glad to be here."
There were ten planes in the
squadron as it reached Washing-
ton just as a thunderstorm
broke. The world cruisers, flying
abreast, were in the center of the
group with the smaller escorting
planes flanking them on each
side. As they appeared the chimes
at Epiphany church in the city
below rang out first in "My God,
try 'tis of Thee," and then "It's

Field the escort planes dropped
from the formation to a land-
ing, while the world cruisers pro-
ceeded on up the Potomac river
toward Arlington to drop their
floral offerings on the Unknown
