DOG RACES START
IN EUGENE TODAY

(Associated Press Leased Wire.)
EUGENE, Or., Sept. 24.—With skies overcast and an occasional shower beating down, the Western international field trials opened in the Bailey Hill district southwest of Eugene this morning. Through the rain proved inconvenient to the spectators, it was declared to be an advantage for the dogs entered in the trials.

Twenty-five of the best dogs in the United States and Canada entered the all-age stakes this morning. Most of them have been training here for more than a week.

Approximately 150 dogs are here for all events. Tomorrow the derby will be the feature, and Friday will determine the Pacific Coast championship.

Six good ranges are available on the course, and it is expected that all of them will be run during the events of the three days.

Judges for the trials are M. J. Beall and A. O. Updike of Seattle and H. Kirkpatrick of Lebanon.

Of the favorites last night, two of the favorites were pitted against each other. They were "Dinty Moore," setter, owned by Phil H. Fredson, and "Jack Chaney," pointer, owned by L. C. Hammond of Samoa, Calif. They started second, at 7:30 o'clock. "Williamette Valley Duke," of the Williamette Valley kennels and "Lixie Hopewell," owned by Mat Daley, started the all-age stakes this morning.

Chamber of Commerce Adopts Resolution Favoring Completion.

COMMITTEE IS NAMED

Men Selected to Aid Delegation From Southern Part of County—Plan for Caravan.

The board of directors of the Chamber of Commerce met in regular session yesterday afternoon, a quorum being present, although several members were unavoidably absent.

The secretary announced that on Tuesday, October 14th, 1924 to 119 business men of Portland would visit the city under the auspices of the Portland Chamber of Commerce, arriving in the city at 7 in the afternoon and remaining until 11 o'clock that evening. It has been suggested that an auto tour of the valley take place at 4 in the afternoon, that at 6:30 in the evening a dinner be given to the visitors to which all members of the local Chamber of Commerce would be invited and act as hosts.

After dinner the evening would be spent in any way that the visitors wished. The secretary was instructed to keep the matter in mind and start making the proper arrangements for the reception of the guests.

The secretary read a communication for a committee of prominent citizens of the southern part of Douglas county asking the Chamber of Commerce for an indorsement of the plan to complete the Canyonville-Crater Lake cut-off highway as soon as possible. The following resolution was introduced and unanimously adopted:

Whereas, There seems to be a great deal of sentiment in favor of completing the highway between Canyonville and Crater Lake, and

Whereas, at a meeting of representative citizens held in the southern part of Douglas county recently, resolutions were passed asking this Chamber of Commerce to endorse such a project, and

Whereas, the county engineer has made an investigation of the project and states that the remaining work to be done on the highway will not cost a great deal of money, and that the project is feasible, therefore, be it

Resolved, by the board of directors of the Roseburg Chamber of Commerce that we endorse the project and request the county court of Douglas county to make a complete survey of the proposed work to be done on the highway, and that said county court make every effort to complete the highway as soon as possible, thereby opening up a short cut from the Pacific highway in this county to Crater and Diamond Lakes.

Upon motion the president was requested to appoint a committee from the Roseburg Chamber of Commerce to act with the committee from the southern part of the county in this important matter. The president appointed the following as such committee: Dean Huber, chairman; J. M. Throne, Fred Schwartz.

The secretary read a communication from the McMinnville Commercial Club asking that this chamber act in the affirmative in the matter of asking legislation looking towards the establishment of a state park board to establish and maintain scenic parks throughout Oregon. Upon motion, duly seconded the McMinnville proposition was endorsed.

The matter of increased membership for the Chamber of Commerce to take care of the growing needs of the organization was taken up and discussed. The whole matter was referred to the finance committee, composed of Messrs. W. J. Weaver, T. H. Ness, and Lloyd Crocker.

Mr. F. B. Barnes, western district manager for The Nation's Business, published at Washington, D. C., being present, was asked to address the board. He outlined a plan for the next year's work of the local chamber, which if carried out, would mean a year of exceptional progress not only for the local chamber but also for the Douglas county Chamber of Commerce. It is expected that in the very near future the board will outline the program of work and Mr. Barnes' suggestions will be embodied in such a program to a very large extent.

The secretary made a report of the Home Products Show, which was held in this city Sept. 16, 11, and 12, and was instructed to complete the settlement of all outstanding obligations and hand in completed report at the next meeting.

NEW TODAY

SELECTING A JURY
(Associated Press Leased Wire.)

PORTLAND, Sept. 24.—The selection of a jury to try Charles S. Hudson, recalled county commissioner, on bribery charges still occupied the time of the court today.

The defense exercised two of its peremptory challenges today and the state exercised one, leaving each side with one more challenge in reserve.

FOLO GROUNDS, New York, Sept. 24.—The New York Giants defeated Pittsburgh today for the second straight time 4 to 2, and practically eliminated the Pirates from the national league race.

The Giants won by a gain taking advantage of their opportunity behind the fine twirling out Virgil Barnes, who held the Pirates at bay with the exception of Earl Smith, who scored the visitors' only runs with successive homers in the seventh and ninth innings.

CLEVELAND, Sept. 24.—In an effort to take the final game of the series Manager Higgins of the New York Americans selected James to pitch with Bengough behind the bat. Manager Spooner's battery selection was White and L. Sewell.

Ruth hit the first ball pitched to him over the right field fence. It was foul by a foot. Ruth then singled to right but was left at first.

CHICAGO, Sept. 24.—Manager Evers of the White Sox was determined to stop the Senators today and sent his pitching ace, Hollis Thurston, to the hill.

The Senators, building with confidence, sent Orden to the mound. Ruel and Crouse did the catching.

Washington lost no time getting after Thurston in the first inning and scored two runs.

NEW YORK, Sept. 24.—Having drawn first blood in the crucial series with Pittsburgh, the New York Giants with their fourth straight ponant in sight, battled to make it two straight today.

McGraw sent Virgil Barnes to the mound and the Pirates relied on their southpaw star, Emil Yde.

Both teams switched their line-ups, Irish Meador going back to left field, replacing Wilson, who went to center in place of O'Connell for the Giants, while Oyster, Pirate left fielder, was benched in place of Higbee.

Jack Wilson put the Giants in to the lead in their half of the fifth with a home run into the upper tier of the first field stands. The Giants scored three runs in their half of the sixth inning, partly on hitting and partly on poor Pirate strategy.

Earl Smith scored the Pirates' first run with a home run into

the right field stands in the seventh. Smith hit his second home run for the Pirates in the ninth. No one was on base.

LOCAL RETAILERS
OFFER LOW PRICE
ON LUCKY STRIKES

Having been especially stocked with Lucky Strike cigarettes in this one hundred local tobacco merchants are conducting special sales of this package in cooperation with the American Tobacco Company, manufacturers of this brand.

The manufacturer offers Lucky Strikes in this of one hundred for the actual price of the cigarettes themselves, the company paying the United States tax. Thus the package costs but forty-five cents instead of the normal price of seventy-five cents.

The special sale price is limited, however, to the present stocks of this package. As soon as retailers sell their present supplies of Lucky Strike 100s the regular price will automatically become effective.

A helper for every room at Hudson's Electric Stove. We deliver. Phone 123.

WANTS WOMAN DISQUALIFIED
(Associated Press Leased Wire.)

AUSTIN, Tex., Sept. 24.—Charles M. Dickson who brought the suit to have Mrs. Miriam A. Ferguson disqualified to hold the office of governor, argued against her in his own behalf in court today.

Mr. Dickson, a San Antonio attorney, read from decisions of the United States supreme court in support of his contention that women cannot legally hold public executive offices, though they have been given the right to vote.

The dispute of women to hold office was characterized by the lawyer as "a laudable ambition, but contrary to the present law."

BOOTLEGGER IS SHOT
(Associated Press Leased Wire.)

LOS ANGELES, Sept. 24.—An alleged bootlegger who last night was killed by Patrolman Ben Panzarsky in a pistol battle between Panzarsky and an alleged gang of bootleggers was early this morning identified as Luigi Quatroma, a safe owner. A second member of the gang struck by the officer's bullets and who had followed in the shooting, was later located in a rooming house near the scene of the shooting. He was identified as Tommy Rugero and was removed to the general hospital where it was reported his wounds would probably prove fatal. Police are still seeking a third member of the gang.

The officer was severely wounded by one of the three men whom he battled.

GENARO IS WINNER
(Associated Press Leased Wire.)

NEW YORK, Sept. 24.—Frank Genaro, American lightweight champion, increased his chances as a winner over World's Champion Pancho Villa, when they met after the regular month's suspension of the latter expires, by winning easily last night in a 12 round bout with Bushy Graham, promising Ulicka bantam.

TEARING DOWN OLD
CITY LANDMARK

H. W. Shaw and Joseph Shockley, of the Highway Service company, are starting the destruction of the old brick building just south of the highway service station on Jackson street. This old building is a city landmark and has a long history. The brick from which it was built, were said to have been manufactured by heat around the horn. The Highway Service station is planning on erecting a large brick and stucco building for garage and accessory purposes.

GRIFFIN'S MINSTRELS
ANTLERS WEDNESDAY

San Griffin's Original Premier Minstrels, coming to the Antlers theatre on Wednesday, October 1, are now making their third tour of the Pacific coast. The company is composed, this year, of some of the most notable minstrel singers and comedians in the country today, and will be the best aggregation that has visited the Pacific coast since Billy West's minstrels made their last tour some fifteen years ago. Nearly all members of this company are from the big minstrel shows of the east and have spent their entire career in minstrelsy. Happy Benway, principal comedian of this company, is one of America's foremost blackface comedians and occupies a place in this profession almost exclusively his own. Mr. Benway was formerly one of the principal comedians with the Original Honey Boy Evans Minstrels, said to be one of the greatest minstrel shows ever produced in this country up to the time he later made a tour of the Orpheum Circuit with seven of the Original Honey Boys.

Special prices on imported linens. The Art and Baby Shop.

DENBY WILL TESTIFY
(Associated Press Leased Wire.)

CHEYENNE, Wyo., Sept. 24.—The Mammoth Oil company and Harry F. Sinclair will use the testimony of Edwin Denby, former secretary of the navy, in their fight in United States District Court here next month against annulment of the lease of Teapot Dome naval oil reserve to the Mammoth company, as sought by the government, according to information made public today.

Denby is the only witness to be subpoenaed was increased to 25 today when summonses were issued for the first National bank of El Paso, Tex., L. T. Hale, Pueblo, Colo.; Miss Grace M. Jones, Carrizozo, N. M., and K. E. Hoard of Yale University.

RAINING AT FAIR.

SALEM, Ore., Sept. 24.—With Princess Patricia, queen of the Multnomah county fair and her attendants as the honor guests of the occasion, Salesmen turned out today to celebrate their own day at the state fair.

Rain, which from low hanging dark clouds, all night and throughout the morning kept many away, and fair officials admitted at noon that the attendants for the day would probably not exceed 25,000 people, as against the 42,000 that passed through the gates on Salem day, 1923. Yesterday's attendance, also because of the rain, which assumed the proportions of a cloudburst in the afternoon, was only about half that of the Tuesday crowd of a year ago.

The downpour, however, failed to daunt the venture-some, and the crowd which packed the exhibit palaces today was in a merry mood, and the entire program, including the races on the slopppy track, was run off as scheduled.
