TOKIO, Oct. 2.- The Japanes TOKIO, Oct. 2.—The Japanese press generally welcomes the Geneva protocol agreement reached by the League of Nations upon insistence of Japanese delegates characterising the results as a diplomatic victory for Japan. Kokumin Shimbun, an independent daily, asserts the agreement of the contract of the co

ment marks progress toward realization of Japans stand for ra-cial equality, while the Juli Shimpo, another independent sheet, says that the objection of the Japanese delegates at Geneva to the original draft of the protocol was not intended to bring up the question of immigration as it relates to Australia or the United States.

The Nichi Nichi says the league has been saved for the service of the whole world by listening to the Japanese claims and thereby it has prevented its decline into a purely European organization dealing with local questions.
