CHILDREN ARE CONTESTING

FOR PRIZE ELECTRIC HOME
Intensive rivalry is being shown among the school boys and school girls in this city in their efforts to win one of the prizes in the Home Lighting Contest, but all are imbued with the desire to see one of the children of this city win the first international prize which is the \$15,000 Model Electric Home. Even if they fail to win in the contest themselves, the boys and girls will feel compensated if their prize is won by one of their number as a matter of local pride. The prizes offered here are sure to be won by local contestants and then the winners will have a chance to win one of the big prizes which will be decided by the international judges who meet in New York after the local contests are all over.

The children here are all busily engaged in complying with the rules of the contest which are in the Home Lighting Primer which each child receives as he enters the contest. One of the duties of the child is to visit two neighbors' homes and report in his primer the kind and amount of lighting equipment that he finds there. The friends of the contestants are eager to help the children and are giving them all of the cooperation possible.

The parents of the children are likewise interested in the contest as they see a means of bettering their living conditions and saving the sight of their children as well as offering an opportunity for their children to win a prize.

With a complete lighting wire service, reaching to all parts of Oregon, the News-Review furnishes its 4200 subscribers the latest news every day.

NEW GRAIN KING OF AMERICA.

ARTHUR W. CULLEN.

This is the first photograph of Arthur W. Cullen, of the Chamber of Trade, a Canadian by birth, who has been hailed as the new "Grain King of America," by virtue of his foresight in buying, months ago, huge quantities of corn and wheat. He has already profited nearly \$2,000,000 by the recent large advances in prices on these two commodities. He bought corn at less than 50 cents a bushel and began unloading around \$1.10. His profits on wheat were as great.

**Grant Never Said Much,
But Stuck to His Job
—So Does Coolidge**

**Performances Are Better Than Promises—
Don't Trade Realities for Uncertainty.**

Our country is in safe hands today—why change? Conditions are sound and wages higher than they have ever been. Why not let well enough alone?

Excessive tax burdens have been lifted by Coolidge and his party. More than 4,000,000 heads of families were helped by the 25 per cent cut in income taxes.

Nuisance taxes were removed. There is no longer a tax on automobiles costing less than \$1000, nor on theater tickets costing less than 50 cents.

"I WANT THE PEOPLE TO WORK LESS FOR THE GOVERNMENT AND MORE FOR THEM."
SELVES.—COOLIDGE.

The administration passed three revenue acts slashing taxes. The latest one alone saved the people more than \$400,000,000 a year, or almost \$4 for every man, woman and child in America.

The people are being saved \$6,000,000 daily in taxes as compared with 1921. The cost of government has been cut that much. The national debt has been reduced \$2,750,000,000.

These Are Honest, Sound, Sensible, Constructive Accomplishments

Don't be misled by wild promises or wilder charges by the opposition. Vote November 4 for the constitution and your own best interests. Vote for a government of common sense.

**Reinforce Glands
to Keep Young
Says Scientist**

DR. ARNOLD LORAND, of Austria, says in his book, "Old Age Deferred," on "Reinforcing of the glands," "We must insist upon the reinforcement of their functions if changed by age or disease by means of extracts obtained from the similar organs of healthy young animals."

Such a treatment is now offered in the new scientific discovery, Glandogen, which combines the important elements of the vital glands with other efficacious ingredients. Hundreds of men and women who are weak, worn-out and run-down, are taking Glandogen to awaken the dormant glands, so they may continue their normal function of supplying the vital glandular secretions so necessary to physical energy and perfect health. Glandogen is prepared in two different forms—one for men and one for women. Chapman Drug Co. will supply you. Mail orders accepted.
