HEAD COLDS ROUTED IN 5 HOURS

BY SPECIALIST'S PRESCRIPTION
New Treatment Guaranteed to Banish Every Symptom
In 5 Hours—Or No Cost

No matter how severe or how long standing, the average Head Cold can be banished in 5 hours through a remarkable new treatment perfected by a Cleveland specialist.

Nose and eyes clear up as though by magic. Headaches and that oppressive, useless feeling disappear. Within 5 hours—often in 25 minutes—you are free from all signs of head cold and full of pep as though you had never had the cold.

So successful has the new treatment proved in thousands of test cases that it is now positively guaranteed to banish the worst Head Cold in 5 hours—or it costs you nothing.

It is known as Dr. Platt's Head Cold Prescription, and was first discovered in the clinical study of Hay Fever, Asthma and other respiratory diseases at the Cleveland Laboratories, Cleveland, Ohio. This study confirmed the recent discovery that Head Colds are not simply a local surface disease, but are due to an actual poisoning of the entire system. This poisoning is caused by secretions of congested sinuses slowing up the normal body processes.

Ordinary cold remedies—more headache or fever medicines or simple surface treatments—never

reached this extreme poisoning. But Rines, taken in strict accordance with the directions, quickly cleared up the blood through the displacement of each sinus direct to these points and neutralized them. The result is a complete and heavenly relief in 5 hours or less.

Ridiculous, then, to submit to days and even weeks of misery, discomfort and actual danger of more serious trouble. Get a package of Rines today and simply follow the directions. You will be free of your cold in a few hours. No medicine, no surgery, no cost. It is a little more than ordinary remedies, but much more economical in the end because it is safe often over the week. And remember, your money back instantly if not relieved in 5 hours.

Free Trial Offer
Just now, through a special introductory arrangement, you can obtain a trial treatment entirely FREE. Simply go to any of the drug stores named below and ask for a trial package of Rines. No obligation at all on your part. But be sure to ask for your free treatment within the next three days—this offer is limited. It may be obtained in this city at
