CLAIM YOUNG MEN TRIED TO STEAL AUTOMOBILE
Arthur Horn of Canada, and Jack Wilson, of Robt. Mont, were arrested this morning at Oakland, charged with an attempt to steal an automobile. According to Deputy Sheriff Powell, who made the arrest, the two men found a car standing on a slight incline, and started the machine rolling, evidently with the intention of starting it after they had reached a place far enough away that the attention of the owner would not be attracted. The two young men will be held in jail until a formal complaint is made against them by the district attorney.
