

Bed Blankets You Will Be Proud to Own

From the banks of the Columbia River, in the heart of the great grazing lands of the Pacific Northwest, where wool of the softest texture is produced, come Pendleton Pure Virgin Wool Bed Blankets, famous for their unequalled warmth and wear.

The blanket pictured here is the Columbia Plaid, a beautiful, soft single blanket, satin bound, and, like all "Pendletons", comes to us, fresh and new, direct from the mills where woven.

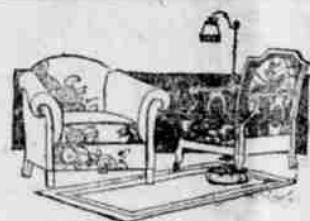

See our new Fall display of "Pendletons" before you even think of buying. We are sure you will agree that they are worthy of our select stock and of your discriminating choice.
