A Hint for Beginners

The cross-word puzzle dia-gram is merely a means of con-cealing words which are synony-meas to those listed and which mona to those listed and which will interlock perfectly and so read equality well crosswine or downwards. Always took for the number of the synonym on the diagram. If horizontal, you must find a word to fit between that number and the first shaded stop to the right; if vortical, you must fit your word between the number and the first shaded stop to the right; if vortical, stop below.
