Chamber of Commerce to Have Five Major Committees to Secure Data.

### RESULTSEXPECTED

Departments Are So Organ ized That All Phases of Activity Are Covered.

The building up of a modern Chamber of Commerce is a some-what slow process Conditions are changing so rapidly in this country that each year must be cumula tive in action and results. During 1924 the Roseburg Chamber of tommerce depended upon special commerces to look after carrying out the details of the organization, but during 1925 there will be a mature of standing committees that will spend the entire year in some distances in working out on or two problems. There are five major standing committees whose work will extend all over Douglas county, and before the end of the sear some definite results should be apparent, and a start made in collecting data that will assist in the years to come to develop the county as it should be. These ma-jor committees are as follows:

Raw products committee, manufacured products committee, transportation committee, commerce committee and civic com-Christmas vacation brought several of our number back home again, Amorg them are: Mr. and Mrs. L. F. Thomas of Portland; Messeys Lebter, twan and George Reed of Eugene; Miss Viola R. Thomas, who has been attending school at Monmouth, Farold R. Cooper from the Monmouth Normal School and Neille Thomas who has been tenching school nor Region.

announced these committees for the ensuing year, and they are as

Liberty Theatre

Piery Priscilla Dean comes to the
Liberty Theatre tomorrow and
Thursday in her second Hunt
Stromberg special production "A
Cafe in Cairo." Advance reperts
state that this new pleture is not
only one of the most havin productions in which Miss Dean has
ever appeared but that it even exceeds "The Siren of Seville," from
the point of action and dramatic
interest.

"A. Cafe in Cairo" is a picturiza

tion of the novel of the same name by Izola Forrester, author of "The White Moth." It is a colorful, exci-ic neitodrama receases of the land of Cleopatra, and it is said that the very atmosphere and mysticism

H. Ness.

BEND. Ore., Dec. 26.—Ice in
the Deschutes river has caused
some backing up of the water
around the lumber milis and to
a certain extent interfered with
the flow of the water under the
bridges within the city, but there
is no indications of an impende flow of the water under the ped last night below the frees-idges within the city, but there ing point for the first time in no indications of an impend-three days, the snow is pracing flood.

The laya formation of the country which provides sub-terannean drainage makes flood conditions here an almost unhounded occurrence, according to those who have lived near the Deschutes river for a long time. Ice blocks in the river threatened the Deschutes-Tumalo bridge at Tumalo resterday and

ened the Deschutes-Tumalo bridge at Tumalo yesterday and the county court ordered the bridge closed. A crew is work-ing on the bridge now, repairing the damage done by the ice. Studebaker costs less per pound the damage done by the ice.

# Tip For Beginners.

Solve this puzzle by comparing the synonyms listed in the "Horizontal" and "Vertical" columns with the number of spaces extending crosswise or downward on the diagram, as the case may be. If a word occurs to you meaning substantially the same as the synonym and the correct number of letters to fit in the spaces between its number and the first shaded stop following, write it in lightly. Work away the small works, the "casy" Solve this puzzle by compar write it in lightly. Work away the small words, the "casy" words, first, and they will give you plenty of class to the dif-ficult ones.
