## Come to This Store for Dependable Wrist Watches

In selecting an Elgin, you secure a watch which has been checked hour after hour, day after day, through all the critical process of adjusting and timing, against the star time observed by the astronomers in the Elgin Time Observatory.

With such care and thoroughness governing all steps in the production of Elgin Watches, it is no wonder that they are universally recognized as the standard timepiece. You will be assured responsible service from every watch selected at this store.
