Mrs. Audrey Savin

Portland, Ore.—"A few years ago I caught a bad cold which settled on my lungs and in the bronchial tubes. I had a severe cough, and became so bad that for six weeks I could not lie down, would have to sit up in a Morris chair. I despaired but did not get any better. I was all in physically, and began myself to think there was no help for me. When I was advised by one of my doctors to take Dr. Pierce's Golden Medical Discovery, this medicine so completely relieved me of my trouble that I have never had any return of it. My lungs and bronchials are strong and never give me any trouble."—Mrs. Audrey Savin, 693 Tenth Ave. Obtain this "Discovery" of Dr. Pierce's in tablets or liquid at your nearest drug store and you'll quickly find that it builds you up, besides correcting your distress. Write Dr. Pierce's Medical Hotel, Buffalo, N. Y., for free medical advice. Send 10c for trial pkg. tablets.
