Sustains Bad Fall—

Saturday evening Mr. E. C. Holm, an aged resident of Riverside, met with an accident that will cripple him for an indefinite period. In the dusk of the early evening he stepped off a 7-foot platform and sustained a broken bone in the left thigh. Medical aid was summoned, but it was not until an X-ray had been taken that the extent of the injury could be ascertained. The photograph revealed that the left thigh bone was broken about two inches below the hip-socket. The nature of the injury and the advanced age of the patient make the matter particularly serious. Mr. Holm is living at the home of his son, J. L. Holm, of Riverside, and is receiving the best of surgical care, and hopes are entertained that his recovery will be speedy.

A WORD FOR BEGINNERS. The best way to solve a cross-word puzzle is to run quickly over the list of horizontal and vertical synonyms and compare them to the spaces in the puzzle extending cross-wise or downward from the number of the synonym. Some word which will just fit in the number of space available will quickly occur to you in some instances, giving you a foundation from which to solve the more difficult words. The words must interlock perfectly.
