SPRING FOOTBALL PRACTICE STARTS

(Associated Press Local Wire) EUGENE, Ore., Jan. 27.—The football candidates for the 1925 team of the University of Oregon will meet Richard Shore Smith, newly elected coach of football at the University on Thursday afternoon to outline a campaign for a strenuous spring training.

It is expected that about 15 lettermen will be out for the first spring practice, which will start next week, all of last year's lettermen except Captain Dick Reed are back in school and are eligible for the fall season.

In the backfield Smith will have Anderson, quarter; Terjesen, Vitus and Minnugh, halves and Jones, full, from the regulars of the 1924 squad. In addition there will be Hodgen, Longworthy and Morton of last season's freshman team and Ed Grant, with Gonzaga two years ago, out for halves and Wetzel, hard hitting freshman fullback, who will bid for a place on the varsity.

Edwards, Harrison and Turner, last year's frosh will be out for the position of quarterback. There is a plentiful number of candidates for end, Mauts and Smith, both lettermen, will be on deck. Powers and Adolph, sub ends last season will be out and Hughes, Pendergast and Woodcock of the Frosh team will also be eligible. At tackles will be Blas, Kerns and Gooding, letterman; Kjelland, last year's sub and Stockwell, Anderson, Warren and Mangum, last year's frosh.

At guard will be Bailey and Sifeids, letterman, Sills, sub and Harden and Quinn, last year's frosh.

At center will be Wilson, Johnson and Sinclair, letterman, and Kreds former frosh.

The prospects are the best in years, according to University athletic gossip. With husky lettermen and strong rival contenders for every position on the team, indications are that the competition will bring out some of the best material in years.

Couch Smith is saying nothing of the prospects, pleading that it is far too early to predict anything.

All others however, are seemingly optimistic.

If you use coal from Pages you will enjoy your home of evenings.

A savings account is a sure way to systematized success. Just a little money, plus a little determination, will start you off right. Call to see us soon—and join the thrift army! UMPQUA VALLEY BANK ROSEBURG, OREGON

MARKETS. PORTLAND, Ore., Jan. 27.—There seems to be no let up in the decline on eggs. Both buyers and sellers alike appear to favor a lower level. On the exchange, quotations range from 1 to 3c lower with extra and firsts down 2 cents at 47 and 46 cents respectively. Futures show the greatest loss, with a 3 cent break carrying bids down to 44 cents for the day. Current receipts are posted a cent lower at 43 cents net. This is the season when prices ease off and the increase in receipts with lower outside markets have had their full effect, although storage holdings along the coast are the lightest in years at this time. Butter quotations are unchanged on the local board with the market showing a steady tone. The Portland dairy exchange will close Wednesday February 4, in order that convention delegates may have an opportunity to see the Columbia river highway and other points of interest. There is a firmer tone in country dressed meats with prices a fraction higher. Choice light veal 14-12 to 16c; choice light hogs 14c to 15c. Receipts are fair with brisk demand for tops. Live poultry continues steady and unchanged. Receipts are moderate with light call. The weakness in the onion market is not showing in the prices. Produce dealers are still getting \$5 on their best stocks while recent purchases in the county have been made around \$4.25. The potato market is steady and unchanged.

How to Solve Puzzle. The best way to solve this cross-word puzzle is to run over the list of horizontal and vertical synonyms in search of evident or "easy" words. If horizontal, the word you are looking for must extend crosswise from the number to the first shaded stop on the right. If vertical, it must extend downward from the number to the first shaded stop below. When finished, the words should read equally well crosswise and downward.

WITNESS SAYS FISHER INTRODUCES SHERIFF FIRED THE FIRST SHOT

Herrin Murders Aired by Coroner's Inquest—Several Eye-Witnesses.

FOUR WERE KILLED After First Shot Was Fired, Ex-Dry Leader Drew Gun and Fired—No Outside Shooting.

(Associated Press Local Wire) HERRIN, Ill., Jan. 27.—Testifying today at the inquest into the deaths of S. Glenn Young, Ku Klux Klan liquor raider, Deputy Sheriff Ora Thomas Young's arch-enemy and two other men, Henry Peterson of Herrin told the coroner's jury, he saw Thomas fire the first fatal shot in the fatal affray Saturday night.

Peterson said he was standing on the walk near the European Hotel when Thomas entered the Canary Cigar Store in the building. The deputy sheriffs hands were in his pockets, his right hand grasping an automatic, Peterson said.

The witness, peering through the window, said Thomas walked past Young, who was talking to "Lip" Green, a miner. The deputy then pulled his gun and fired, Peterson testified, the bullet crashing through the window. As he dropped to the walk, Peterson said E. D. Forbes left inside the building, near the window.

Peterson said he did not see the shooting of Homer Warren, whose body was found later at the curb, some ten feet from the window. The witness said, he did not see anyone fire from an upstairs window. He added, however, he believed he had seen gun flashes outside the hotel building.

An important business transfer was completed today when Charles A. Johns, until recently proprietor of the Grant Hotel at Portland, took possession of the Roseburg Hotel on Sheridan street in this city. Mr. John H. Goswick, who has been operating the Roseburg Hotel, has taken over the Grant Hotel in Portland, and left this morning to take charge of that business.

Mr. Johns, who purchased the building and fixtures here, is an experienced hotelman, and for the past ten years has been in the hotel and lodging house business in Portland. He expects to continue the operation of the hotel in the same satisfactory manner that marked the long check under the direction of Mr. Goswick. His family will come from Portland at once and they will make their home in this city.

BRIBERY CASES TO BE TOSSED ASIDE. PORTLAND, Ore., Jan. 27.—Cases still pending involving charges of bribery and malfeasance developed in the investigation of awards of contracts and the letting of job of bridge engineer for bridges across the Willamette river at Portland, are to be wiped off the court records, District Attorney Stanley Myers announced today. He said this action would be taken at the request of the attorney general's office which initiated in the instance of Governor Walter M. Pierce, the investigation which resulted in the indictment of three former county commissioners, Robert E. Kremers and members of three bridge contracting companies.

A charge of giving a bribe still against Robert E. Kremers bridge engineer is the only one not included in the wholesale dismissal. Dismissal of the Kremers case is held certain as the state has admitted that it has no hope of convicting him.
