Quality *only* can hold friends so many years

There's nothing like *real quality* in coffee to bring friendliness bubbling to the top. It certainly has made heaps of people and Golden West friendly these 40-odd years. And the best of it—those friends remain.

Golden West Coffee has been constant, too—never a slip 'tween cup and lip—just steadily getting better as the selective choice of the world's best-flavored *high-grown* berries, scientific blending, steel cutting and vacuum packing have perfected that velvet-smooth taste and enticing aroma.

Economical—of course—seeming to yield more delicious cups to the pound.

Goodness locked in—opens with a Key
The handy key-opening top is quickly, easily, safely removed. No can-opener; no digging in; no raw edges to cut you. There's a convenient container when the coffee is gone.

LOOKING GLASS NEWS ITEMS

An interesting game of basket ball was played between the Days Creek boys and girls teams and the boys and girls teams of this place, at the grange hall here, on the evening of January twenty-fourth. The boys game ended with a score of 16 to 9 in favor of Days Creek, while the Days Creek girls were defeated by our girls team, 22 to 12.

Much interest is being shown by the high school pupils here, in basket ball activities and our teams are showing a fighting spirit. Another game has been scheduled for January thirtieth, with the Oakland teams at their gymnasium.

The cast for the first high school play of the term has been selected, and rehearsals will begin at the grange hall immediately, on receipt of the books. The play is an interesting drama of home life, entitled "Who's Rosa?" The rehearsals will be under the direction of Mrs. T. S. Thompson.

Mr. R. B. Montgomery returned to his home here, on Monday, from Hoagland, where he has been employed.

Faye Morgan of Marshfield has been visiting with her parents, Mr. and Mrs. Tom Morgan of this place. She returned to work at Marshfield on Friday.

Friday morning, January twenty-third, there was born to Mr. and Mrs. Dwight Morgan, a girl. Both Mrs. Morgan and the new arrival are getting along nicely.

The last gathering of the high school literary society, for the term, took place on Friday, in the intermediate room of the grade school. A fine program, including an interesting debate was enjoyed by the pupils and a few visitors. The meetings will now discontinue, so that more time may be spent in rehearsing the high school play for presentation.

Cecil Jackson who has been employed in California for the past few years, is visiting here with his parents, Mr. and Mrs. W. J. Jackson.

Mrs. Arthur Marsh has been seriously ill at her home, with an attack of tonsilitis. She shows, however, promising signs of recovery.

A. L. Bushnell and his wife, of Coquille have been visiting with friends and relatives in Flournoy.

We are glad to hear that Mrs. Tom Morgan is recovering from a slight but disagreeable case of tonsilitis.
