"Red" as Lenin

MORRIS SPECTOR.

Morris Spector, a fourteen-year-old New York school boy, organizer of the Junior Section of the Young Workers' League, threw 12,000 New York "reds" into a frenzy with his impassioned address in Madison Square Garden at the second memorial meeting, held there for Nikolai Lenin, when Communists called for an overthrow of the present "Capitalist Government of the United States and the establishment of a Soviet." Following his address, the Reds sang the international.

SUMMER EXCURSION RATES TO BE GIVEN THIS YEAR

Eastern summer excursion rates will be given by the Southern Pacific railroad to all eastern states the same as last year, according to information received today by L. B. Moore, the local agent. The sales dates are from May 25 to Sept. 15 with a final return limit of October 31. Many persons last year availed themselves of the reduced fares during the summer season, and it is expected that the offer will be found attractive during the coming summer season.

HARTH'S TOGGERY—The Home of Cool Clothes

What are Men Wearing? THIS Store for men has the answer, whether your question refers to Suits, Coats, Hats, Shirts or Shoes. Its authority is based on careful observation of what is preferred by men who are acknowledged to be well dressed. Particularly favored by such men are our Spring Style Suits. The coats are broad shouldered, a trifle short, cut to give a wide effect—very athletic. Pockets and buttons are set low. Trousers hang straight and are conducive to comfort. The style is combined with the usual quality we always give our customers.

Harth's Toggery

A Hint for Beginners. The cross-word puzzle diagram is merely a means of concealing words which are synonymous to those listed and which will interlock perfectly and so read equally well crosswise of downwards. Always look for the number of the synonym on the diagram. If horizontal, you must find a word to fit between that number and the first shaded stop to the right; if vertical, you must fit your word between that number and the first shaded stop below.

WILLIAMS BILL IS ASSAILED BY IT'S OPPONENTS

(Continued from page 1.) Youakim contended, he advocated the Curtis-Aswell bill to provide for a system of co-operative marketing agencies and \$10,000,000 federal loan.

The witness asserted no law could be written that would "renew" the farmer through legislation proposing to place the farming industry under government management, and declared "the Williams measure showed conclusively that the interests of the wholesaler, brokers and commission men, would be the protected industries and the predominant power in controlling farming products.

From Coast— Among those arriving from coast points Monday and spending the day here Monday attending to business matters was W. E. Pale, Mr. Pale is from Marshfield.
