WORKERS ENDEAVOR TO REACH THE CAVERN WHERE COLLINS IS ENTOMBED IN ABOUT TWENTY HOURS

Men in Main Tunnel and Rescue Shaft So Close Together They Were Able to Converse This Morning—Probably Bring Collins Out Tomorrow.

(Associated Press Leased Wire.)
CAVE CITY, Ky., Feb. 14.—Definite hopes that Floyd Collins, imprisoned cave explorer would be rescued by 7 o'clock tomorrow morning at the latest were voiced today by officials in charge of the Sand Cave rescue shaft.

The supreme effort of the diggers was set to start tonight when the last section of shaft cribbing was to be placed with the digging from then on expected to strike almost immediately into a nine foot cavern. Hope runs high that this will lead to Floyd Collins.

Further tests of sounds between the shaft and the original sand cave hole today, convinced engineers that the shaft or the tunnel now just below it will lead directly to the rock fall which had led to the cave on February 5, the day he was last fed and the last day his voice was heard until moans came up through a fissure in the shaft yesterday morning. The 55-foot wooden casing of the shaft was firmly anchored at the surface of the ground today to two huge logs so that it could not slip down when the cavern was reached. The diamond core drill's explorations have given the engineers strong hope that the cavern will prove to be a firm solid limestone tunnel into which the rescuers can hasten in search of Collins.

(Associated Press Leased Wire.)
CAVE CITY, Ky., Feb. 14.—The roof of an avenue expected to lead to the natural rock trap where Floyd Collins has been imprisoned for 15 days, was only three feet away from the diggers in a rescue shaft at 9 o'clock this morning, according to the official bulletin issued by those in charge.

M. E. S. Posey, executive secretary of the state highway department, who was sent to Sand Cave by Governor W. J. Fields, sent a telegram to the governor at Frankfort today in which he fixed 8 o'clock Sunday night as the zero hour unless unexpected difficulties are encountered.

It had taken nine and one-half hours to complete a three-foot section last night, said the bulletin. The rotten character of the material encountered and four distinct cave-ins made the progress the slowest on record.

Two weeks ago Collins' plight was discovered and for the last 10 days he has not received food. Four workmen testified before the military board of inquiry yesterday that they had heard the imprisoned cave explorer breathe and cough.

Three feet immediately below the earth still to be removed is a layer of limestone, also estimated to be three feet thick. H. T. Carmichael, in charge of operations said, once they have penetrated this "roof" they expect to find a passage through which they can reach Collins.

(Associated Press Leased Wire.)
CAVE CITY, Ky., Feb. 14.—Due to the "very rotten character of material encountered, the progress last night was the slowest on record," said the official bulletin of those in charge of the shaft being dug in an effort to extricate Floyd Collins from a trap in Sand Cave. Rain, snow and colder weather was experienced during the night.

Nine and one-half hours were required to complete a three foot section, said the bulletin issued this morning.

German Newspaper Publishes Few of "Secret Clauses" in the Russo-Japanese Treaty Signed Last Month

(Associated Press Leased Wire.)
BERLIN, Feb. 14.—The Lokai Anzeiger today publishes from what it described as a "hitherto very reliable Russian source" the alleged details of secret clauses included in the Russo-Japanese treaty signed at Peking last month.

According to this newspaper information, one of these clauses provides that should either England, America or France take military measures against the pending government or against Chinese territory which is not neutralized Russia will place at China's disposal 200,000 men who will be armed by Japanese.

It is also stated that Russia renounces in favor of Japan fifty per cent of the shares of the Chinese Eastern railway which Russia hitherto has claimed. Another clause is declared to give the entire island of Sakhalen to Japan within five years on condition that the latter supplies Russia with four small cruisers, one battleship, thirty submarines and seven destroyers.

BANDIT TOSSED GOLD PIECES TO PURSUERS

(Associated Press Leased Wire.)
GUANAJUATO, State of Guanajuato, Mex., Feb. 14.—Threatened with capture in a running chase after a payroll robbery near here, the bandit carrying the loot threw gold pieces in the path of his pursuers who halted to pick up the glittering coins. The bandit on his overburdened horse improved the time thus gained to reach a tortuous canyon, from which he vanished into the mountains.

The escape was the climax of an attack by a band of a dozen robbers upon the payroll master of the Culo Mining and Milling company, who was enroute to this city with a half dozen armed guards. Although mortally wounded, one of the guards killed two of the bandits before succumbing, while his companions, who had scattered when ambushed, joined in pursuit of the robber who bore away the payroll's sack containing 5,000 pesos gold.

DAUGHTER BORN TO LONGWORTH FAMILY

(Associated Press Leased Wire.)
CHICAGO, Feb. 14.—A daughter was born to Mrs. Nicholas Longworth at the Chicago-Lynde Hospital at 10:30 o'clock this morning.

Physicians in attendance said both mother and baby were "doing well."

Mrs. Theodora Roosevelt, widow of the former president, accompanied her daughter, Mrs. Longworth, to the hospital, as did the latter's brother, Kermit Roosevelt. Representative Longworth of Ohio was in Washington, but is expected to arrive here tomorrow by fast train to be with his wife and their first child.

The baby weighed six pounds and 83 ounces, the nurses announced, and was a normal, healthy infant.

The mother, too, was in good condition, though for some time after the event of the daughter's arrival she was under an anesthetic.

Mrs. Medill McCormick, wife of Senator McCormick, also accompanied Mrs. Longworth and her relatives to the hospital.

WASHINGTON, Feb. 14.—Representative Longworth was given a tumultuous reception today when he walked into the house a few minutes after the news from Chicago had been circulated among his colleagues.

(Associated Press Leased Wire.)
WASHINGTON, Feb. 14.—Representative Longworth was given a tumultuous reception today when he walked into the house a few minutes after the news from Chicago had been circulated among his colleagues.

Smiling from eye to eye the republican leader bowed his acknowledgments as the leader of the Democrats, Representative Garrett of Tennessee led in a prolonged outburst of cheering and then delivered a short speech of felicitations.

It was the hope of all the members of the house, said Mr. Garrett, that the Longworth baby would have a long and prosperous life.

First word that he was a father was given the Ohio member by The Associated Press just before the house met. Half an hour later he received a telephone message from Chicago assuring him that Mrs. Longworth and the baby girl were doing splendidly. He immediately made plans to leave for Chicago this afternoon.

Dozens of house members swarmed about Mr. Longworth to congratulate him. The house floor was a picture of confusion to which Representative Upshaw of Georgia unwittingly contributed by gaining recognition after Representative Garrett had concluded his speech, and under the apparent impression that the baby was a boy, saying he was glad the name of Theodore Roosevelt and Nicholas Longworth was to be perpetuated.

ALASKA TO HAVE A NEW GOVERNOR

(Associated Press Leased Wire.)
WASHINGTON, Feb. 14.—Geo. Alexander Parks of Alaska, was nominated today by President Coolidge to be governor of Alaska. Mr. Parks who has been stationed in Alaska for several years will succeed Scott C. Bone, whose term will expire in several months.

Visitors Overnight.—Mr. and Mrs. C. L. Curtis were guests at the Hotel Grand last night. They are proprietors of the Tavern Cafe, at Ashland, and are returning home after a business trip to Portland.

MEDFORD WINS DOUBLE HEADER FROM ROSEBURG

Girls and Boys Both Defeated in One-Sided Contests Last Night.

PERRIN IS INJURED

Veteran Roseburg Guard Probably Out of Game for Rest of Season; Ligament Torn.

Roseburg basketball fans were forced to sit helplessly in the high school gymnasium last night and watch the pitiful slaughter of the two local high school teams by the fast Medford aggregations. The Medford girls won the first game by a score of 45 to 17 and the boys 25 to 10. Although the Roseburg teams must be credited with fighting to the best of their ability, the games were too one-sided to be interesting and the exhibition was a sorry spectacle, particularly for those rooting for the local boys and girls.

The Medford teams were superior in every respect, and the locals had no chance for the outset.

The Medford girls were far superior to Roseburg in passing, and it was seldom that the local girls got hold of the ball. The Medford forwards, Griffin and Newman, were exceptionally fast and accurate, and in spite of close guarding missed but few shots. Miss Griffin scored 25 points and Miss Newman 20. For Roseburg Ruth Collins scored 14 of the 17 points.

The boys' game was a fast contest, and the Roseburg team fought hard from start to finish, but lacked the calibre to match the visiting team. The Medford boys were superior in passing, and in fighting under the basket. Roseburg players and Medford in locating the basket, and failed to follow up their shots as well as the visitors. In fact, a great many of Medford's scores were made from scrimmages under the basket after the first shot and failed to convert.

The Roseburg team was badly crippled after the second quarter, for in the middle of that quarter Guy Perrin, the high school star guard, was forced out of the game with an injury to his ankle. An examination this morning revealed a torn ligament, and he probably will be out of the game for the rest of the season. The local boys are to be praised for their spirit of fight, for after this disheartening occurrence the team went back into the game with more ardor than ever, and it seemed that each player redoubled his efforts in an attempt to make up for the loss.

Bernard Young who took Perrin's place, played a fine game for a player with as little experience as he has had.

Ray Jost was the outstanding player for Roseburg, playing a wonderful game at running guard.

N. Chastain and Knipps, Medford forwards, were the high point men for that team, Chastain scoring 11 points and Knipps 9.

The line-up for the boys' game follows:
Roseburg: (16) Pos. Medford (25) Beckley (3) F. N. Chastain (11) Collins F. Knipps (9) Gile (3)
Irwin (2) F. C. Chastain (2) Allen (5) Williams (2) G. Williams
Perrin G. White
Young G. Lang

Summary: Personal fouls, Roseburg: Beckley 1, Collins 1, Gile 1, Jost 1, Perrin 1, Young 1; Medford: Allen 1, Lang 1, Williams 1, White 3. Fouls converted, Roseburg: Gile 1, Jost 2, Beckley 1; Medford: N. Chastain 1, Knipps 2, Allen 1. Substitutions, Roseburg: Gile for Beckley, Beckley for Irwin, Irwin for Beckley, Young for Perrin; Medford: C. Chastain for Knipps, Lang for Williams. Referee Edlund, scorer Burr.

SLAYER PAYS THE PENALTY FOR CRIME

(Associated Press Leased Wire.)
BOULDER, Mont., Feb. 13.—Roy Walsh, convicted slayer of Albert Johnson, Renova, Mont., storekeeper, paid the extreme penalty for his crime on the gallows of the Jefferson county grand jury early today.

Eating an orange and cheerfully stoical, Walsh went to his fate, "I wish the world well," were his final words.

Last night Walsh prepared a long statement for newspapers in which he urged boys to avoid the pitfalls into which he had fallen.

YOUNG MOTHERS HELD AS THIEVES

(Associated Press Leased Wire.)
CHICAGO, Feb. 14.—Two 38 year old mothers, charged with taking their babies with them on several night holdups were held today with four men alleged to have been their accomplices. Mabel Robertson and Genevieve Walter, the women, admitted, police said, that they kept their husbands in ignorance of their operations, which they said they did "for fun."

SULLIVAN GUILTY 1ST DEGREE MURDER

(Associated Press Leased Wire.)
KLAMATH FALLS, Ore., Feb. 14.—Pete Sullivan, accused as the actual slayer of Oscar Erickson in a gambling house robbery here, last month, was convicted of first degree murder here early this morning. The jury deliberated less than three hours. A recommendation for life imprisonment accompanied the verdict. Late this morning Circuit Judge C. M. Thomas, of Jackson county, sentenced both Sullivan and Sim Pate to life imprisonment in the state penitentiary. Pate was convicted of first degree murder last week in connection with the same crime.

John Taylor, whose confession resulted in the arrest of three others, will be sentenced Tuesday morning.

Only one of the four men—John O'Shea, was acquitted.

DAUGHTER OF BOOZE VICTIM LEADS RAID

(Associated Press Leased Wire.)
PHILADELPHIA, Feb. 14.—That her mother dead in bed, a 15 year old girl, early today led a police raid on a saloon where she asserted her mother had obtained a pint of liquor last night. The bartender was arrested.

The girl, Sarah Killeather, said that her mother had purchased the liquor for a "Friday the Thirteenth" party. Coroner Patton declared that should death be found to be from alcoholism, the vendor of the liquor would be held for murder.

TEXAS RACE RIOT

(Associated Press Leased Wire.)
ORANGE, Tex., Feb. 14.—Three white men were killed here today in a shooting affray between negroes and whites. The dead are: Joe Prolean, about 46; Dallas Morris, about 2, and Deputy Sheriff Basil Stakes, 39. Two negroes were arrested.

IBANEZ' SECRETARY RESENTED INSULT

(Associated Press Leased Wire.)
PARIS, Feb. 14.—A magistrate has taken under consideration charges preferred against Carlos Espelo, secretary to Vincento Ibanez, as the result of a clash with Caballero Andaz, another Spanish writer, who Espelo claims, sent an insulting letter to Ibanez.

Espelo said he merely slapped the face of Andaz while Caballero swore that he slapping was "with a knuckle duster on one fist and a blackjack in the other."

RAIN PREDICTED FOR NEXT WEEK

(Associated Press Leased Wire.)
SAN FRANCISCO, Feb. 14.—The weather forecast for the week beginning February 15, was announced here today by the United States Weather Bureau as follows:
The outlook is for much cloudiness with normal temperature and with rain in Washington and Oregon, north and central California and possibly in Southern California.

Wm. Jardine Is New Secretary of Agriculture

(Associated Press Leased Wire.)
WASHINGTON, Feb. 14.—William M. Jardine, president of the Kansas Agricultural college was selected today by President Coolidge to be secretary of agriculture.

He is to take office on the retirement of Secretary Gore who on March 4 becomes governor of West Virginia.

Along with Mr. Jardine's nomination the president today sent to the senate the nomination of Frank B. Kellogg of Minnesota, now ambassador at London, to be secretary of state after Secretary Hughes leaves the cabinet March 4.

This action leaves three cabinet appointments pending before the senate, that of Charles B. Warren, to be attorney-general, having been sent to the capitol a month ago but delayed by opposition.

Selection of Mr. Kellogg to succeed Secretary Hughes had been provisionally announced but within an hour of the time Mr. Jardine's nomination was sent from the White House the supporters of other candidates, still hopeful of success had called there in an effort to sway the president's decision.

Mr. Jardine who is a member of the president's agricultural conference was chosen from an original list of nearly 200 names. The executive, in making the selection, endeavored to obtain a man with a knowledge of marketing and distribution, which he regards as the primary problem facing American agriculture.

MANNHATTAN, Kans., Feb. 14.—Dr. William M. Jardine, president of the Kansas state agricultural college here, selected today by President Coolidge to be secretary of agriculture will bring to the cabinet a first hand knowledge of agriculture and a personality with a rugged western background.

Once a "cow puncher," a "broncho buster," call cutter and ranch hand, Dr. Jardine has a sympathy with the farmer and ranchman and a comprehension of the problems based on intimate experience. He is said to be the best authority in the country on dry farming and the growing of wheat and the erain sorghums.

President Jardine has been an outspoken advocate of the farmer's interests. In public speeches he has declared that only 10 per cent of the troubles of the farmer can be remedied by legislation that the other 90 percent must be solved by the farmers themselves and their immediate associates, the business men of each agricultural community.

He gained considerable attention when in the spring of 1924 he voiced opposition to the McNary-Haugen price-fixing bill. He reviewed the plan as based on unsound economic theory, saying that what the farmer wanted was to be left alone.

Dr. Jardine was born at Cherry Creek, Grady county, Idaho, on January 16, 1879. He spent the first 17 years of his life on his father's ranch in Idaho. He performed the usual tasks on a western ranch, "bonehead" cattle, broke bronchos at 25 cents each and attended a district school three or four months each winter. Dr. Jardine was a graduate from the Utah agricultural college in 1904. He was active in college sports and activities and was a member of the Utah football team for four years and captain in his senior year. He taught a short time after graduation and then became manager of a farming company that tilled thousands of acres in Utah. He was assistant cerealist of the United States department of agriculture from 1907 to 1910 when he left Washington to become a professor of agronomy at the Kansas agricultural college. Three years later he was made dean of the division of agriculture at the college and director of the experiment station. In 1918 he succeeded Dr. Henry I. Waters as president of the college. Dr. Jardine is a member of the American Association for the advancement of science, the national research council and the advisory council of the agricultural commission of the American bankers association. He is

OLD CAVE TRAGEDY IS RECALLED TODAY

(Associated Press Leased Wire.)
CHARLESTON, W. Va., Feb. 14.—The plight of Floyd Collins, whose fate in his underground tomb at Cave City, Ky., is being speculated, has recalled to old residents a cave tragedy of 20 years ago.

The victim was John Goshorn, local family. Unable to marry the girl of his choice, because of his poverty, Goshorn left his job in a country store and went to Tennessee where he heard of a mountain cave, supposed to contain vast silver deposits. With ten days' rations he started into the cave.

Weeks passed and he did not reappear. Finally, his brother organized a posse and started into the cave after him.

Several hundred feet underground they came to a steep cliff which they descended by a rope. At its foot the posse found Goshorn's body. He evidently had died after a fall.

The only silver found in the cave was in the frame of a picture of his sweetheart that Goshorn clutched in his lifeless hand.

INDIAN BOY MAKES CONFESSION TODAY

(Associated Press Leased Wire.)
RENDLETON, Ore., Feb. 14.—An Indian youth, Harvey Strong, who gave his age as 17 and his home as Toppenish, Wash., confessed last night to Sheriff R. T. Cookinham, Deputy Bennett and railroad operatives in placing obstructions on the O. W. R. & N. tracks that resulted in the wrecking of a big Mallet freight engine, the tying up of traffic for 12 hours on the main line and the injury of Conductor Baxter of the freight train.

Strong admitted fouling the switch at Cayuse, but stated that his companion had placed the railroad tie and fence post which the outboard freight hit at a point 3 and one-half miles west of the switch where the Mallet jumped acrosswise of the tracks. Deputy Sheriff Bennett left last night for Toppenish after the second Indian youth.

Young Strong was captured after the wreck occurred but after a grilling that lasted most of Thursday was turned loose by the officers. Later Deputy Bennett with a railroad operative, returned to Cayuse and found the Indian youth and faced him with evidence that tracks had been seen on the right of way near the two obstructions and had been positively identified as his, whereupon the young Indian confessed.

WAYS AND MEANS COMMITTEES WILL REPORT UNFAVORABLY ON ALL SALARY INCREASES FOR OFFICIALS OF STATE

(Associated Press Leased Wire.)
STATEHOUSE, Salem, Oregon, Feb. 14.—By a vote of 18 to 14 the Dennis joint resolution directed against income and inheritance taxes passed the senate on reconsideration yesterday. The resolution proposes to submit to the people a constitutional amendment to prevent the enactment of income and inheritance tax laws until the year 1940 and would repeal the present inheritance tax.

The ways and means committee last night voted to report out unfavorably all the important salary of the state treasurer and the secretary of state from \$4,500 to \$5,000 each, the superintendent of public schools from \$4,000 to \$5,000 and the salaries of the deputy secretary of state, deputy state treasurer and secretary to the governor from \$250 a month each to \$300 a month. Also the committee will today demand that the bill to increase salaries of District Attorneys which has passed the house and is in the hands of the senate judiciary committee be offered to

OVER MILLION DOLLARS WORTH AUTOS BURNED

(Associated Press Leased Wire.)
KANSAS CITY, Feb. 14.—Fire starting in filmy decorations supposedly from defective wiring destroyed automobiles valued at \$1,500,000 and the American Livestock pavilion, valued at \$50,000 early today. All of the exhibits at the annual Kansas City motor show, were a total loss. The show had closed for the night, and no one was in the building, when the fire broke out. The exhibits were to have been moved to San Francisco for a showing there late this month.

Firemen were hampered in their work because of the lack of water plugs near the building and it was several minutes before they could play streams of water on the building, which was a mass of flames when the first companies arrived. The explosion of gasoline tanks on the exhibits also held the fire fighters in check.

When two hours after firemen from the two Kansas Cities were called to fight the blaze the walls fell in.

Captain John J. Crane, 65, the oldest fireman on the department was caught on an incline between the annex and the main building where he was attempting to work a hose, and was burned to death. Firemen who had noted his disappearance, found the body when they penetrated the ruins.

Three hundred pleasure cars, approximately 75 trucks and two airplanes were burned. In addition to the exhibits of about 200 accessory manufacturers were destroyed.

Most of the cars on display had been shown earlier in the year at New York, Cleveland and Chicago. The fire started in the last fleeting minutes of Friday the thirtieth, and it was the 712th fire of the year here.

Jess Simpson, engineer of the pavilion, said the fire broke out in a tiny blaze in the annex ceiling. "One minute there was a little blaze and the next it was all over," he said.

Fire chief Alex Henderson declared the fire had "an awful start," when the fire apparatus arrived.

The ghosts of the recently proud Kings of the motor world, it seemed, shrieked and moaned from the interior when sirens and horns on the cars were set off as insulation burned from the switches and wiring.

THACKER TAKES TIME TO ENTER PLEA TO INDICTMENT

Charles Thacker, indicted by the grand jury for passing a worthless \$5 check, was arraigned before Judge Hamilton this morning. Thacker asked further time to enter his plea and was given until Monday.

THACKER TAKES TIME TO ENTER PLEA TO INDICTMENT

(Associated Press Leased Wire.)
PORTLAND, Ore., Feb. 14.—Oregon's, the Valentine of the union, was celebrating her own birthday today—the 66th.

A banquet for the Sons and Daughters of Oregon pioneers tonight, will feature the observance here. An immense cake with 66 candles will be on the table. Judge Fred W. Wilson of Wasco county circuit court will be the principal speaker.

LET BUSINESS JUST RUN ALONG AND YOU LET IT RUN DOWN

Let business just run along and you let it run down
