Two dividends in one year Every participating policyholder in Oregon Life receives two dividends this year. (Dividend year begins March 1, 1925.) There's the regular dividend and then—just like finding money—an extra special dividend of 20% of the regular dividend.

A wonderfully low mortality record and favorable returns on our investments make it possible. Any Oregon Life policyholder will be granted permission to change his non-participating policy for a participating one upon request.

MANY HEAR LECTURE ON HOSPITAL PLANS A most appreciative audience greeted the Rev. F. E. Finley, sec. of the Wesley Methodist Hospital Board of Marshfield, and Rev. Edgar S. Tullar, D. D. of the board of hospitals, homes and deaconess' work, located in Chicago, Ill., at the First Methodist Episcopal church last evening. Dr. Finley is interested in pushing to completion the splendid hospital building in Marshfield which will care for about 60 people. It is expected this will be ready for dedication about May 1. While it is a Methodist hospital in name, it is not to be confined to Methodists alone, but will be open to all who need hospital care. Dr. Tullar was formerly with the general deaconess board, spending seven years with that board, which was recently merged with the board of hospitals and homes. In his talk Dr. Tullar showed 165 beautifully colored slides of hospitals, nurses and deaconess' training schools, together with homes for children in this country and Europe. Mr. Tullar stated that he had traveled under 20 different flags including a trip for study in Palestine, Egypt and Asia Minor. He is familiar with European as well as American Methodism and is assisted by a board to assist Dr. Finley in the completion of the hospital enterprise. The pictures shown and the appeals for Christian service given last evening will not soon be forgotten.

PORTLAND, Ore., Feb. 23.—A holiday prevailed in the local markets today and while fruit and produce houses were open for business, the trading volume was small. Receipts of meats, poultry and eggs were light. Few changes are shown in fruit and vegetable prices at the open market. New arrivals from the south were moderate on the team tracks, but sufficient to prevent any great shortage. Cattle prices are fractionally lower with most of the houses quoting best Sherwood stock at \$3.50. Some firms are still working on stock that cost \$4 and are trying to get \$3.75. Buying prices around \$2.75 now at country shipping point. Lettuce is selling around \$1.50 for best stock and celery at \$1.50 to \$1.8 a crate. Potato prices are unchanged with the market about steady. The butter market is firm, with fancy stocks extremely scarce. No change is contemplated in print and fat prices. Egg prices are steady and unchanged. There was no session on the dairy exchange today. Receipts are good with fair spring demand. Country dressed meats are nominal at 16 1/2 to 17 cents for best calves and 15 to 16 cents for choice light hogs. No trading to speak of. The poultry market is nominally steady at Saturday's close. Concerning a recent sale of 200 bales of hops by Jess Seavey to Clifford Brown of Salem, dealers here who were present at the transaction was made said Seavey offered 50¢ bales at 17 cents and when the 500 bales were delivered at Corvallis warehouse Brown decided to take only 300 bales at the price quoted. The market condition and not the quality of the hops was responsible for the smaller sale, the dealers said. E. E. Johnson, a sawmill man of Coquille, stopped over in this city Saturday night at the Umpqua Hotel as a guest. Mr. Johnson has been visiting his sister, Mrs. Stanley Dollar, of the Dollar Steamship company, at San Francisco, and returning home to the coast.

DOG DERBY TODAY. (Associated Press Local Wire.) ASHTON, Ind., Feb. 23.—Despite unsettled weather conditions here today, it is expected records will be smashed in the annual American dog derby to be run this afternoon. Conditions on the course are declared to be perfect but a snowfall, it is declared, would perhaps slow up things materially.

OBSERVE WASHINGTON BIRTHDAY IN D. C. (Associated Press Local Wire.) WASHINGTON, Feb. 23.—Official Washington observed today the birthday anniversary of George Washington. Government departments were closed and several cabinet officers and other high officials took the occasion as timely to deliver patriotic addresses on a variety of subjects. At the White House however, business was not interrupted, although President Coolidge stopped long enough to deliver an address to delegates attending the Women's conference of national defense as a peace insurance. Both houses of congress with jammed calendars were in session, their homages being paid by the reading of Washington's farewell address. At Mount Vernon wreaths were placed at the tomb of Washington as they have in years past and a number of patriotic organizations held a memorial exercise.

STAGE HITS CAR A large car belonging to Bartley and son, garagemen at Canyonville, was badly damaged yesterday when it was struck by a northbound stage. According to the report given by the local police officers, the stage came around a short turn and found the car, belonging to the Canyonville men, engaged in pulling out another machine which had skidded off the grade. The stage was unable to stop because of the wet pavement, and struck the Bartley machine, which was damaged considerably. No one was injured. It may be worth while for you to know that one loaf of GRIMM BROS.' MILK BREAD has more real food quality than two ordinary loaves. It costs no more. Phone 133.
