

Announcing an INCREASE IN PRICE of COPCO 7% Preferred Capital Stock

The price of this Company's present issue of 7% Preferred Capital Stock, which has been offered at \$98.00 per share since its first public offering seven months ago, will be increased to \$100.00 per share on April 2, 1925.

No change is to be made in the present partial payment plan, adopted for the convenience of those desiring to arrange their investments in this security on a 20-payment basis with interest at 6% allowed on all instalments paid.

Effective April 2

This increase in price is made necessary by an active demand and strong financial market for this type of security throughout the country. It is further justified by the satisfactory progress which is being made toward the completion of the Company's new important developments. These projects, when completed, will materially increase the Company's earning capacity.

PNEUMONIA USUALLY STARTS FROM COLDS

Physicians warn against neglecting coughs and colds and tell of the serious lung complications that may result. Leading physicians now prescribe BALSAMEA for all bronchial affections. Well known Dr. Ross, F. C. Abner, Anderson, etc., write: "I use it exclusively for my practice and my family. It is quick, sure and safe in its action like nothing else."

Toward the end of the influenza epidemic a government physician noticed that a tribe of Indians in Nevada, by the use of a certain native plant were immune from the ravages of influenza. He used these with among his white patients and then in a hospital over-coming with "cough" cases. Now of the results saved the world and for some time it was not possible to supply the demand. BALSAMEA contains those pure vegetable oils in a pleasant syrup. It gives mucous results in four ways: 1. It soothes the inflamed membrane and relieves irritation. 2. It increases secretion of mucus and permits easy expectoration. 3. It stimulates peristalsis of the air in driving off colds, pneumonia and 4. It strikes at the cause, quickly checking germ action. Do not confuse it with ordinary balsam cough syrups that are only soothing syrups and do not go to the base of the trouble. Unlike other cough remedies BALSAMEA is free from coal tar and other harmful medicinal. Pleasant to take and absolutely safe to give to children. Be sure you get BALSAMEA with the picture of the Indian on the package. Guaranteed to relieve any cough, no matter how long it has been your money back. All drug stores sell BALSAMEA. In Roseburg buy it from Chapman's Drug Store.

Tells How Rich Women Are Robbed

The amazing confession in a Los Angeles, Cal., court of Herbert L. Wilson, notorious ex-minister and admitted bandit, that he had been approached by Jack Elerick, who said he knew a wealthy New York divorcee, Mrs. Charlotte King Palmer, who was "thrilling Broadway" with her lavish display of jewelry, and that he, Elerick and Charles Stahl, burglarized Mrs. King's home and stole \$320,000 worth of jewels, may clear up other unsolved robberies of women who make ostentatious shows of their jewels in New York's cafes. Mrs. Irene Schoellkopf, wife of Hugh Schoellkopf, Buffalo millionaire, was robbed of priceless jewels recovered. Miss Edith Bobe, wealthy New York modiste, was robbed in the same way, and that robbery was never solved. Wilson, who is now serving a life sentence in San Quentin, Cal., prison, admitted Mrs. Palmer's ankle was broken in her fight with the thieves. Detectives had previously had no clue to the Palmer robbery.
