BANK TO INSTALL STRONG VAULT DOORS

The Pacific Banker, a trade journal, has the following to say in a recent issue concerning the new vault to be installed by the Douglas National Bank in the new building:

"These two vault doors," stated Mr. Hamilton, "one for the coin vault and one for the safe deposit vault, are of massive construction, and are the only doors in the state that can not be burnt with oxyacetylene, neither can they be drilled, according to tests made by all of the large testing laboratories and engineers of the country, including the University of Washington. Mr. J. H. Booth, President, made a thorough investigation and purchased work on the recommendation of engineers and testing laboratories, wanting the best equipment to be had. These massive doors weigh over ten tons each."

REEDSPORT GIRL DIES

Little Agnes Humiston, seven year old daughter of Mr. and Mrs. E. E. Humiston of Rainbow addition No. 1, died at the family residence, March 24 at 1 o'clock a. m. The little girl had been ill since January 20, when she was taken down with scarlet fever.

The funeral was held at Gardiner, Wednesday, and was private. Mr. and Mrs. Humiston have the sympathy of the community in their bereavement.—Port Umpqua Courier.

MOOSE CAUSES DELAY TO PASSENGER TRAIN

Disregarding continued blasts of the train whistle and loping along at an easy clip, one of the four moose which several years ago were placed in the state game refuge at Kroll, Monday morning caused a delay of some 20 minutes in arrival of the northbound passenger train. Passengers and members of the crew were given some free and pleasing entertainment by the antics of the animal. After running along ahead of the train for more than a mile between Kroll and Booth stations, the moose, which was without horns, going at an easy gait, went into a marsh, easily leaped the right-of-way fence of the S. P. company, in a graceful manner, and got into the woods on the high ground. The residents of the section had been looking for the animal, which had not

SICK 3 YEARS WITHOUT RELIEF

Finally Found Health by Taking Lydia E. Pinkham's Vegetable Compound

Columbia, S. C.—"Your medicine has done me so much good that I feel like I owe my life to it. For three years I was sick and was treated by physicians, but they didn't seem to help me any. Then I took Lydia E. Pinkham's Vegetable Compound and got strong enough to do my housework, where before I was hardly able to be up. I have also taken the Vegetable Compound during the Change of Life and it has left me in good health. I recommend it as the best medicine for women in the Change of Life and you can use these facts as a testimonial."—Mrs. S. A. HOLLEY, R. F. D. No. 4, Columbia, South Carolina.

Why suffer for years with back-ache, nervousness, painful times and other ailments common to women from early life to middle age, when Lydia E. Pinkham's Vegetable Compound will bring relief?

In a recent country-wide canvass of purchasers of Lydia E. Pinkham's Vegetable Compound over 200,000 replies were received, and 98 out of every 100 reported they were benefited by its use.

COURT ORDEAL TOO MUCH FOR DOROTHY; JAUNTY AIR GONE

(Associated Press Local Wire.) SAN FRANCISCO, Mar. 28.—The counsel for the defense of Dorothy Ellingson, confessed matricide, refused in a conference with Judge Harold Lunderback, the trial judge today, to enter a plea of guilty to a murder charge in any degree. The conference was arranged by the defense in an effort to bring the trial to an immediate conclusion.

The prosecution has held that the girl must plead guilty to a murder charge before it will consent to halt the case.

(Associated Press Local Wire.) SAN FRANCISCO, Mar. 28.—Dorothy Ellingson, 16-year-old matricide, today gratefully accepted a respite in the ordeal she has been enduring in the proceedings to obtain a jury which will determine her fate.

The jury of nine men and three women was sworn in yesterday, then allowed to go to their homes. The girl returned to her cell in the county jail in the same girl who entered there almost two months ago, but a chastened, apparently almost broken girl whose frequent collapses in court, have given an entirely different aspect to her legal status.

(Associated Press Local Wire.) PENNILETON, Ore., Mar. 28.—Ira Derr, Salt Lake City light heavyweight wrestler, made short work of Abe Caplan, Chicago light-heavyweight here last night when he downed the Hebrew champion for two straight falls.

The first came in 41 minutes with a combination leg split and leg strangle, while the second was in six minutes with an arm scissors and body pin. Caplan put up a game fight but was unable to offset Derr's speed and strategy.

In a preliminary Dee Hatton defeated "Spud" Buttervich, former Northwest intercollegiate champion, two out of three falls.

A Hint for Beginners

The cross-word puzzle diagram is merely a means of concealing words which are synonymous to those listed and which will interlock perfectly and so read equally well crosswise or downwards. Always look for the number of the synonym on the diagram. If horizontal, you must find a word to fit between that number and the first shaded stop to the right; if vertical, you must fit your word between the number and the first shaded stop below.
