What else could so completely tie up traffic at noon—as the hankering for a brimming, steaming cup of good-coffee?

Riddle Community Church.—The Baptist Community Church at Riddle is putting on an unusual program for Easter Sunday. The program provides for an Easter Exercise by the children at the Sunday School hour. At the morning hour for worship the sermon theme will be, "The Dwelling Place Of The Risen Christ." In this discourse the pastor will show that Christ lives in the Holy Scriptures, in Christian history and in the experience of Christian people. The large chorist choir directed by Combs Fruit, will sing the latest and most up to date Easter music. The young people of the church and community will have charge of the program in the evening, under the direction of the pastor. At this service there will be shown the life, the death, the burial and resurrection of Jesus Christ in tableau pictures. The program will represent thirty-one Bible characters and will require thirty-six people to show the picture. These pictures will be interspersed by lecture, by story and by song.

One of the peculiarities of this program is the fact that the minister is asking every one who comes to give "31" in the offering. The offering of the day is to be used to finish the new meeting house in which the services will be held. Some will give ten dollars, and will thus enable the poor to come for less than "31" and still keep the average a dollar per head. Mr. Chappelle, the chapel car missionary, who is acting as pastor, in an effort to complete the church and raise the entire indebtedness against the building, thinks that sufficient money will be raised at the Easter services to complete the building for which he hopes to raise the money to pay the debts and dedicate the new church before the end of May. The entire public is urged to attend these meetings and give a dollar for the new church. J. D. CHAPPELLE, Minister.

STOP "NERVE" ATTACKS BEFORE HEALTH BREAKS

To many, neuritis is but a series of sharp, agonizing pains. Sometimes these pains are called neuralgia. Often they are known as rheumatism. Vaguely the sufferer knows that such pains are caused by a disordered condition of the nerves. But wise doctors shake their heads gravely over such symptoms. They know that these pains often herald the approach of very serious, and oftentimes fatal, results unless the cause of the trouble is removed and the pains stopped.

So serious is this condition of "nerves" that for years many of the world's leading scientists have devoted their time and thought to perfect a remedy for such cases. Heretofore no sure relief has resulted. An eminent physician in San

Francisco now comes forward with what has been proved a remarkable discovery. Taking as a basis the science of Homeopathy, endorsed by leading physicians and scientists all over the world, this physician has evolved a method of treatment for "nerves" that has met with amazing success in thousands of test cases and in scientific, clinical experiments.

This treatment is now available in the form of Tablets Not Only bring relief in cases of nerve pain, but they tone up the exhausted nerve cells, thereby revitalizing the entire nervous system. They are absolutely harmless and contain no narcotics, bromides or coal tar products. W. F. Chapman's Pharmacy will supply you. Mail orders filled.
