## FIRST TROOP NEWS

We held our meeting Monday evening at the regular place, the North Methodist church. There were twenty three scouts present. Since the High School P. T. A. postponed their regular meeting to Tuesday evening, April 25th, we took advantage of our opportunity to improve our work for our share of the entertainment and discussed it fully. Scoutmaster Lindtrot read the individual record of every scout. This told us the ranks of all our scouts. We then adjourned the business section of the meeting and immediately got busy on tests. These included Tenderfoot, Second Class and First Class Scout Merit Badges tests were also given. All together, there were forty two tests given throughout the meeting. In order to make this record of tests we did not take any time for games. This permitted us to go home on time.

This troop is proud of the record made at the Court of Honor Friday evening, by Scouts Eugene Love, Willie Unrath, J. V. Lohr, Russel Laughhead, Maynard Bell, Elton Jackson and George Churchill. These Scouts have all expressed themselves as exceptionally well pleased with the personnel of the Court of Honor.

Scoutmaster Lindtrot has made formal application for a five-year Veteran's badge. That badge, though but a small piece of embroidered cloth, represents a world of service rendered in that five years—ruff red.

Willie Unrath: "No, he didn't make it that strong."

Tenderfoot: "What did he say then?"  
Willie: "Put on your hat here comes a woodpecker!"

## The Second Troop And Summer Camp

During the last few days of June has nearly made us all forget all about summer camp. However, there is something good brewing (not a drink) in the air and do not be surprised if some sort of an equipment contest is arranged for soon. That will most likely be something like this: a hat to be given you of all equip-
