PROGRAM FOR MUSIC WEEK IS NOW COMPLETE

Cooperation of Nearly All Organizations of City Is Secured.

TEACHERS MEET

Reports at Luncheon Today Indicate Special Week Will Be Widely Observed Here.

That Music Week, from May 3 to May 9, will be an event of much importance in Roseburg, was assured today by the definite announcement of the program arranged by the Douglas County Chapter of the State Music Teachers' association, at the regular monthly luncheon of that group at the Orange Lantern.

Cooperation of nearly every organization in Roseburg has been given the Music Teachers' association in arranging its program including cash donations, as well as the promise of a musical program for any meeting which comes during that week. These musical attractions will all be open to the public and free of charge, the judges programs will also be open to the public, and the Music Teachers' association asks only that everyone make a special effort to attend any or all of these events, rewarding their work by their enjoyment of the excellence of the programs, and the increased appreciation of the value of music as a part of everyday life.

On Sunday, May 3, each minister has promised to touch on music in his morning sermon, and at each church the choir will give a sacred concert in the evening. Sunday afternoon the Douglas County Concert band will give an open air concert at the Court House, assisted by Mrs. Fred Strang with several vocal numbers. Monday evening, May 4, the Heintze Conservatory will sponsor one of its large year-end recitals at the Methodist Episcopal church. On Wednesday evening, May 6, there will be an innovation in recitals, when music teachers of Roseburg combine to give a recital, each teacher providing one or several numbers. This

is the first time that the public has had the opportunity of hearing a professional recital of that kind. It will be held at the Heintze Conservatory. Two other interesting attractions include the presentation of the Japanese opera, "The Japanese Girl," by Mrs. Charles A. Brand at the Heintze Conservatory, Friday evening, and a concert at Ott's music store, arranged by Mr. Ott, on Thursday evening.

On Saturday evening, May 9, one of the most successful events of last year, the hotel programs, will be duplicated again. These programs will consist of orchestra selections and solo numbers in the lobbies of the various hotels between the hours of seven and eight. The high school will observe music week by a concert on Friday afternoon at 3:15, arranged by Miss Haseltine, with the combined Glee club and the High School orchestra taking part.

In addition to these main events, the Rebekah lodge will have a musical program on Tuesday evening, the Moose on Wednesday evening the Business Women's club will give a public dance on Wednesday evening, the Eastern Star will have a program Thursday evening, the Roseburg Women's club a program Tuesday afternoon, the Kiwanis and Rotary clubs will feature music at the noon luncheons, and the Liberty and Antlers theatres will have special music each night during the week, with a talk by Mayor Houck at the Antlers theatre Sunday evening.

Guests at today's luncheon were Mrs. O. H. Watzig, a music teacher of Canyonville who will join the association, and Oela E. White, manager of the Sherman Clay piano store here. Other members in attendance were Mrs. Jessie Melvin, Mrs. L. B. Moore, Mrs. Frank Strang, Mrs. C. H. Arundel, Mrs. C. S. Heintze, Mrs. A. J. Young, Mrs. Charles E. Stanton, Miss Myrtle Bercher, Miss Leticia Sappington, Mr. C. V. Cook. Other members are, Mrs. Lucy B. Haley, W. E. Ott and Roy Wells.

PALMER HEARING IS HELD TODAY

A hearing was held today before County Judge Quine concerning the adoption of the children of Mrs. J. O. Palmer. It is proposed to put the children out for adoption, and Mrs. Palmer was called upon to appear and show cause why they should not be placed in homes. District Attorney Cordon conducted the examination and Attorney R. W. Marsters represented Mrs. Palmer, who was brought from Portland to Roseburg by Miss Pitchford, county juvenile officer. Mrs. Palmer's husband was arrested for a crime against his daughter, and was sent to the penitentiary. Mrs. Palmer was in no condition to care for the children, and was sent to the state asylum, and later to the Albertina Kerr nursery where she gave birth to her tenth child.

The court today heard about 25 witnesses, practically all of whom testified that the woman was not qualified to care for the children. It was stated that the environment was not good, and that the mother frequently was away from home for a great length of time, and that the children were left to their own care.

The home, it was stated, was dirty and poorly kept and the children not cared for in a proper manner.

OLD RESIDENT DIES SUNDAY

One of Roseburg's oldest residents, Mrs. Rachel A. Brand, passed away early Sunday morning at the home of her sister, Mrs. Elizabeth Heitz, on 802 West Lane street. Mrs. Brand had been in poor health for some time until her illness culminated in death yesterday. She was born in Warrensville, Indiana, and was 67 years old. Mrs. Brand came to this county in 1880 from Nebraska, and had since made her home in Roseburg. She was a good Christian and a woman of sterling character. She was the wife of the late Willard J. Brand, who died about twelve years ago. Surviving the deceased are a son, Frank Brand, and a sister, Mrs. Elizabeth Heitz, and a niece, Mrs. W. W. Bonbrake, besides her many friends who are greatly bereaved at her passing. Roy H. L. Caldwell will read the eulogy for the funeral, which will be held Tuesday afternoon at two o'clock in the Roseburg Undertaking chapel. Interment will be held at Odd Fellows cemetery.

WIGWAM TAVERN ENJOYS LARGE PATRONAGE

The opening of the new Wigwam Tavern at Coos Bay Junction by George Malanson, proprietor, Saturday night, was a good success about five or six hundred attendees. This tavern is one of the largest of its kind in the part of Oregon, and is of modern structure, containing dining room, seating about fifty-five, the ball room, ladies rest room, and lobby on the lower floor, and about eighteen or twenty rooms on the upper floor. Dancing was enjoyed throughout the evening, starting at 8 and continuing throughout the evening till 12 o'clock. Dinner was served in the dining room throughout the entire evening. The dance floor is one of the finest to be had, being of hardwood, and in the center of the lobby is a mounted deer, and a number of deer heads adorn the dining room. The mirrors in the ball room showing different shapes in reflection, were a source of much amusement to the crowd and added much to the novelty of the Inn. The Umpqua Melody Boys of this city furnished the music which was excellent.

VAN HINDENBURG ELECTED PRESIDENT GERMANY SUNDAY

(Continued from page 1.)

editorial comment from abroad.

PARIS, April 27.—That Von Hindenburg's election to the German presidency may prove beneficial if it opens the eyes of the world to the real sentiment of the German people was the opinion expressed today in official circles, where the result of yesterday's poll, caused no surprise.

In the same quarter, it was said that the large women's vote for the field marshal was deemed the most significant feature of the election. The men it was believed had voted for either Dr. Marx or Field Marshal Von Hindenburg in the greater part for party reasons while the women voted for the war hero, it was held probably were chiefly sentimental.

"This," said a spokesman at the foreign office, "ought to open the eyes of the world to the fact that there is no such horror of war and militarism among the German people as has been thought in certain countries."

"This lesson," he added, "ought to be mediated upon, particularly in the Anglo-Saxon countries, where there has been a marked disposition to give the German people credit for having been converted to pacifism."

Dr. Marx, it was pointed out, showed himself equally as hostile to the treaty of Versailles. His proposal that Germany annex Austria was quite as alarming to the allies as any extreme project, Von Hindenburg might have in view. The conclusion was, the spokesman said, that the success of the field marshal might turn out to be more advantageous in the long run if the logical lesson were drawn from it everywhere.

GENEVA, April 27.—Uncertainty was the dominant sentiment expressed in league of nations circles today as a result of Hindenburg's election, although it was felt that the world must await the effect upon international policy before arriving at a final judgment. The opinion was expressed that the election of the field marshal may delay German application for membership in the League of Nations and possibly make the obtaining of membership more difficult.

ROME, April 27.—The Giornale d'Italia says the election of Von Hindenburg to the German presidency is an alarming symptom of the general situation existing throughout Europe, although the Journal does not believe the election will cause serious complications in the near future as a coup d'etat in Germany under present conditions would be impossible without civil war resulting.

LONDON, April 27.—Nothing rash in the line of political action is expected of Field Marshal Von Hindenburg as president of the German republic by former Prime Minister Lloyd George.

Mr. Lloyd George is quoted as saying: "I think France has driven Germany into this mood, which is extraordinarily stupid. I do not think Hindenburg will do anything rash. On the whole he is a steady old man and I do not think he has the temperament to do rash things. His election is an indication of the renewed spirit which has arisen in Germany and is the result of the Poincare, or nationalist policy which was repudiated at the last election by a majority of the electors of France."

One officially ventured opinion was that the choice of Hindenburg as president was not expected seriously to affect German national relations, or tend possibly to make Germany's former enemies less distrustful to her.

Serious international complications, it was said, were not expected to arise.

HUMOR REPLACING THE SEX MOVIES

(Associated Press' Leased Wire.)
LOS ANGELES, April 27.—Humor has replaced sex plays and problem plays on the screen, Jesse L. Lasky, first vice-president of the Famous Players-Lasky Motion Picture Corporation told the company's convention today.

"The public," said Lasky, "has grown problem plays of all kinds into the discard" and, he added, "the next twelve months will be the greatest comedy year in the history of the motion pictures."

"By comedy I do not mean what is commonly called 'slap stick,' but fast moving stories of optimistic and humorous vein."
