After Baby Was Born

Mrs. Miles Was Miserable a Long Time—Owes Final Recovery to Lydia E. Pinkham's Vegetable Compound

Dover, Ohio.—"After my last baby was born I was up and around again, but I was sickly all the time and did not know how to get my work done. I had washed a heavy carpet and I think that was the cause of my troubles. I went to several doctors, but their medicines did not do me any good. I asked what the trouble was, for I could hardly walk and always had such pains in my left side and then in my right side. He told me I had inflammation that caused it. I had one of your text-books and was reading it, and I thought I would take Lydia E. Pinkham's Vegetable Compound. After four days of taking it I began to feel better, so I took three bottles without missing a dose. That helped me more than any other medicine I had yet taken and I always have it handy now. It surely did put me on my feet again."—Mrs. JAMES MILES, 415 Cherry Street, Dover, Ohio.

You must believe that a medicine that helps other women will help you.

Certain-teed PAINTS and VARNISHES

THE best test for any paint is the test of time and exposure—but you don't want to make this test on your house.

The Certain-teed Label on paint, assures you that these tests—not one, but many—tests of raw material—tests during manufacture—tests of the finished product—have been made for you. That is why we recommend and sell Certain-teed paint and varnish.

"How old-fashioned I must have looked" Like other men, you'll be saying that too, after a week of wearing new styles, when you look at the clothes you're wearing now. Trouble is, you're so used to the clothes you're wearing that you can't see yourself as others see you. If you could, we wouldn't have to call your attention to these new ADLER COLLEGIAN suits. \$25 to \$45 SPENCER'S A MAN'S SHOP
