**DEATH OF HORSE
BE INVESTIGATED**

(Associated Press Local Wire.)
BALTIMORE, May 4.—Private
detectives have been ordered by
Willis Sharpe Kilmer to investi-
gate the death of Sunny Man, one
of the best three year olds of the
season, which occurred at the Pin-
lico track late Saturday night after
an ailment which in the opinion of
several local veterinarians was

due to poisoning.
Sunny Man, a son of Sunbriar,
out of Romagne, after a number of
notable performances as a two
year old, was reported by trainer
J. P. Smith to have been working
speedily at Havre De Grace prior
to last Monday. The colt was de-
ficient that day and became ill
while being moved to Pinlico at
the close of the Havre De Grace
meet.

**SCHOOL PAGEANT
BY CHILDREN OF
GRADES SUCCESS**

The May Day pageant given at
the high school on Friday of last
week by the grade school children,
was a great success, and was at-
tended by a large and appreciative
audience which was delighted with
the entertainment offered by the
children under the direction of Miss
Hasetline.

The pageant depicted the Queen
of the May and her court being
entertained by Mother Goose char-
acters, and it offered a wide lat-
titude for originality in music, cos-
tumes and expression. The con-
taining was particularly good, and
the children were cleverly dressed
for the parts for which they were
selected.

The many characters to be found
in the Mother Goose Rhymes troi-
cated upon the stage before the May
Queen, Miss Elbow May Wilson,
while the choruses were sung by
the members of her court who sur-
rounded her throne.

Each juvenile actor carried off
his part in an excellent manner
and the children are deserving of
much praise for the clever manner
in which they portrayed their parts.
This is the second pageant Miss
Hasetline has arranged and pre-
sented, the first being a History of
Oregon, which was given out of
doors. These affairs are growing
in popularity and it is hoped that
they may be continued from year
to year.

**SUMMON JURY TO
PROBE OIL CASES**

WASHINGTON, May 4.—With
the summoning of a panel for the
selection of a special grand jury
today, Atlas Pomeroy and
Owen J. Roberts, special govern-
ment counsel in the oil cases, were
expected to arrive to prepare for
later appearance before the jury in
reopening alleged criminal phases
of the leasing of the naval oil ter-
ritories.

The government counsel already
have appealed from the decision of
the district supreme court a month
ago dismissing the criminal in-
dictments returned last January
against Albert B. Fall, former in-
terior secretary and Harry F. Sin-
clair, Edward L. Doheny and his
son, Edward L. Doheny, oil opera-
tors. Apparently new grand jury
proceedings have been decided on
as another recourse in the matter.
The indictments were dismissed
because of the granting of a new
grand jury room of an assistant to
the attorney general. It was said
the same list of witnesses would
be called in the new proceedings as
appeared in that which resulted
in the indictments. Additional evi-
dence was presented by the gov-
ernment counsel before a special
grand jury here last month, but it
adjourned without taking action.

**HAWAIIAN POLO
PONIES BURNED**

(Associated Press Local Wire.)
HONOLULU, May 4.—All but
one of the Hawaiian string of polo
ponies which recently returned
from play in California, were burn-
ed to death in a fire last night at
the Baldwin stables, island of
Mau. Word of the fire was re-
layed to Honolulu by Al Castle,
a member of the Hawaiian team,
who said the loss included a num-
ber of ponies recently purchased
on the Pacific coast by island
players. The Baldwin string num-
bered some of the finest mounts
available in America. Details as to
the origin of the fire were not
available here.

**PLAN TO CROSS THE
U. S. IN MOTORBOAT**

(Associated Press Local Wire.)
LOS ANGELES, May 4.—What
sixteenth century navigators fre-
quently attempted without success
—a cruise across the American
continent by boat will be undertaken
by the twentieth century motor-
boat enthusiasts, leaving here
next Friday for Astoria, Ore.
The men who hope to demon-
strate the possibility of sailing
practically all the way across the
United States are F. S. Wilton,
John E. Hoag, and Val Woodbury.
They are taking to Astoria a light
twin screw motorboat and will be-
gin their voyage up the Columbia
river May 15. Leaving the Colum-
bia about 400 miles from its mouth
they plan to navigate the Snake
river to Lewiston, Idaho. Between
that point and Livingston, Mont.,
a distance of about 250 miles, they
expect to resort to portage in order
to get over the continental di-
vise. From Livingston they will
descend the Yellowstone river to
the Missouri, thence to the Missis-
sippi and thence through the Illi-
nois river and the Illinois and
Michigan Canal to the Great
Lakes. From the Lakes they will
go on to the St. Lawrence and Rich-
mond rivers through the Rich-
mond canal into the Chesapeake and
thence through the Champlain
canal into the Hudson river, its fi-
nal lap ending at New York.

"Kindling the Heart-Fire," by Es-
telle Cook, of the University of
Minnesota will be presented by the
Junior-Senior classes of the Look-
ing Glass high school, Tuesday

Hall.

Particularly pleasing feature of

ties will join to make up a happy
evening of appeal to our deepest
and most generous emotions.

Mr. and Mrs. Tom Morgan have

ners were Lucia Rogers, 1st; Mar-
