ANNUAL SALMON BAKE TO BE HELD SUNDAY, MAY 10TH

The annual salmon bake of the Roseburg Rod and Gun Club, will be held at the gun club grounds on Sunday, May 10. Invitations have been extended to all clubs of the state to attend, and it is expected that there will be a large attendance of the outside sportsmen. Shooting will start early in the morning and will continue all day. There will be four 25-bird events, for which \$10 each will be added to the prize money. The main event of the day will be a 50-bird event with \$7 added money. There will be five events where the prize money will be split two ways, 60-40; ten events with three money prizes, 50-30 and 20 per cent, and fifteen events with the entry money split four ways, 10, 30, 20 and 40. Handicaps will give every marksman an equal opportunity, so that everyone will have an opportunity to win some of the money. The big Chinook salmon bake will be enjoyed at noon. All the sportsmen and their families are invited to attend the feast which will be absolutely free to all those attending the day's shooting program. Fishermen are now engaged in catching the salmon which will be used for this banquet, and already several fine chinooks have been put on ice ready for the big feast which will be served absolutely free by the club.

These annual salmon bakes given by the Rod and Gun Club are very popular occasions and never fail to draw heavily from Roseburg and surrounding country. The club grounds are known as being among the best for good shooting, and the local sportsmen have provided plenty of amusement at each of their events, until everyone knows that a good time is to be enjoyed. The salmon bake was started a number of years ago as a carnival attraction by the Sportsman's Club, which was then in existence, and the plan of an annual event was later adopted by the Roseburg Rod and Gun Club, which has continued the feast in recent years, each occasion being better and more elaborate than the last. This year the plans are more extensive than ever, and the committees have already arranged practically every important detail.

CHICAGO, May 6.—Advice to the weather bureau today and frost has practically wiped out the strawberry crop and also unprotected truck crops in Iowa. The bureau also had reports of freezing temperatures in Northern Michigan, Minnesota and the Dakotas with snowfalls in northern Michigan and other northern sections. Snow also fell today for a few minutes in Northern Illinois cities, including Chicago. The temperature here stood at 49 degrees as the snow ceased.

The seriousness of the frost damage in Iowa, indicated that that state was the heaviest loser of all the middlewestern states visited recently by frost, according to the weather bureau. The frost virtually blanketed Iowa last night and was also reported from Eastern Nebraska, Northern Kansas as far south as Columbia, in Missouri and in sections of Indiana. In Indiana the frost was light in some of the central and northern points while it was reported as killing at Bloomington. Springfield was the only Illinois city to report frost.

EFFORTS TO RAISE AUTO FROM RIVER ARE SUCCESSFUL
The automobile belonging to Frank Thompson and which was stolen Sunday night, was raised today from the South Umpqua near Myrtle Creek where it was wrecked by Myron Hensley an escapee from the reformatory at Chehalis, Wash. The car was in nearly 30 feet of water, and it was a very difficult task to bring it to the bank. It was found to be wrecked so badly that it has little salvage value. Hensley was traveling at high speed, thinking that he was being pursued, when he struck the temporary road around the slide near Myrtle Creek. The car left the road and went into water which is quite deep at that point.

MISSOULA, Mont., May 6.—No trace has been found of the Sheriff's office reported today of Joseph Tanko and Floyd Hall, escaped convicts from San Quentin prison, California, where they were serving terms for murder. Two men answering the official description of Tanko and Hall were reported to have boarded a train for Missoula at Wallace, Idaho, yesterday.

POOL FARM FOLKS CAN'T HAVE AUTOS.
FRANK THOMPSON'S WIFE'S BODYWORN COLUMBUS, Ohio, May 6. Inmates of Franklin county poor house may not have automobiles, it was ruled today by the county authorities. The ruling resulted from the case of W. F. Crawford, 69, who recently was ordered admitted to the institution. When he arrived there yesterday in his auto, Superintendent Bahitt advised him that he would have to sell his car and apply the proceeds upon his board and lodgings. This Crawford refused to do, appealing to the board of county commissioners. The latter were obdurate also, so Crawford withdrew his patronage from the infirmary.

NURSE Thompson
C. R. Thompson arrived here last night from Portland and will spend a few days on business. Mr. Thompson is looking over the hill and the Myrtle Creek districts today, and will buy berries for commercial purposes.

POSSE OF FIFTY CONTINUE SEARCH FOR TWO CONVICTS

COLFAX, Cal., May 6.—A posse of fifty men continued the search in this vicinity today for two bandit believers named to be Joe Tanko and Floyd Hall, murderers who escaped from San Quentin prison. Officers expressed their firm belief that the two men who robbed and commanded a United States mail truck yesterday, were the convicts who since their escape are said to have killed a merchant in Sacramento and shot a policeman there a few days later.

MISSOULA, Mont., May 6.—No trace has been found of the Sheriff's office reported today of Joseph Tanko and Floyd Hall, escaped convicts from San Quentin prison, California, where they were serving terms for murder. Two men answering the official description of Tanko and Hall were reported to have boarded a train for Missoula at Wallace, Idaho, yesterday.

MAYOR HOUCK URGES THOROUGH CLEAN-UP

"Clean-up week should not only be a time for collecting and disposing of all accumulated trash and rubbish," Mayor George E. Houck said today, "but residents of the city should also make a special effort to clean-up their yards and grounds. It is the desire of the city council in initiating a city clean-up, to have the city put in as attractive condition as possible for the strawberry carnival. "All rubbish which can be burned should be collected and destroyed by that method. Cans, trash, and refuse which cannot be burned should be placed in sacks and boxes, and placed out before the evening of Tuesday, May 12. After that time the city will have teams and trucks at work for the rest of the week hauling away the refuse which is placed out in accordance with the rules. "We hope that residents will cooperate in this movement by cutting tall grass, cleaning up unsightly places in their yards, and doing any other work about their homes which will add to the appearance of the city. There will be many visitors in Roseburg and we want them to have a good impression of the city and to carry away a remembrance of a clean town."
