

# Do you know why the "life" of even a good mattress is so short?

A mattress may contain the very best materials but due to the basic construction within a year or so it begins to lose its resiliency, to sag and stretch.

The Edlow-Spring is the first great improvement in mattress manufacture for many, many years. It's a flexible, piano-wire spring. To test its long life and continued resiliency one was collapsed 800,000 times.

Edlow-Spring construction is built between many layers of snow-white, felted, staple cotton and interlaced, curled hair.

Guaranteed not to sag, stretch or lose its resiliency for 20 years. Costs less than 1 cent a night.

Come in when next you are down town. We will be glad to show the Edlow-Spring mattress to you.

The most enthralling crook drama ever filmed! Trembling with tension! Swinging from climax to climax with a relentless, melodramatic surge! The story of a beautiful little bobbed-hair bandit who "went straight," and how she helped the man who befriended her!

A smashing picture that weaves in adroitly color, brilliance and distinction of high New York color, and tells at the same time the tale of humanity in the underworld!

### HON. RINGER HERMANN SUBJECT OF INTERESTING ARTICLE IN OREGONIAN

A very interesting article appears in today's Oregonian concerning Hon. Ringer Hermann of this city. Stephen J. Chadwick, and M. F. Goss, ex-chief justices of the supreme court of the state of Washington, and Fred Wilson, Circuit Judge of Wasco county, who visited in Roseburg over Sunday at Mr. Hermann's home, and with Judge Hamilton, gave a brief account of their talk with Mr. Hermann. At the age of 82 years he forms a link between the past and present Judge Wilson says, and is a source of much interesting and important history concerning the early development of the state.

### Are You Weak and Nervous? No Appetite? Cough?

### This Woman Tells Her Experience

Tacoma, Wash.—"Dr. Pierce's Favorite Prescription and Golden Medical Discovery were recommended to me when I was in a weakened condition. I was suffering from feminine weaknesses and had a bad cough. I got so weak and ill that I could not do my work. I lost flesh and had no desire for food. The 'Favorite Prescription' and the 'Golden Medical Discovery' acted upon my entire system in such a way that I began to mend and was soon on my feet again. 'I never thought there was a medicine in the world that could make such a sick woman as I was strong and healthy again. I think it only right everyone should know what the 'Prescription' and 'Discovery' have done for me."—Mrs. Bessie B. Ronald, 3726 East G St. All druggists. Tablets or liquid.
