of said street twenty feet in width with reinforced concrete pavement. Third: By constructing sub-drains, if necessary; Fourth: By constructing street monuments; Fifth: By laying vitrified sewer pipe, if necessary; Sixth: By constructing catch basins, if necessary; Seventh: By constructing concrete curbs.

Said improvements are to be made in accordance with the Charter and Ordinances of the City of Roseburg, Oregon, and the grade, plans, specifications and estimates of the City Engineer, filed in the office of the City Recorder on the 4th day of May, 1925, which said grade, plans, specifications and estimates are hereby approved and adopted.

The entire cost of said improvement, including engineering, interest and all other expenses which the City of Roseburg would not have incurred except for the making of said improvement, shall be assessed upon the property especially benefited thereby, as provided by the Charter of the City of Roseburg, Oregon, and in accordance with the petition of the property owners to be benefited thereby, and no part thereof shall be paid by the City of Roseburg.

The estimate of the City Engineer of the probable detailed cost of said improvement is the sum of \$6,521.11.

RESOLVED, that the City Recorder of the City of Roseburg, Oregon, be and he is hereby directed to give notice of said improvement as provided by the Charter of said City.

Remonstrances against said proposed improvement must be filed in writing with the undersigned within twenty days from the first publication of this notice which is the 7th day of May, 1925.

R. L. WHIPPLE, City Recorder of the City of Roseburg, Oregon.

NOTICE OF INTENTION TO IMPROVE EAST FIRST AVENUE NORTH.

NOTICE IS HEREBY GIVEN, that at a meeting of the Common Council of the City of Roseburg, Oregon, held on the 4th day of May, 1925, the following resolution was adopted:

RESOLVED that the Common Council of the City of Roseburg deems it expedient and necessary and hereby proposes to improve East First Avenue North from the east line of East Third Street to the west line of East Fourth Street in the City of Roseburg, Oregon, in the following manner:

First: By grading said street to the proper sub-grade.

Second: By paving the roadway of said street twenty-four feet in width with reinforced concrete pavement.

Third: By constructing sub-drains, if necessary.

Fourth: By constructing street monuments.

Fifth: By laying vitrified sewer pipe, if necessary.

Sixth: By constructing catch basins, if necessary.

Seventh: By constructing concrete curbs.

Said improvements are to be made in accordance with the Charter and Ordinances of the City of Roseburg, Oregon, and the grade, plans, specifications and estimates of the City Engineer, filed in the office of the City Recorder on the 4th day of May, 1925, which said grade, plans, specifications and estimates are hereby approved and adopted.

The entire cost of said improvement, including engineering, interest and all other expenses which the City of Roseburg would not have incurred except for the making of said improvement, shall be assessed upon the property especially benefited thereby, as provided by the Charter of the City of Roseburg, Oregon, and in accordance with the petition of the property owners to be benefited thereby, and no part thereof shall be paid by the City of Roseburg.

The estimate of the City Engineer of the probable detailed cost of said improvement is the sum of \$2,567.75.

RESOLVED that the City Recorder of the City of Roseburg, Oregon, be and he is hereby directed to give notice of said improvement as provided by the Charter of said City.

Remonstrances against said proposed improvement must be filed in writing with the undersigned within twenty days from the first publication of this notice which is the 7th day of May, 1925.

R. L. WHIPPLE, City Recorder of the City of Roseburg, Oregon.

NOTICE OF INTENTION TO IMPROVE SYKES STREET

NOTICE IS HEREBY GIVEN, that at a meeting of the Common Council of the City of Roseburg, Oregon, held on the 4th day of May, 1925, the following resolution was adopted:

RESOLVED that the Common Council of the City of Roseburg deems it expedient and necessary and hereby proposes to improve Sykes Street from the west line of Mill Street to the east line of Short Street, in the City of Roseburg, Oregon, in the following manner:

First: By grading said street to the proper sub-grade.

Second: By paving the roadway of said street twenty-four feet in width with reinforced concrete pavement.

Third: By constructing sub-drains, if necessary.

Fourth: By constructing street monuments.

Fifth: By laying vitrified sewer pipe, if necessary.

Sixth: By constructing catch basins, if necessary.

Seventh: By constructing concrete curbs.

Said improvements are to be made in accordance with the Charter and Ordinances of the City of Roseburg, Oregon, and the grade, plans, specifications and estimates of the City Engineer, filed in the office of the City Recorder on the 4th day of May, 1925, which said grade, plans, specifications and estimates are hereby approved and adopted.

The entire cost of said improvement, including engineering, interest and all other expenses which the City of Roseburg would not have incurred except for the making of said improvement, shall be assessed upon the property especially benefited thereby, as provided by the Charter of the City of Roseburg, Oregon, and in accordance with the petition of the property owners to be benefited thereby, and no part thereof shall be paid by the City of Roseburg.

The estimate of the City Engineer of the probable detailed cost of said improvement is the sum of \$2,567.75.

No Increase in the Price of Firestone

Full-Size Gum-Dipped Balloons. The extra quality built in by the extra process of Gum-Dipping, the economy of these wonderful tires and the added mileage obtained from them during the past two years, has created such a large demand that over 75% of Firestone's mammoth production is now Balloon Gum-Dipped Cords.

This has greatly increased the total sales volume and the huge Firestone factories are now working on a 24-hour schedule to supply the demand.

This large volume, produced under the most economical tire manufacturing methods, permits Firestone to sell these extra-process Full-Size Balloons at no extra cost to car owners. And this in the face of greatly advanced cost for crude rubber brought about by the operation of the British Rubber Restriction Act.

Gum-Dipping means longer mileage—greater economy—at no extra cost to you!

Enjoy the safety, economy and comfort of Balloon Gum-Dipped Cords this summer. Let us equip your car now at low cost—with liberal allowance for your old tires.

the very mild Frye cure perfects natural quality. The natural quality that is the result of using only the choicest young, grain-fed porkers in the preparation of Frye's "Delicious" Hams and Bacon is perfected by the very mild curing process which keeps in every ounce of natural goodness, adds an unusual piquancy and makes par-boiling unnecessary.

These sweet flavory products come to you FRESH from the great Frye Establishment with the least possible delay—one more reason why you should ask at grocery or market for Frye's "Delicious" Brand.

DELICIOUS BRAND hams bacon. "Everything The Name Implies"

NOTICE TO EXTERMINATE GROUND SQUIRRELS AND OTHER NOXIOUS RODENTS WITHIN SPECIAL RODENT DISTRICT.

Notice is hereby given that the County Court of Douglas County, Oregon, has, by order duly made and entered, declared the following described area, to-wit:

Beginning at the Northeast corner of Section 25 in Township 25 South, Range 3, West of the Willamette Meridian, running thence South along section lines 10 miles to the Southeast corner of Section 12 in Township 27 South, Range 3 West; thence West along section lines 12 miles to the Southwest corner of section 7 in Township 27 South, Range 4 West; thence North along section lines 2 miles to the Northwest corner of Section 20 in Township 25 South, Range 3 West; thence East along section lines 5 miles to the place of beginning.

To be a special rodent and predatory animal district, and every person, firm, co-partnership, company and corporation owning, leasing, occupying, possessing or having charge of or dominion over any land, place, building, structure, wharf, pier or dock within said area, which is infested with ground squirrels or other noxious rodents must at once or as soon as the presence of said ground squirrels or noxious rodents shall come to his, their or its knowledge, and in any event, not later than thirty days from the first publication of this notice, which is May 14, 1925, proceed and continue in good faith to exterminate and destroy such rodents by poisoning, trapping or other appropriate and effective means.

The following poison for the extermination and destruction of such ground squirrels is hereby recommended, to-wit: Strychnine (Alkaloid) used on either barley or wheat (barley preferred), mixed according to the following formula and manner, to-wit:

Barley, clean grain 16 quarts; Strychnine (Alkaloid) 1 ounce; Bicarbonate of soda (baking soda) 1 ounce, this starch paste 3-4 pint; heavy corn syrup 1-4 pint, Glycerine 1 tablespoonful; Saccharine 1-10 ounce.

Mix thoroughly the 1 ounce of powdered strychnine (Alkaloid) and 1 ounce common baking soda. Sift this into 3-4 pint of thin hot paste and stir to a smooth creamy mass. (The starch paste is made by dissolving 1 heaping tablespoonful of dry glass starch in a little cold water, which is then added to 3-4 pint of boiling water. Boil and stir constantly until a clear thin paste is formed.) Add 1-4 pint heavy corn syrup and 1 tablespoonful of glycerine and stir thoroughly. Add 1-10 ounce of saccharine and stir thoroughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated.

From March 1st until May 31st will be the most effective time to poison and destroy the digger squirrels as they have recently emerged from their hibernation, and will take the bait readily.

The County Agent, cooperating with the County Court, has a quantity of the poison bait prepared and same is now on sale to the farmers or persons interested at actual cost, and this bait may be had by applying at his office in the Federal Building, Roseburg, Oregon, or at other points in each community.

If any of the persons mentioned in paragraph 1 hereof shall within thirty days from the first publication of this notice, fail to begin, in good faith, to exterminate, eradicate and destroy as aforesaid or by any other effective means, any ground squirrels or other noxious

rodents, the County Court of Douglas County, Oregon, will appoint a person or persons to proceed with the extermination and eradication of such rodents upon the land or place as aforesaid, and the costs thereof will be assessed to such land. This Notice is published pursuant to Chapter 5, General Laws of Oregon, 1925. Dated and first published this 14th day of May, 1925. R. W. COONEY, County Agent of Douglas County, Oregon.

NOTICE OF INTENTION TO IMPROVE SHORT STREET

NOTICE IS HEREBY GIVEN, that at a meeting of the Common Council of the City of Roseburg, Oregon, held on the 4th day of May, 1925, the following resolution was adopted:

RESOLVED that the Common Council of the City of Roseburg deems it expedient and necessary and hereby proposes to improve Short Street from the north line of Sykes Street to the south line of Spring Street, in the City of Roseburg, Oregon, in the following manner:

First: By grading said street to the proper sub-grade.

Second: By paving the roadway of said street twenty-four feet in width with reinforced concrete pavement.

Third: By constructing sub-drains, if necessary.

Fourth: By constructing street monuments.

Fifth: By laying vitrified sewer pipe, if necessary.

Sixth: By constructing catch basins, if necessary.

Seventh: By constructing concrete curbs.

Said improvements are to be made in accordance with the Charter and Ordinances of the City of Roseburg, Oregon, and the grade, plans, specifications and estimates of the City Engineer, filed in the office of the City Recorder on the 4th day of May, 1925, which said grade, plans, specifications and estimates are hereby approved and adopted.

The entire cost of said improvement, including engineering, interest and all other expenses which the City of Roseburg would not have incurred except for the making of said improvement, shall be assessed upon the property especially benefited thereby, as provided by the Charter of the City of Roseburg, Oregon, and in accordance with the petition of the property owners to be benefited thereby, and no part thereof shall be paid by the City of Roseburg.

The estimate of the City Engineer of the probable detailed cost of said improvement is the sum of \$2,598.97.

RESOLVED, that the City Recorder of the City of Roseburg, Oregon, be and he is hereby directed to give notice of said improvement as provided by the Charter of said City.

Remonstrances against said proposed improvement must be filed in writing with the undersigned within twenty days from the first publication of this notice which is the 7th day of May, 1925.

R. L. WHIPPLE, City Recorder of the City of Roseburg, Oregon.

NOTICE OF INTENTION TO IMPROVE SECOND AVENUE NORTH.

NOTICE IS HEREBY GIVEN, that at a meeting of the Common Council of the City of Roseburg, Oregon, held on the 4th day of May, 1925, the following resolution was adopted:

RESOLVED that the Common Council of the City of Roseburg deems it expedient and necessary and hereby proposes to improve Second Avenue North from the east line of West First Street to the east line of East Third Street, in the City of Roseburg, Oregon, in the following manner:

First: By grading said street to the proper sub-grade.

Second: By paving the roadway

of said street twenty feet in width with reinforced concrete pavement.

Third: By constructing sub-drains, if necessary.

Fourth: By constructing street monuments.

Fifth: By laying vitrified sewer pipe, if necessary.

Sixth: By constructing catch basins, if necessary.

Seventh: By constructing concrete curbs.

Said improvements are to be made in accordance with the Charter and Ordinances of the City of Roseburg, Oregon, and the grade, plans, specifications and estimates of the City Engineer, filed in the office of the City Recorder on the 4th day of May, 1925, which said grade, plans, specifications and estimates are hereby approved and adopted.

The entire cost of said improvement, including engineering, interest and all other expenses which the City of Roseburg would not have incurred except for the making of said improvement, shall be assessed upon the property especially benefited thereby, as provided by the Charter of the City of Roseburg, Oregon, and in accordance with the petition of the property owners to be benefited thereby, and no part thereof shall be paid by the City of Roseburg.
