TWILIGHT LEAGUE
TO START TONIGHT

The opening game of the twilight baseball league will be held at Laurelwood field this evening, starting promptly at 6:15 o'clock. The game is to be played between the teams representing Umpqua Post of the American Legion, and the combined Baptist-DeMolay team. An admission price of 15 cents will be charged for adults. The league following the start tonight, will play regularly each Monday and Tuesday and Thursday and Friday. It is hoped that businessmen of the city will become sufficiently interested in the work of the league, that the business houses can be closed at 5:30 instead of 6 p. m., allowing the games to start earlier. Tomorrow's game will be played between the Christian Church and Odd Fellows team.

MELROSE GLEANINGS.

The joke was certainly on the reporter last week. She can't take the blame herself, but don't know where to place it unless there was a greenhorn on the staff.

If the pupils from all of the schools that attended the Agricultural classes demonstration at the Melrose school, carried home as good reports as those from Melrose, the High School students can't feel amply repaid for their efforts. Yes, neighbor it is a foregone conclusion that Melrose will have a good crop of anything we raise.

The annual meeting of the Cemetery Association was not as well attended as it should have been, but a few were there and some work was done in the cemetery after the business meeting adjourned.

The P. T. A. met Wednesday evening with a splendid attendance. After the business meeting the Declamation Contest was held and four of the higher and twelve of the lower grade pupils competed. All of the children did well and the judges say the contest was close. John Bursak was given first place of the boys of the higher grades and Joyce Busebark first of the girls. Imrie Conn took first and Bennie Daniels second of the lower grades with Theresa Conn first and Catherine Mathews second of the girls. Songs were also sung by the children. The president of the school board, T. B. Busebark presented sixteen children with perfect attendance certificates. We are very proud of our attendance record and wonder if any school in the county can beat us. Figured on a percentage basis the lowest attendance for any week in the term was ninety five per cent and in punctuality 93 per cent was the lowest. These are the figures of the higher room. The lower room has not been figured yet, but is good in both attendance and punctuality.

Mrs. Oscar Hanson, who has been very sick since Wednesday was taken to the hospital in Roseburg Thursday. Latest reports are that she is improving.

Mrs. T. B. Busebark has also been sick the past week, but is much improved at present.

Mrs. John Busebark, Sr., who has been sick for the past few weeks was taken worse on Sunday of last week and is but little better.

Mr. and Mrs. Henry Landers, Mr. and Mrs. George Winston and Ivan Landers of Green visited our Grange on the last meeting night.

The M. P. Club will meet at the Grange Hall on Thursday, May 14. Mrs. C. E. Fredericksen will be hostess.

Our Scoutmaster, Wm. Sandstrom reports the boys full of pep and interest in their activities. As the executive of the Roseburg Scouts was detained on the night set for the tests and could not meet the boys, the test will come later.

Allen Busebark and Joel Penn of this vicinity were among the boys of the Agricultural classes of the Roseburg High School to visit the O. A. C. in Corvallis on Friday and Saturday. They report a pleasant and profitable trip.

The "Community Day" at the school house was a very enjoyable affair, the majority of the patrons being present. The men did good work and the ladies served a good dinner. School was dismissed at noon, giving the children a half holiday. The driveway on the grounds was made ready for the gravel, stumps were removed and other improvements made.

Say don't you all forget that "Night in Dixie", who's comin' to de Grange Hall on de ebenin' of May 16. De colored folks all be dar, an' wan's all de white folks in de bar too.

The rain Sunday was certainly a good thing for the gardens and altho it laid some of the hay flat, it will help the other crops enough to more than counteract the damage done the hay.

ROTARY MEMBERS LISTEN GOOD TALK

Rotary members had the privilege today noon to listen to an excellent talk by Dr. McCulloch, pastor of the local Presbyterian church on "Fellowship of Man." The speaker held the closest attention of the members during his discourse, linking up his subject with the spirit of Rotary and portraying the advantages to be derived by a will to do unto others as you would they should do unto you, thereby exemplifying the true spirit of brotherly love.

President Henry Booth called on the chairman of each committee for a report on their activities and the work assigned them for the coming year. All reported progress and the willingness shown to carry on their particular part of the program insures a most successful year for Rotary.

The good fellowship committee, consisting of Foster Butler, Jimmie Hatchings, Bill Weaver, O. C. Baker and Ole Johnson were on the job in fine style today, pinning a rose on the lapel of each member and guest as they entered the dining room and otherwise making the occasion happy and enjoyable for all concerned.

President Henry Booth announced just before the gathering adjourned that he would offer an engraved watch to the member who,

BABE'S BODY GIVES LIE TO CHARGE OF CRUEL TREATMENT

(Associated Press Leased Wire.)
NEW YORK, May 14.—Charges that Agnes Toohay, 18-months old, was held by the heels and dashed against a wall at a baby hospital conducted by Mrs. Helen Geisen-Volk, have collapsed as a result of an autopsy which followed exhumation of the body. The attack occurred the day before the child died, according to uncorroborated testimony of a nurse, but no signs of physical injury were found on the body yesterday.

The autopsy is yet to be performed on the body of William Winter, one month old, who also died at the baby home and whose body also has been exhumed.

Mrs. Geisen-Volk is under arrest on a charge of baby substitution and violation of health code.

Health department records have disclosed that forty-four babies died at the two establishments maintained by her since January 1, 1918.

Dr. Otto H. Schultz, medical expert, notified the district attorney today after an autopsy that a fractured skull caused the death of William Winter, one month old infant who had been placed in the East 86th Street "baby farm" of Mrs. Geisen-Volk.

The death certificate gave heart failure as the cause of the death of the Winter baby, assistant District Attorney Ryan said.

Mrs. Geisen-Volk pleaded not guilty when arraigned on a charge of unlawfully boarding more than the number provided for in her health department permit. She was continued at \$1,000 bail on this charge and the trial was set for May 28. Her bail on the other charge, that of substituting babies placed in her care, previously was set at \$25,000.

DRIVE AGAINST BOOZE RUNNERS GOES TO BORDER
(Continued from page 1.)

The coast guard will make skillful seamen out of the run-runners. The so-called successful bottling up of Rum Row is nothing less than a farce.

(Associated Press Leased Wire.)
SAN PEDRO, Cal., May 14.—Two steamers, dropped anchor off the north end of Santa Catalina Island about 40 miles at sea from this port today.

Lookouts who reported their arrival from the north placed them tentatively in the category of "rum runners", come to join the Southern California whiskey row, as Santa Catalina Island is not a port for ocean going craft.
