Engineer Tests Alvita For Kidney Trouble

"I have been troubled for several years with bladder inflammation and when I sent for Alvita was unable to work and did not know if I ever would run an engine again. I could not stay in bed nights, as I was worse lying down than at any other time. I have been up 25 to 30 times in six to eight hours. Forty-eight hours after I began taking Alvita tablets, I was almost normal and in four days went to work, and at present feel perfectly well. I don't know what to say; in fact, cannot tell how I appreciate the benefit I have derived from the use of Alvita. I have given away some to other men that are affected."

(Signed) W. F. OLEWINE. Alvita tablets are scientifically prepared from the wonderful alfalfa plant, which through its long root absorbs the vital elements—lime, iron and phosphates—necessary to health and vigor. Alvita has proved especially beneficial in overcoming kidney, bladder and prostate trouble. No matter what you have tried, try this remedy of Nature now. A dollar buys a box. W. F. Theatres LIBERTY THEATRE

"When Douglas Fairbanks filmed 'The Three Musketeers', he fulfilled the ambition of his life. Undoubtedly no vehicle is so typically Fairbanksian or offers so fine an opportunity to play upon the entire gamut of things histrionic as does this, his sixth United Artists Production. The film version of 'The Three Musketeers' is based not only upon the famous novel of Alexander Dumas, but also upon the memoirs of D'Artagnan himself. In fact, much of the material upon which the 'business' of the photoplay is built, much that gives it the human touch, was

Almost Touched Bottom

"The past 4 years I have been going down, down, down with catarrh of the stomach and had to give up work a year ago because of my weakened condition. I suffered terribly from indigestion and colic attacks. Mayr's Wonderful Remedy was recommended to me. I took a course of it and am now feeling fine." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. — At all Drugists.

BRYAN JEERED AND HISSED BY COLLEGE CROWD

(Continued on page 5.) The meeting adjourned. "There was no hissing and no booing at least not that reached my ears. I answered that question," he added, "very fully by presenting the Christian ideal as one that had the endorsement of 19 centuries and was higher than the evolutionary ideal or than any individual ideal. I also took pains to point out what the effect of the revolutionary ideal is. I devoted quite a while to answering that young man's question and only turned the audience over to him after he proceeded to present his own views instead of asking questions."
