### TWILIGHT LEAGUE STARTS WITH GOOD 6-2 BALL GAME

The Twilight League opened its season last night with a rattling good five-inning game between the teams representing the American Legion and the Baptist-DeMolay. The Legion men showed up very well, and with Maddox on the mound and Reibel behind the bat only a few of the players on the combination team reached first base. Maddox had a bad time in the fourth inning, and the boys pushed over their two runs in that frame. Good support, however, pulled him out of a hole, and in the final inning the attempted rally was nipped in the bud. Beckley, pitching for the combination team, was inclined to be wild, but pitched a good game otherwise. The game tonight will be played between the Christian and Odd Fellows teams.
