This Pretty Girl Defies Age By Using Ordinary Buttermilk to Beautify Her Complexion

Tells Druggists Not to Take Anyone's Money Unless This Delightful New Vanishing Cream Quickly Shows a Decided Improvement.

Buttermilk Cream creates beauty almost like magic. The most wonderful thing about it is the fact that whilst it turns the dullest, most lifeless complexion to radiant beauty and makes red or rough hands or arms snowy white, yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles; puffiness around the eyes, freckles, crows feet or lines around the mouth, ugly finger nails or just a simple roughness of the face hands or arms caused by wind or sun, you will find that any or all of these troubles will quickly disappear with the use of Howard's Buttermilk Cream.

To prove this to your complete satisfaction, get a small quantity today at your favorite toilet goods counter with the understanding that they will freely return the purchase money should you be dissatisfied.

Beautiful actresses say, "A short massage with Howard's Buttermilk Cream at night before retiring is all that is necessary." All druggists.

TRANSFER AND STORAGE CO.

PHONE 220

Effective June 6th, 1925—authorized by the State Commission May 6th, 1925—Schedule D.

Domestic Combination Cooking and Water Heating Rate

First 500 cubic feet of gas or less per month $2.50

All after at the rate of 10c per 100 cubic feet or $1.00 per 1000 cubic feet

This rate is optional to any and all consumers of the Southern Oregon Gas Company and to the public in general.

The Southern Oregon Gas Company in applying for this schedule to the State Commission desired to place gas as a general cooking medium within reach of everyone in Roseburg.

This rate when used in connection with the new Vulcan gas ranges will place at your disposal the best and most desirable medium for Cooking and Hot Water obtainable. It is to your interest to thoroughly investigate the possibilities of this new rate.

Call or phone the Southern Oregon Gas Company office. We are at your service. Phone 235.

BOY SCOUT NEWS

Troop One News

Monday evening Troop One held its meeting at the site of its model camp. We spend most of the evening working on the camp. Everyone worked until it go too dark and the result was that it was nearly finished, the putting up of the tents and general cleaning up of the camp being the only things left undone.

Later we held a short meeting and discussed the carnival and our duties of ticket taking. Nearly all scouts of this troop were present, when it started to rain again we adjourned.

We had a number of scouts at the Court of Honor, Friday evening and we are glad to say that they all passed. Russell Laughead received his Eagle Badge and Scoutmaster received his Five-year Veteran's badge. There was an Eagle badge on hand for Maynard Bell but it was necessary for him to be absent so it was given to him later. Both Eagles are happy now.

Howard Minturn, Troop Reporter.

Troop Two News

Guess the carnival has the best of the reporter this week or, if he has his news prepared he is scared to come near the headquarters office—he broke the key in the lock and the gang had to wait out in the rain until the Ex. chased home for another key.

All the scouts from troop two who reported to the Court of Honor last Friday evening passed their tests. Harold Thomas, who was to have appeared for three Merit Badge tests and Daniel Barnett, for Second Class test did not show up. We will look for them next month.

This troop is turning out for duty in the carnival with a will. All scouts say they "know their berries" and will "do their stuff."

Fourth Troop

Until such a time as a Scoutmaster can be procured for this troop, which is sponsored by the Presbyterian church, the executive will help the boys out by instructing them and preparing them to help out the scoutmaster when they do get one. There is plenty of room for more boys in this troop. There is a splendid opportunity for boys to get in and make leaders of themselves in a short time.

To Second Class scouts of other troops:—If you enlist a boy and train him as a tender foot, you will get credit for it in your First Class test regardless of what troop he may join. Here is a chance for you to fill up Troop four.

Yoncalla Troop News

Our troop meeting was held last Saturday night at the home of our Scoutmaster, Dr. Durham. The meeting was called to order at seven o'clock. Because of considerable sickness of members of this troop there were only eight present.

Three of our number have passed the Tenderfoot test and expect to be sporting the badges within a couple of days. These three will now give their attention toward getting all the other boys through the Tenderfoot as well as to prepare for the Second Class test.

All of our members have had the study of Our Flag and have been rehearsed on all the Tenderfoot knots. This Saturday evening we will take up the Oath and Scout Laws.

During the meeting we played a few games and listened to a couple of stories by our Scoutmaster and adjourned.

J. Robert Benton, Scribe.

Drain Scout News

No news is good news—we take it that Drain is on the job and going strong.

Sutherlin Troop News

Just as soon as members of Mr. Quick's family are over a recent operation a meeting of Sutherlin boys will be called by him for the purpose of organization. He states that a number of the boys have been inquiring regarding the troop and are anxious to get going. He also states that some Oakland boys are desirous of joining the Sutherlin troop. It is too bad Oakland does not get busy on one too.

The Sutherlin boys were registered as a troop once but for lack of a permanent Scoutmaster had to discontinue meetings.

Reedsport Troop

Some of the Reedsport scouts are ready for the Second Class test. A Court of Honor will be organized here soon and the awards given to those deserving them. Because of the very bad roads the Roseburg boys have been unable to pay us a visit but as soon as the roads get good, we will look for them. Maybe since school will be out by that time, they can stay longer.

The executive will be here for our meeting on Thursday evening, May 28th. Wonder will there be any more initiations. Let's do our stuff and be ready for him.

The Eighth Scout Law.

A Scout is Cheerful—He smiles whenever he can. His obedience to orders is prompt and cheery. He never shirks nor grumbles at hardships.

The Scout Motto.

Among the first things a boy must know to become a scout are the scout law, salute, sign, oath, motto, and significance of the badge.

The motto of the boy scout is "Be Prepared," and the badge of the boy scouts is a copyrighted design with this motto, "Be Prepared," on a scroll at its base.

The motto, "Be Prepared," means that the scout is always in a state of readiness in mind and body to do his duty; to be prepared in mind by having disciplined himself to be obedient, and also by having thought out beforehand any accident or situation that might occur, so that he may know the right thing to do at the right moment and be willing to do it; to be prepared in body, by making himself strong and active and able to do the right thing at the right moment, and then to do it.

Carnival Duty and the School.

Some of you scouts are so anxious to do your bit for the Umpqua Chiefs that you are grumbling a little over the fact that school will keep all day Thursday. Well, fellows, it is like this: Do you ever kick because your are out on three strikes instead of five? The school rule is a rule just the same as a baseball rule is a rule and according to your seventh law you obey rules. The Chiefs are not asking that you stay out of school (when you are supposed not to) and they do not intend to give you anything to do during school hours if you should stay out. Well, we are not worrying much about scouts staying out, you will be at school.

We understand from all who have signed up for duty that you have your parents' consent. Is that right? If not get it or report that you cannot serve.

It may be that there are things which are objectionable at the carnival, if there are, practice Scouting and do the right thing, thereby setting the proper example for boys who are not scouts.

Rally at Eugene.

The Eugene Scouts will hold a rally on Tuesday afternoon, June 2. If we receive an invitation to compete in that event there will be transportation for one patrol from each troop there and back. They will include in their program a water-boiling contest, first-aid relay, knot tying race, horse and rider race, signalling contest and a wall scaling contest. We are pretty good in all except the water boiling contest. Let's work that up.

If we are not invited to compete, it may be that an auto load or two can go to observe.

Four Year Scholarships for Scouts.

Good work done in the troop is being increasingly recognized by the offering of scholarships to scouts. The latest thing of this kind is reported from South Bend, Indiana. The late president of the South Bend Council, F. A. Bryan, bequeathed $40,000.00 to be known as the Bryan Collegiate fund, the income to be applied to four annual scholarships open to boys who were Boy Scouts during their Junior and Senior years at the South Bend high school. The fund becomes available in 1926.

There are several different people and institutions offering these scholarships to scouts. Right here in our own Region Eleven, Whitman College, Walla Walla, Wash., awards a four-year scholarship to scouts of First Class rank, selected on a competitive basis from Oregon, Washington, Idaho and Montana. More information on the Whitman College scholarship will be published soon.

Use for Troop Committeemen

A good idea is given out in "Scouting," a magazine for Scout leaders regarding making special use of the troop committeemen. It is this. Each patrol go after and "get" one of your troop committeemen to "father" your patrol. This would not only give you someone to take all your problems to but it would enable the man himself to better advise with your scoutmaster. The idea sounds good, get your man.

Automatic wind-shield wipers $4 installed. Stephens Auto Company, 323 N. Main.
