THE QUIET GIRL

A young woman who has had experiences in business positions in several cities, expresses some dissatisfaction with the kind of girl to whom the average man seems to be attracted, according to her point of view.

It is no small job to manifest a sophisticated familiarity with the latest pet expressions of the advanced element. Even the college students, who are supposed to originate many weird sayings, often have to confess themselves ignorant of some new eccentricity that has come up from the back side of nowhere.

One of the principal automobile dangers is that of accidents due to collision of cars at intersecting streets. Some drivers keep their eyes so firmly fixed on the track ahead of them, that they rarely turn a glance to the intersecting streets.

The hanging at Salem today was reported the most gruesome ever witnessed at the penitentiary. It was no more horrible than the crime for which penalty was administered.

The fellow with a pocket full of small change ought to distribute some of it to the kiddies of Roseburg who are hankering to see things at the carnival grounds.

Roseburg is putting up some fine music for the carnival. Our two bands and the drum corps make a happy combination to carry out a good musical program.

Some men never see the funny side of life, though they appear funny individuals to others—which helps to make this old world brighter.

This was "hangman's day" at Salem. Some contrast between the festivities in this city and the state capital.

Well, everybody seems to be having a good time—including the kiddies.

One more good day is left for a three days' successful carnival.

PRUNE PICKIN'S

BY BERT G. BATES

GOOD EVENING FOLKS—A local sheik walked into a Local Music store. This a. m. and said "How much is 'Bred in Or' Kentucky'?" And the clerk said: "I think its 'Ten cents a loaf.'"

DUMPELL DORA THINKS A float is a cloud-masher.

The all-day suckers are holdin' out a dern sight better'n we that they would and if the Kewpie dolls fast the suckers will be on the job to the final gong.

The rassin' match at the carnival ground ain't any worse than the one in the armory.

The school kids parade this a. m. would make an advocate of birth control jump into the lake.

The movin' pitcher feller was here today turnin' the crank at local celebrities and all the local Gloria Swanson and Rudy Valentinos were crowdin' around tryin' to get their mug on the celluloid.

The Ump. Squawks caught 'em agin today fer not havin' dinner ready on time. The Chiefs are gettin' dern good and sick of this pot luck stuff.

Civilization jumped ahead a couple notches today as you can plainly see by readin' the hangin' story on page one of today's edition.

The hooch peddlers are dern sore at the airplane ride at the carnival grounds. A feller can get just as good results takin' a swirl at that as he can takin' a swig at their coffin varnish.

Sorry we haven't got time to write more but the band's goin' by. S'long!

The Saturday night bath'll feel dern good."

ASK WILSON'S PAROLE.

Petitions asking the federal judge, who heard the plea of guilty introduced in the federal court by H. G. Wilson, to grant a parole in the case, were placed in circulation here yesterday.

DEPUTY SHERIFF IS CHARGED WITH THEFT

(Associated Press Local Wire.) THE DALLES, Ore., May 22.—S. Giles Coleman, deputy sheriff and father here for 12 years, was arrested late yesterday on an indictment charging the appropriation of funds from the sheriff's office. He was released on \$2,000 bail.

JAZZ GIRL BLAMES ANOTHER FOR MURDER OF HER MOTHER.

(Associated Press Local Wire.) SAN FRANCISCO, May 22.—Dorothy Williams, 17-year-old confessed matricide, pronounced sane after six weeks confinement at the Napa State Hospital, will be returned here this afternoon to be arraigned for the second time on a murder charge.

The girl has indicated that she would plead not guilty to the first degree murder charge standing against her. In a written statement given out last night, Dorothy repudiated her signed confession, given the police shortly after her arrest about January 15 and put the blame for the killing of her mother to one "Jimmy La Marr," whom she says was one of her former associates in night life escapades. Police are searching for La Marr.

JUDGE McMAHAN ISSUES A "SHOW-ME" SUMMONS

SALEM, Ore., May 22.—Circuit Judge McMahan this morning told Sidney Graham, attorney of Portland representing Frank C. Bramwell to court to explain his affidavit of prejudice against McMahan in the case of George Putnam, against Bramwell, to compel Bramwell to maintain headquarters of the state banking department in Salem.

"If you cannot persuade Bramwell to come by himself I will issue an order to see that he does get here," McMahan told Graham.

In the affidavit of prejudice Bramwell swears that he believes McMahan is prejudiced against him and that he believes he cannot have a fair trial in Judge McMahan's court.

"I don't know Frank Bramwell in fact I don't know that I ever saw the man in my life," stated Judge McMahan. "I want to find out wherein I am prejudiced against him and wherein I cannot give him a fair trial."

Widow Cries for Joy "I couldn't eat anything but raw eggs, and sweet milk and was so weak I could hardly walk across the room. I would have been in my grave today if I hadn't taken Mayer's Wonderful Remedy when I did. When I think how I have suffered with my stomach and how good I feel now I cry for joy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

MILL COMPANY LEASES PLANT

The Myrtle Creek Mill property taken over by the Douglas County Flour Mills for a distributing center in the southern part of the county has been obtained by lease and not by purchase as announced yesterday. The local mill company has not bought the property, but has it leased for a period of time and will make it a point for the distribution of products in the southern half of the county.
