

LATEST PICTURE OF AMUNDSEN, AND HIS ROUTE TO POLE

The course followed by Roald Amundsen in his dash to the North Pole is shown in the map. He and his party went through the Arctic ice to Kings Bay, Spitzbergen, by boat and then the two planes, carrying six men, jumped off for the goal. The explorer is seen on skis in his latest picture from the north.

AMUNDSEN AND AIDES IN POLAR FLIGHT.

A new chapter in the history of aviation is being written by Captain Roald Amundsen, famous explorer, and his aides in the thrilling airplane dash to the North Pole. Honors of the exploit belong to six men, the crews of the two planes; in the first: Roald Amundsen, commander-in-chief and navigator; Lieut. H. Rison-Larson, pilot; Carl Fougst, mechanic. In the second plane: Lieut. L. Dietrichson, pilot; Lincoln Ellsworth, the only American, navigator; Lieut. Carl Oscar Omdal, mechanic.

The matter of entertaining the eighth grade graduates is an annual event in Rotary and each member is pledged to give particular attention and assist in every way possible one of the lads that their future life may be made a success. This year's class of graduates comprises a fine set of young men, all of whom seem anxious to enter high school and it is the hope of every Rotarian that not a single boy fall in his efforts.

SALEM, Ore., May 28.—Three men were burned and narrowly escaped death in a fire in Ritter's camp on the Valley and Siletz line on the Big Lucklamute on Tuesday afternoon, according to word received here today. Frye started to burn slashings, got beyond control and the three men, Myron Baker, Walter Dixon, and another whose name could not be learned, were back firing to save a donkey engine, when they discovered that they were entirely surrounded by the fire.

Dixon and the third man crawled beneath the donkey and burrowed into the dirt and mud. Baker made a run through the flames and received severe burns both about the face and on his knees. He fell several times. Dixon was burned internally by breathing the fire's hot fumes. The third man was practically unharmed. The donkey engine was completely destroyed. It was said at the Independence Hospital where she men were taken that Baker will probably retain his eyesight but that he will be permanently scarred. Dixon suffered no serious injuries and was dismissed yesterday. The fire, the first of the season, was controlled and last night's and this morning's rains have extinguished it completely.

TITHING BILL TO BE ADDED TO TAX BILLS FOR VOTERS

(Associated Press Leased Wire.) SALEM, Ore., May 28.—Just before midnight last night, completed petitions for the referendum of the tithing bill were filed with Secretary of State Koser, who on the last day allowed by law for filing referendum petitions, kept his office open after 5 o'clock to receive them. The petitions contain \$350 certified names. With the filing of the tithing bill petitions, that measure, the bus bill and the tobacco tax bill are all held in abeyance pending the outcome of the general election in November, 1926. The tithing act is designed to require all self-sustaining state institutions to pay into the general fund of the state 10 percent of their annual revenue. It was one of the state's financial program measures.

GUARD COMPANY READY FOR CAMP STARTING JUNE 12

The Roseburg National Guard Company is making active preparations for the annual encampment at Camp Jackson, the newly established national guard camp near Medford. The local company is fully recruited except for fifteen men, and enlistments will remain open until Monday, by which time it is expected that all vacancies will be filled, and the local outfit up to its full quota of men. The equipment is all in shape, and the men have all prepared their personal outfits ready for the camp which opens on June 12.

camp are to be shown a real time this year. Over 600 automobiles are being furnished by Medford people to take the student soldiers to Crater Lake on the second Sunday in camp. Baseball games have been arranged and will be played frequently, and in addition there will be a military ball, auto races, smoker and boxing contest, free motion picture shows and many other amusements and entertainments.

As the local company has authority to enlist only fifteen more members for this encampment, the young men who desire to enter the company should do so at once. The local company is assigned machine guns, which is an interesting and instructive branch of the army service.

8TH GRADE BOYS ARE ENTERTAINED

The eighth grade boys of the local schools, all of whom are graduating at the close of the present school year, and hope to enter high school later, were entertained today at luncheon by members of the Rotary club. A good, lively program had been prepared for the occasion and the boys, as well as Rotarians, spent a pleasant hour. President Henry Booth welcomed the guests and responses were given by representative boys of the grade/schools, later the youngsters being introduced by a Rotary member, giving the boy's contemplated future vocation and other interesting data.

President Booth made the fact known today that in the future all members of the club would be presented with a suitable gift on their birthday and that the member would be required to give a brief history of his early life. Today Jimmie Hutchings received a good, healthy rolling pin and Theodore Tremper a beautiful bouquet of flowers. The awarding of the new hat offered by the president recently for the best suggestions for a Rotary program for the present year fell to Billy Ott. Two violin solos by Walter Welker, son of Mr. and Mrs. Ora Welker, were much appreciated, the boy showing much musical ability. He was accompanied on the piano

rich Frye's Delicious Bacon is rich in nourishment. Dietitians tell us that Bacon is a highly nutritious food—and Mothers know it from their own observation. There's never any difficulty about children's appetites when Frye's 'Delicious' Bacon is served, just one more proof that this is a natural body building food. Frye's 'Delicious' Brand Bacon is prepared only from the choicest of young grain-fed porkers and the special Frye curing process keeps in all the natural goodness.

ARTISAN CARAVAN TO REACH ROSEBURG FRIDAY AFTERNOON

Roseburg will be visited tomorrow night by about 250 members of the United Artisans lodge, who will be on their way to the state convention at Grants Pass. The caravan leaves Portland early Friday morning, and will reach here, it is expected, about 4 o'clock in the afternoon. The Portland and Salem degree teams will be guests of the local Artisans at a banquet to be held at the Armory at 6 o'clock. At 7 o'clock there will be a street parade in which the Umpqua Chiefs and Squaws will march with the lodge members, and this will be followed by a dance at the Armory, music being

THE LASTING BODY OF CERTAIN-TEED PAINTS.

is due to its high quality. The highest grade materials are used in Certain-teed Paint. They are ground extremely fine and are thoroughly mixed by modern machinery. As a result Certain-teed Paint has exceptionally great covering capacity. The formula which is found on every can is an indication of its high quality to those who know paint ingredients. To those to whom the formula means nothing the Certain-teed label is a sure guide to satisfaction because this label is to be found only upon goods of the highest quality. Let us fill your requirements with this widely known Paint.

Show windows at home YOU can get a degree of enjoyment just by looking at show windows... seeing the clocks, radios, fountain pens you might like to own. But you can't be sure you'd like them till you know their unseen merits. What they do, how well they do it, how long they'll keep on doing it well. When you look at advertisements, you are looking at show windows that display not only what you see, but what you can't see. The product, its quality, use, pleasure to you. All you want to know about it—yours at a glance. You don't need to walk blocks to see what's new - - - nor look at it in doubt. Nothing doubtful is offered. It can't be doubtful and be widely advertised. You are as sure of a product's worth as if you saw it in a window, asked about it, examined it, took it home and tried it. The facts in advertisements are the facts of actual use. You can get more than enjoyment out of these show windows at home. You can get solid economy. READ THE ADVERTISEMENTS. THEY MAKE YOUR CHOOSING WISE

POST OFFICE CLOSED ALL DAY SATURDAY.

The local post office will be closed all day Saturday, May 30, Memorial Day, according to an announcement made this morning by Postmaster Heinline. There will be no carrier delivery of mail, but mail will be placed in the Post Office boxes as usual. Special delivery and perishable matters will be delivered where ever possible, mail will be collected from all city mail boxes, mail will be made up and dispatched as on week days, and all star routes will be carried as usual. No mail, however, will be delivered by R. F. D. carriers.

PIERCE APPROVES DEFENSE TEST BUT NOT THE DATE SET

SALEM, Ore., May 28.—It became doubtful today whether Oregon this year will participate in national defense test day, due to the desire of President Coolidge to have the test on July 4. Governor Pierce recently expressed approval on the part of this state in a national defense test day, but at that time it was proposed to have the test on Army Day. To have it on July 4 might bring the preparations in conflict with the state training camp activities, since the annual encampment will be in progress at Camp Jackson, near Medford, from June 12 to 25, and the heavy artillery encampment at Camp Barry from June 11 to 25. For that reason it appeared doubtful whether Oregon could participate in the national test. Adjutant-General White and Governor Pierce will confer on the problem today. The governor, however, sent a telegram to President Coolidge approving the test on July 4. Some protests against a national test are being received. Today one came from Paul Jones, of New York, claiming to represent the Fellowship of Reconciliation, which is said to have a membership in 42 countries and to be "working for peace as a Christian duty and a world necessity." The telegram urges the governor to accede to any National Defense Test plan.

OREGON IS NOW IN POSSESSION OF HER FIRST STATE FLAG

SALEM, Ore., May 28.—Oregon's first state flag, made according to the design adopted by law at the 1925 session of the legislature, and which becomes the official state flag today, was informally presented to the state at the east entrance of the capitol today. A downpour of rain marred the brief ceremony. The presentation was made by the general staff of the Oregon National Guard, headed by Brigadier-General George A. White, adjutant general of the state, and acceptance was by Governor Pierce, who pronounced it the official state flag. The face of the flag shows the coat of arms of the state, and over it in gold letters "State of Oregon" with a cluster of 33 gold stars. On the reverse side is a banner in gold, the beaver being the state emblem. The flag was made in Portland by Julius L. Meier, in the flag department of the store, and was completed in five days so that it might be used at Lexington, Mass., at the anniversary of the battle of Lexington. It was returned to Oregon after its use at Lexington. If you've lost anything— If you've found anything— If you want a job— If you want someone to do your work— Use the News-Review classified advertising. Results will be yours! 25 CENTS WORTH OF RHUBARB MAY COST CLERK HIS PENSION

(Associated Press Leased Wire.) KANSAS CITY, Mo., May 28.—The full power of the United States District Attorney's office and the postal department was assembled in federal court today, bent upon convicting a forty-year old mail clerk on a charge of stealing nine stacks of rhubarb from the mails. The value of the rhubarb was estimated at 25 cents. Conviction may mean a maximum sentence of five years in the federal penitentiary at Leavenworth, a fine of \$5,000 or both. The defendant, Max Rope, had been in the postal service vice for 21 years and would have been eligible for retirement on a pension in nine years. Rope denied he stole the rhubarb.

TWO NEGROES GIVEN DEATH PENALTY FOR USUAL CRIME

(Associated Press Leased Wire.) DALLAS, Tex., May 28.—Frank and Lorenzo Noel, negroes and brothers, were given the death penalty by two separate juries in the Dallas criminal court today on charges of criminally assaulting Mrs. Mary Steer and sentenced to be electrocuted June 28. They pleaded guilty and the facts were presented to juries. The two trials required less than two hours.
