SIXTY-ONE TO GRADUATE FROM R. H. S. THIS YEAR

Commencement Program to Be Held During the Coming Week.

SERMON ON SUNDAY

Baccalaureate Sunday Evening, Class Day Thursday, Commencement Program on Friday.

The Roseburg high school this year graduates a class of 61 students, of which number 37 are boys and 24 are girls, the local senior class having the largest percentage of boys of any graduating class in the state. It is seldom that the number of boys in a class runs higher than the number of girls, but this year's class is a decided exception in that regard.

The graduation exercises start next week, the first services being Sunday when the Baccalaureate sermon will be preached by Rev. W. S. McCullough, pastor of the local Presbyterian church, who will speak at the high school auditorium. All of the churches of the city will adjourn their evening services in order to participate in the exercises for the graduates.

The Class Day program will take place on Thursday evening and will be very interesting. The class will, history, and a number of interesting features, will be presented by the seniors.

The commencement program will be given on Thursday evening, at the high school auditorium. The program for that evening is as follows:

Commencement March — Eldress Judd.
Invocation — Hall Seely.

Taylor, chairman of board of school directors.

The senior class which is now leaving the Roseburg high school has made an excellent record in all school activities. With so many boys enrolled it has stood high in athletics, and the scholastic standing of the members has been very good.

The class officers are Hall Seely, president; Claire Taylor, vice-president; Marlon Ness, secretary; Helen Falbe, treasurer; Miss Christman, faculty adviser. The class motto is: "Climb Though the Way Be Rugged," and the class flower is sweet pea, and the colors, red and white.

The members of the graduating class are: Orval Aget, LeVern Bamber, Lynn Beckley, Vesta Beckley, Charles Beecroft, Fred Bellows, Irma Bolsinger, Ray Burt, Lyman Butner, Lois Byrd, Ralph Church, Murray Collins, Clifford Cooper, Dorothy Gordon, Evelyn Craig, Edmund Dolan, Carol Doyle, Helen Falbe, Paul Geddes, Leonora Godfrey, Lucy Grimm, Evelyn Hawn, Harry Hellwell, Lenore Hellwell, Clara Hercher, Clifford Hess, Mary Hodges, George Hunt, Harold Irwin, Ray Jost, Lotus Knight, Bertha Kohlhagen, John Lander, Orville Lindsey, Edith Lewis, Alice McDaniell, Odysseus Mathews, Baxter S. Athletics Past Glory Revived

PHILADELPHIA, May 29.—Philadelphia Athletics, ten years ago the greatest team in baseball, have once again returned to power as an attraction.

Since the departure of their marvelous infield, comprising McInnis, Clegg, Derry and Barrer, there have been many empty seats in the stands, but today at morning and afternoon games 70,000 persons thronged Shibe Park in tribute to a team of youngsters that has forced itself into a commanding position in the American League.

Chief Bender, Jack Coombs and Eddie Plank, great moundmen of a decade ago, never pitched before such throngs, the size of the afternoon gathering forcing hundreds to seek seats on the tops of houses nearby at 50 cents each.

Paolo second and Cooper third and Hartz fourth. The time was 1:26:22, an average of 104.20 miles per hour. When he lost the lead De Paolo had won \$5400 in prizes, having set the pace from the start. De Palma was 19 miles behind the flying leaders at 150 miles.

When the 200-mile mark was reached, Harry Hartz was in the lead with De Paolo second, Lewis third and Cooper fourth. Time 1:55:59, an average of 103.79 miles per hour. Shafer led for 22 miles, was forced back into sixth place because of time lost when he was forced into the pits for a tire change.

With the half way mark reached De Paolo was leading after a neck and neck race with Dave Lewis, Earl Cooper and Ralph Hepburn. The time for the 250 miles was 2:24:53-31, an average of 103.45 miles an hour.

At the 250 mile mark Lewis was trailing De Paolo in second place. Cooper was third and Hepburn was fourth.

The race was being witnessed by a record-breaking crowd estimated at 145,000, the greatest throng that ever witnessed a sporting event in America.

De Paolo set a killing pace from the start, leading for the first 137 miles and winning \$5400 in lap prize money. Then Phil Shafer shot into the lead, later giving way to Harry Hartz of Los Angeles. De Paolo, however, quickly resumed the lead just before speeding 250 miles.

Eighteen of the 22 cars that started remained in the grueling grind when the race was half finished.

Three miles were reeled off in the remarkable time of 2:56:33.50, an average of 101.95 miles an hour with Hepburn leading. Cooper second, Shafer third and De Paolo fourth. De Paolo lost the lead when he stopped to refill his tanks with gasoline and oil and change tires. Norman Batten relieved De Paolo at this time to enable him to snatch a brief rest for the final spurt.

Earl Cooper, one of the favorites, smashed into the retaining wall at the south turn of the track when a steering knuckle broke but escaped injury. Cooper, who was leading at the time was forced out of the race, reducing the field to 17. He had covered 310 miles at the time of the crash.

As the 350 miles were reeled off, Dave Lewis, piloting the only front drive car in the race was leading with Shafer second. De Paolo third and Hepburn fourth. The time was 3:27:23.24, an average of 101.6 miles an hour.

Lewis held to the lead at 400 miles with De Paolo in second place, Shafer third and Harry Hartz fourth. Tommy Milton, twice winner of the event, was fifth. The time was 3:56:30.20, an average of 101.48 miles an hour.

As the leaders were clogging off 400 miles, the car driven by James Gleason, a relief pilot for Wade Morton, smashed into the wall on the north turn of the stretch but escaped serious injury.

With ten laps to go De Paolo was leading Lewis' car by about two miles at 475 miles, with Shafer third and Hartz fourth. The time was 4:41:24.80, an average of 101.21 miles per hour. It was the fastest 475 miles ever driven on the track.

The daring De Paolo was back in the lead at 450 miles with Benzie Hill, driving for Lewis, bunching along in second place a lap behind. Shafer was third and Hartz fourth. The time was 4:26:28-57, an average of 101.22 miles an hour. De Paolo captured the lead when Lewis stopped at the pits in the 439th mile for gas and oil and Hill relieved him.

ACTOR RUSSELL TOO ROUGH: LANDLORD SUES FOR \$4,000

(Associated Press Local Wire.)

LOS ANGELES, May 29.—Ahmed Abdullah, athletic trainer, philosopher and Hollywood landlord, has been meditating of late on the behavior of motion picture actors and the meditation has soured his soul. This he confided to the superior court yesterday, when his \$4,000 damage suit against William Russell, screen star, came to trial. Russell was Abdullah's tenant for a year and, in the words of Abdullah, "a whole orphan asylum and all the dogs in the city could not have been harder on a house," and so he seeks \$4,000 with which to undertake the necessary repairs.

90 KING'S MILLIONS SAFE ANOTHER FORTY YEARS.

(Associated Press Local Wire.)

NEW YORK, May 29.—The vaults in which the Rockefeller millions are believed to be kept, in the form of securities of the Standard Oil Company's may remain undisturbed for another forty years, under a supreme court decision today. The vaults beneath the Produce Exchange building are said to be the only ones in New York which can be immediately flooded with water in case of fire.

The lease on the vaults made to the company in 1887 by the produce exchange expired on May 1. The Safe Deposit Company claimed it had the right to another forty-year term, but the exchange disagreed and refused to extend the lease. The decision today was in favor of the Safe Deposit Company.
