TEN REASONS WHY

- 1 New Speed Burner cooks more than 25% faster in actual, comparative tests.
- 2 Remarkable economies in cooking time and fuel are realized.
- 3 50% more space is available for cooking with no increase in size of cooking top. A whole meal can be prepared at once.
- 4 Cooking surface is hot all over.
- 5 Compact and inviting beauty makes Smoothtop the aristocrat of kitchen ranges.
- 6 New Top heat control where 80% of the cooking is done. Graduated

- 7 heating zones for hot, warm, or simmering temperatures.
- 8 Accurate oven heat control, with top control, relieves all worries of heat supervision.
- 9 Better cooking can be done on the Smoothtop because cooking requirements of various foods can be better satisfied.
- 10 Quicker cooking can be done because the Speed Burner cooks 25% faster.
- 11 Easier cooking is the direct result of the remarkable advantages of the Smoothtop Speed Burner and cooking surface.

the SMOOTHTOP will put a New Heart in Your Kitchen

In no other range will you find these economy-compelling features which make it so obviously profitable for you to take advantage of the liberal special offer immediately. The New Smoothtop with the New Speed Burner gives you cooking advantage you have never had before.

In the new Smoothtop you have all of the advantages of a wood or coal range with all of the disadvantages removed, no wood to handle, no ashes, no excessive heat, but heat where you want it, and when you want it—and there is absolutely no fumes in connection with this range as all products of combustion go up the chimney. Our new combination rate effective the sixth of this month makes gas the cheapest modern fuel available.

\$10 for Your Old Range

We will make this liberal allowance on your old range, whether wood, coal or otherwise, and provide easy terms for the balance. Enjoy the tremendous advantages of these new ranges immediately.
