WOOL DEMAND STEADY

BOSTON, July 3.—The Commercial Bulletin will say tomorrow:

"The demand for wool has continued more or less steadily and the tendency of prices is to harden, although there has been no further noteworthy advance in wool during the past week. Possibly the imminence of the London colonial wool auctions and the Australian sales is having somewhat of a sobering effect on the market, without which it is common opinion that there would be another runaway market here."

The Commercial Bulletin will publish the following wool quotations tomorrow:

Oregon, eastern number 1 staple, $1.30 to 1.35; fine and F. M. combing, $1.20 to $1.25; eastern clothing, $1.05 to $1.10; valley number 1, $1.10 to $1.15.

Mohairs, best combing, 75 to 80c; carding best 65 to 70c.

(Associated Press Leased Wire.)

TACOMA, Wash., July 3.—One of the two bank bandits killed by the citizens of Buckeley, Washington, Wednesday afternoon, was today identified as Charles W. Nygen 27, of Portland, Oregon. The indentification was made by local policemen through finger print records. Nygen was arrested in Portland on November 16, 1924, for carrying concealed weapons and his finger prints taken at that time.

The other slain bandit has not been identified.
