

"60 MILES TO THE GOOD. HOW'S THAT?"

You can get from 15 to 30 miles more to the tankful of "Red Crown" if you follow the practical instructions in the Red Crown Mileage Card. Here's one motorist who got more:

"I've been following my mileage with a Red Crown Mileage Card, and I'll say the Standard Oil Company knows how to make real mileage gasoline. I'm getting 280 miles on a 20-gallon tank against 220 miles just a month ago, so I'm 60 miles to the good. How's that?"

You, too, can get extra mileage from "Red Crown"—start "saving miles" today. Buy from any Red Crown pump in town.

Allie Enger Petroquin, aged 35, wife of Ralph W. Petroquin, of Melrose, passed away at her home in Melrose this morning after a very short illness. She was born in Seattle, and during the war served overseas in the A. E. F. as an army corps nurse. Four sisters also see her service as nurses.

She and her husband came to Douglas county about five years ago, and have been farming in that district. She made many friends, who sincerely mourn her death.

Besides her husband she leaves seven sisters and one brother. Funeral arrangements have not yet been announced.
