PORTLAND, Aug. 10.—(Market Notes)—The one cent advance in print butter is generally effective this morning at local creameries with stocks moving out briskly at the higher level. Today prints are selling at 53 cents and cartons 54 cents a pound as compared with 47 and 48c a month ago and 46 and 41 cents respectively a year ago.

Butterfat prices followed the rise in prints with cream buyers now paying 52c a pound l. o. b. shipper track in zone one. Cream production has fallen off considerably during the last few weeks and this has been largely responsible for the upward swing in butter prices.

Cube butter is unchanged today but the market is firm, especially on top score stock. Some butter has moved to San Francisco during the past week which has more than counteracted the arrival of Idaho stock here.

A weaker tone is discernible in the local egg market at the opening today. Outside markets has declined and this has hurt the output from here. Considerable fresh stock has been moving to San Francisco which has helped to prevent a decline locally.

The peach market was displaying a firmer undertone. Produce houses getting \$1.15 to \$1.20 a box today.

The local celery market was loaded but firm.

Potatoes were unchanged. The market is in a good healthy condition. Buyers are paying \$1.75 to \$2 in the country.

Onions are weak and lower. Walla Walla stock was laid down here at \$2. No Oregon offered. New early 17 to 20c a pound.

The live poultry market was generally steady and unchanged this morning with only a moderate trade. Receipts were light as was the demand.

Today's car receipts: wheat 15; barley 4; flour 21; corn 3; oats 4; hay 12.

Some contracting of new crop hops at 18 cents in this state has been reported although majority of growers will not consider anything under 20 cents. Latest estimates indicate that the old crop has been cleaned up to 100 bales. Growing conditions are ideal for new crop and a yield of 75,000 bales is generally forecast.

SAN FRANCISCO, Aug. 10.—Butterfat f. o. b. San Francisco 60 1/2c.

SAN FRANCISCO, Aug. 10.—(Federal State Market News Service) — Apples—Boxes—California Gravensteins, best \$3.25@3.50; C grade \$2@2.50; Alexanders \$2.25@2.50. Pears—Bartletts \$2@2.50; No. 2 \$1.50@1.75 box.

CHICAGO, Aug. 10.—Chicago opening wheat prices, 1 to 2c lower, September \$1.64 to \$1.65, and December \$1.62 to \$1.62b, were allowed by a moderate additional setback, September touching \$1.64-18 and December \$1.61-13.

Wheat offerings scarce, the corn market developed strength. After opening at 1 1/8 to 1 1/2c, prices rose to well above Saturday's finish.

Oats were easier as a result of liberal receipts. Starting unchanged 1 to 2c off, September 42c, the market later showed some decline all around.

In line with hog values, the provision market was firmer.

CHEMIST MURDERER FOUND, SUICIDES

(Continued from page 1.) with murder and a nationwide search for him was begun.

Identification of the victim was made after a week of exhaustive investigation. Several religious books found in the laboratory, contained handwriting which later proved to be identical with that of a letter written by Barbe, the victim, to a friend.

I has not been definitely determined to what extent Mrs. Schwartz will receive insurance. Of the \$100,000 insurance her husband carried, his wife will receive not more than \$25,000 and some doubt has been expressed if this amount will be paid.

A similar crime several years ago involved Dr. Brumfield, an Oregon dentist, who burned an automobile with the body of a man slain as a substitute for the murderer, who also held heavy insurance. Brumfield, like Schwartz committed suicide. The Oregon man, under sentence of death, took his life in prison.

ROSEBURG NEWS-REVIEW DOUGLAS COUNTY

LUXURY REVEL IN FAIRYLAND ENDS FOR MARY

(Continued from page 1.) can't flout common decency and truth, which is the bulwark of the American home, and get away with it.

Efforts to annul Mary's adoption on the ground that she had deceived Browning in giving her age as 16 instead of 21, were postponed until tomorrow when Surrogate Marble of Queens county, who signed the original adoption papers failed to appear at his office today.

NEW YORK, Aug. 10.—Mary Louise Spas has hiked off her Cinderella slipper and left her millionaire foster father, Edward W. Browning, to make her own way in the world by writing her fairy story for a newspaper for \$500 and probably acting it in the movies.

She didn't even say good bye last night. The clothes she wore were those given her by Mr. Browning. She took them, she said, only because she had nothing else to wear. She left the 50 frocks, strings of pearls, and other articles he bought in her recent shopping tour of Fifth avenue.
