"Shoot 'Em Alive"

Whenever you go Kodak Hunting you "shoot 'em alive," and it makes no difference whether its a shady nook along a mountain stream, or the wild beast in his native lair that you "shoot," unless you get proper and efficient developing and printing of your film—the effort has been in vain. We guarantee correct and professional developing and printing and our famous speedy

This Is Our Home!

Our hopes and our ambitions are centered here. Naturally we should have the local pride that causes us to hope that our community will grow and thrive.

And yet—some of us spend our money elsewhere, thereby taking just that much power for good away from ourselves. Let's help the community and ourselves.

Patronize Home Merchants
