"Shoot 'Em Alive"

Whenever you go Kodak Hunting you "shoot 'em alive," and it makes no difference whether its a shady nook along a mountain stream, or the wild beast in his native lair that you "shoot," unless you get proper and efficient developing and printing of your film—the effort has been in vain. We guarantee correct and professional developing and printing and our famous speedy

Partners in Prosperity

You and your home town are partners. If your town prospers, you prosper—if the town goes backward, you lose. Your interest are here. Keep your money where your interests lie. When you patronize outside merchants the money you spend can never be used toward the growth of this community. When you spend your money here you invest it and the investment will pay dividends in making our home town a better place in which to live.
