"Shoot 'Em Alive"

Whenever you go Kodak Hunting you "shoot 'em alive," and it makes no difference whether its a shady nook along a mountain stream, or the wild beast in his native lair that you "shoot," unless you get proper and efficient developing and printing of your film—the effort has been in vain. We guarantee correct and professional developing and printing and our famous speedy

8-Hour Service
On All Developing and Printing of Your Film.

CO-OPERATION

Cooperation means mutual help. It always results in benefit.

It constitutes a power for good. It means profit and accomplishment.

Our own welfare and growth depend upon co-operation.

Our merchants have established themselves and invested their money here and constitute a powerful factor for the growth and betterment of the town.

When you send your money away it cannot be spent by the merchants to help build the community.

Spend Your Money Here--We All Benefit

All the Styles Are Here!
